MT. PLEASANT BAPTIST CHURCH

Rev. Claud Dick, pastor

Mt. Pleasant Baptist Church is located seven miles south of Monroe on Stack Road and presently the church membership is 275. The dream of Mt. Pleasant became a reality as the church was organized on June 19, 1880. According to records, in 1882 a committee was appointed and a new building erected. A much larger building was built in 1916. Cull and Mildred Parker gave the church a clear deed to additional land in 1956 on which the present building now stands. A note burning service was held in 1964 as the church became debt free.

A parsonage was purchased in 1973 and paid in full in 1975. Plans started for a fellowship building which was completed in 1986. The parsonage which had been purchased was sold and a new parsonage built adjacent to the fellowship building. Our sanctuary has also been remodeled.

The following have served as pastors: A. C. Davis, J. J. Beasley, D. A. Snider, J. L. Bennett, A. Marsh, A. B. Caudle, T. P. Little, J. G. Bryant, M.D.L. Preslar, J. A. Bivens, K. W. Hogan, Zeb Caudle, J. H. Booth, W. B. Holmes, I. B. Little, T. E. Stately, Ernest Smith, S. A. Hatley, L. A. Honeycutt, Samuel Long, B. S. Broome, A. J. Wolfe, George Huggins, Robert J. Napier, Carl Allen, L. F. Helderman, James A. Mills, Leonard Horne, Tony Bradley, James Hartis, Frank Barwig, and presently H. Claud Dick.

Missions play a very important part of the church with emphasis on both spiritual and physical needs. The members have supported missions efforts at home and abroad: helping Forest Hills Baptist Church with construction of educational facilities; financial support for two of our members who went to Togo, West Africa to help with bridge construction, cooking, and sharing Christ; twelve of the men who went to Jamaica to help roof churches; helping in several areas in the states in clean-up from hurricane and flooding disasters, most recently, Hurricane Fran. The church also has several other on-going missions projects.

It is the prayerful desire at Mt. Pleasant Baptist Church that it continue with a deep concern for missions in the church, community, nation, and other parts of the world and to grow in the grace and knowledge of our Lord Jesus Christ.

These minutes are dedicated in memory of:

MRS. MARY B. LANEY FORNES

June 3, 1944 - February 13, 1996

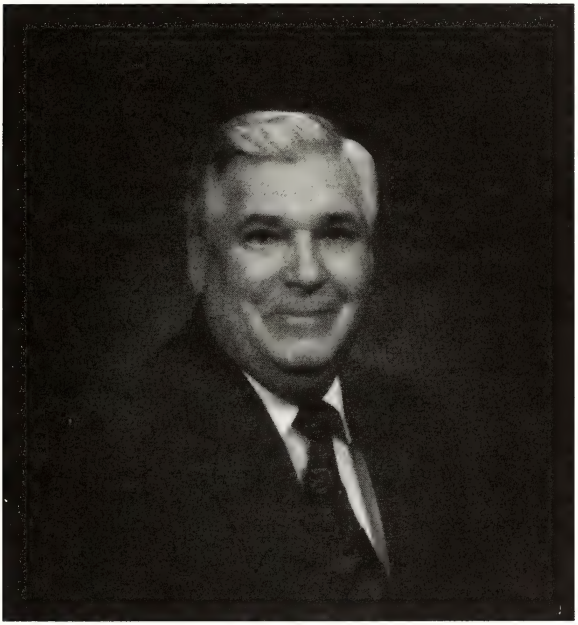
Mary B. Fornes was a woman whose life's work was helping others. As director of Union County's Crisis Assistance Ministry for eight years, "B.," as she was affectionately known, constructively touched hundreds of area lives. She was always gracious in working closely with many Union Baptist Association churches in meeting the needs of individuals referred by them to Crisis Assistance Ministries. County pastors started Crisis Assistance Ministries as a clearinghouse to keep people from abusing churches' charity by going "from church to church" and often receiving funds from different sources for the same need. She treated everyone with respect and strived to have a positive impact on lives experiencing a temporary crisis.

"Mary B." was a very active life-long member at First Baptist Church, Monroe. She held many positions of service over the years, including involvement in WMU, as a Sunday School teacher and as a choir member.

Because she loved the theater and the arts, Mrs. Fornes served as a board member with Union County Players. She was also a charter member of the Union Symphony Chorus.

"B." is survived by her husband, Jimmy, and two sons, Bob and Bill. Mr. Fornes resides in Monroe. Bill is married and resides in Raleigh while working on his doctorate at NC State University, and Bob attends the University of North Carolina at Greensboro.

These minutes are dedicated in honor of:



REV. JAMES CARROLL SPIVEY

Rev. Carroll Spivey served as pastor at Hopewell Baptist Church from August, 1984, until March, 1996. He was born on February 26, 1936, in Greenwood, SC. He was married to Glenda Ann Gullard in 1954 and was ordained to the Gospel Ministry on January 3, 1960, by Callie Self Memorial Baptist Church, Greenwood, SC. He graduated from Southeastern Baptist Theological Seminary and received his Master of Divinity. He pastored several churches in SC and NC from 1959-1984 before being called to Hopewell.

During the course of his ministry, Rev. Spivey has actively supported associational missions. In Union Baptist Association he served on the Constitution and Bylaws Committee; as the Adult Leader for the 1986 ASSISTeam; as the 1987 Sunday School Director and chairman of the Committee on Committees. He participated in association ministers conferences, meetings, and business sessions. He has also served in various leadership capacities with Abbeville Baptist Association, Greenwood, SC; Beulah Baptist Association, Caswell and Roxboro, NC; and as Interim Director of Missions in 1966 for Tar River Association. He served as chaplain for Bartlett Yancey High School Athletic Teams, Caswell County Volunteer Fire Department, both in Yanceyville, NC; chairman of Alamance-Caswell Mental Health Board, Burlington, NC; and Chaplain for Triad Golf Chaplaincy in cooperation with the Leisure Department of the NC Baptist State Convention.

Rev. Spivey was diagnosed with prostate cancer in 1988 which required radical surgery. Bone cancer was detected in 1993 and contributed to his early retirement. He received radiation therapy and is presently receiving treatment through a research program at Bowman Gray Medical Center, Winston Salem. Carroll and Glenda Spivey reside in Jamestown, NC. They have three children and five grandchildren.

Bylaws

ARTICLE 1 - AFFILIATED CHURCHES

Those Missionary Baptist Churches which have applied for membership, and by vote of the Association are accounted to be in fellowship with the purpose and undertakings of this body, shall comprise the list of affiliated churches. The vote of the Association to extend fellowship, or to withdraw fellowship, shall be a two-thirds vote.

All churches not affiliated with another Association of like faith may be admitted as members into this union by a two-thirds majority vote of the messengers present, provided they comply with Article 23 of the Bylaws and make known their desire to become members of the Association at the annual meeting of the Association when the Association will take action on their requests.

All churches composing the body of the Union Baptist Association, and those asking for membership in this body, shall believe and practice the doctrine of the New Testament as interpreted by Baptists through the years: that all churches presently composing this body, and all others seeking membership into the body at a later date, shall practice baptism by immersion only.

Messengers from one-half of the churches shall constitute a quorum at the Annual Session, and the decision of those present shall be considered the action of the Association. Messengers from one-fourth of the churches shall constitute a quorum at all other sessions, and the decision of those present shall be considered the action of the Association.

Failure to report annually to the Association or failure to be represented by messengers for two consecutive sessions without sufficient cause shall raise the question of fellowship. The Association may withdraw fellowship from any church which consistently fails to maintain a spirit of cooperation to support the objects of this Association. It shall be the responsibility of the Associational Council to investigate and make recommendations to the Association with regard to withdrawal of fellowship from any member. At all times any action of the Association must conform to the following principles.

(1) The Association shall regard the churches as independent bodies in all their internal affairs and exercise no ecclesiastical jurisdiction or claim any legislative or judicial power over them.

(2) As every church is an independent body, amendable so far as authority is concerned to the Great Head of the Church alone, any church shall have full power to terminate its connection with the Association whenever it may see fit. While, however, a church chooses to continue this connection, the Association must have a relative right to inquire into its standing whenever it may be necessary to do so, and in case of dissatisfaction to withdraw from it.

ARTICLE 2 - OFFICERS

The officers of the association shall be elected at the annual session in October and shall assume their duties, with the exception of the Clerk and Treasurer, at the close of the session at which they are elected and serve until their successors are elected and assume their duties. Those filling the office of Clerk and Treasurer will serve in conjunction with the fiscal year.

Officers shall be: Moderator, Vice Moderator, Clerk, Treasurer, Historian, Discipleship Supporter, Sunday School Director, Brotherhood Director, Woman's Missionary Union Director, Music Director, Evangelism Director, Youth Director, Auditor and other such officers as the Association deems necessary in the continuation of its work. Each officer must be a member of a Union Baptist Association church.

The term of the Moderator shall be limited to two consecutive years; other officers shall be limited to five consecutive years, with the exception of the Clerk and Treasurer. If for any reason the Moderator cannot serve out his term, the Vice Moderator shall become the Moderator of the Association. When the need arises to replace the Vice Moderator, the Associational Council shall present to the Association a nomination of the person to complete the unexpired term of Vice Moderator. This person shall assume the position of Vice Moderator after the approval of the Association.

The Moderator and Clerk of the present Association shall serve as the President and Secretary, respectfully, of the successor Association corporation, and the Vice Moderator and Treasurer shall serve as Vice President and Assistant Secretary, respectively, of the successor Association corporation. (These persons will sign all legal documents, including titles, etc., on behalf of the new corporation.)

The total program of the Association shall be under the leadership of the person holding the office of Director of Missions. His selection shall be upon the recommendation of the Staff Relations Committee, and subject to the approval of the vote by the Association in session. The terms and conditions of the call shall be clearly set forth and published in the minutes of the Association. The supervision of the office of Director of Missions shall be the responsibility of the Staff Relations Committee.

ARTICLE 3 - ASSOCIATIONAL COUNCIL

The Association shall have an Associational Council composed of the Moderator, Vice Moderator, Clerk, Treasurer, Discipleship Supporter, Sunday School Director, Woman's Missionary Union Director, Brotherhood Director, Music Director, Evangelism Director, Stewardship Chairperson, Missions and Outreach Chairperson, Auditor, Historian, Youth Director, Director of Missions, Church and Community Ministries Director, Staff Relations Chairperson, Media Director, Parliamentarian, Literacy Director, Seminary Extension Director and two laymen messengers appointed by the Moderator. The General Board Member(s) from our Association shall be ex-officio member(s) of the Associational Council. Each person serving must be a member of a Union Baptist Association church.

The Vice Moderator shall be Chairman of the Council.

The Council shall meet at least once each quarter prior to the regular meeting of the Association in session. The Chairman shall bring to each meeting of the Association a report of its work.

The Council shall study carefully the program of work for the entire Association and the needs of all the churches. In the light of this study, the Council shall work out an annual Calendar of Activities for the Association which shall run concurrently with the calendar year. The Calendar of Activities is subject to the approval of the Association.

ARTICLE 4 - PROCEDURE

The business of the Association shall be conducted according to *Robert's Rules of Order*, where not otherwise provided by this Constitution and Bylaws.

ARTICLE 5 - AMENDMENT

This Constitution and Bylaws may be amended by the Association with a two-thirds vote, provided:

1. All proposed amendment(s) shall first be referred to the Constitution and Bylaws Committee for clarification and correlation before being presented to the Association.
2. These amendments may be recommended and presented for approval either during the Tuesday afternoon meeting of the October Annual Session and voted on during the Tuesday evening meeting, or at a quarterly session and voted on at the next quarterly session of the Association.

Between sessions, the Constitution and Bylaws Committee may recommend changes to the Associational Council. If the Council recommends approval, each associational member church will be furnished a written proposal of any change and, not earlier than 20 days thereafter, a special called meeting of the Association may be held for the purpose of voting on the changes.

No resolutions adopted by this Association shall become a part of this Constitution.

ARTICLE 6 - TIME OF ASSOCIATION SESSIONS

The Association shall meet quarterly on the Tuesday evening immediately following the fourth Sunday in October, January, April, and July. The October meeting shall be deemed the "Annual Session" and shall also meet on Tuesday afternoon. However, in case of some unavoidable circumstances that require changing the date of any meeting, the Associational Council shall have authority to change said date, provided a notice of such change shall be mailed to each church at least two weeks before the stated time for the meeting and at least two weeks in advance of the new date for the meeting.

A special meeting of the Association may be called by the Associational Council, provided that a notice of the time, place, and purpose of such a meeting shall be mailed to the pastors and clerks of the churches of the Association at least two weeks in advance of the time set for the special meeting.

ARTICLE 7 - OPENING

Meetings of the Association shall be opened with a devotional service and closed with a prayer.

ARTICLE 8 - ORDER OF BUSINESS

Any order of business shall be adopted at the beginning of each session and shall be changed only by a two-thirds vote.

ARTICLE 9 - CHURCH PROFILE

Each affiliated church shall send to the Annual Session of the Association, or mail to the Clerk earlier on forms furnished by the Clerk, a full report of the church work for the year ending September 30. The church profile shall reach the Clerk by October 10.

ARTICLE 10 - MODERATOR AND VICE MODERATOR

The Moderator and Vice Moderator shall preside at all meetings of the Association. As opportunity may permit, they shall represent the fellowship of the entire Association as fraternal visitors to the churches. The Moderator shall nominate at least two association members to fill the vacancies on the Committee on Committees which shall be elected at Annual Session.

ARTICLE 11 - CLERK

The Clerk shall keep an accurate record of the proceedings of the Association and shall prepare and cause to be published and distributed as directed by the Association minutes and statistics of the Association as soon as feasible after adjournment of the Annual Session. The necessary forms and church profiles shall be mailed to the associational church clerks or the affiliated churches 30 days prior to the date of each Annual Session. Copies of the minutes shall be mailed to each institution participating in the Cooperative Program, and such other institutions and individuals as the Association may direct.

The Baptists of this Association came directly from the efforts of the early Christian workers of Wales and England. Their first settlements were in Old Welsh Neck section in South Carolina and Old Sandy Creek section Chatham County. Union County Baptists came from Old Welsh Section. The Welsh Neck Baptist Church was organized in 1738. In 1793, Lanes Creek was organized about two miles west of Philadelphia Church. This Church was the stock of the Welsh Neck Church. The churches that came out of the Welsh Neck Church organized into the Moriah Association in 1815. For convenience of the North Carolina side of the Moriah Association, the Brown Creek Association was formed in 1854. In 1885, the name of Union Association occurred. The association submitted Articles of Incorporation, which were approved with non-profit status on December 31, 1991, in the name of Union Baptist Association of Union County, North Carolina by the Secretary of State, Rufus Edmisten. These Articles of Incorporation were recorded on February 4, 1992, Book 538, Page 295, in the Union County Register of Deeds office.

2. CONGREGATIONAL HYMN, "We've a Story to Tell to the Nations," #586. Accompaniment was provided by Mrs. Wanda Smith at the organ and Mrs. Nancy Dick at the piano.

3. Rev. Claud Dick, pastor at Mt. Pleasant Baptist Church, extended our welcome and gave instructions regarding the facilities and telephone. Rev. Dick also led our Prayer of Invocation.

4. SCRIPTURE READING AND THEME INTERPRETATION was brought by Rev. Douglas Rumley, pastor at New Salem Baptist Church, based on Matthew 28:19 and the theme, *Celebrating Missions to the World*.

5. CALL TO ORDER - Moderator Fred High, Benton's Cross Roads Baptist Church, called the 142nd Annual Session of Union Baptist Association to order at 3:15 pm.

6. ROLL CALL - Association Clerk, Mrs. Ann Grayson, Macedonia Baptist Church, conducted a roll call of attendance with 53 of our 76 churches and missions represented. Mrs. Grayson moved that the messengers present representing Union Baptist Association Churches constitute a quorum for the 142nd Annual Session. Second received. **The motion passed.**

7. Moderator High recognized all new ministers and their families, referring to page 51 in our Book of Reports. He added a welcome to Rev. Jeff Smith (Hamilton Cross Roads) and Rev. David Kessler (Austin Grove). All present were asked to stand.

8. Moderator High allowed a moment to recognize agency representatives and former UBA directors of missions, but none were present.

9. Moderator High presented the Book of Reports as prepared by submitted reports from the different association committee chairpersons and representative agencies which was distributed to each messenger in the seats. The book will be presented for adoption during the first business session.

10. CONGREGATION HYMN, "We Have Heard the Joyful Sound," #581.

11. Moderator High allowed Dennis Burton, Director of Missions to recognize the South African Planning Team Members (Rev. Bill Fogarty, Mrs. Billie Hutchison, Mrs. Lawanna Price, and himself).

12. Dennis Burton also gave special recognition to the South African Mission Group of boys from Roanoke Baptist Church who went to witness and teach soccer this past summer.

13. SPECIAL MUSIC - Mark Pressley introduced Rev. Don Duncan, minister of music, West Monroe Baptist Church, who sang "Then Came the Morning."

14. Dennis Burton introduced our guest speaker, Rev. Trevor Swart, Area Coordinator of the Transvaal Baptist Association, South Africa, and who served as the General Secretary of the Baptist Union for 19 years prior. The Transval Association has 150 churches in an area slightly larger than NC.

15. KEYNOTE ADDRESS was brought by Rev. Trevor Swart, Area Coordinator of the Transvaal Baptist Association, South Africa. He shared a word of appreciation for the NC Partnership formed with South Africa, and the prayers of American Christians for his country during troubled times. He also shared a word of information as he told us about his country of over 40 million people, with 75-78% black and 1:10 ratio of Christians. There are 11 different official languages in South Africa. Rev. Swart shared special ministry needs of his country which included playground equipment, home skills, evangelism teams for Back Yard Bible Clubs, sports ministry, and someone with video skills for promotional purposes. Finally, Rev. Swart shared a word of exhortation in reading from Revelations 3:8. This verse speaks of the integrity, authority, and sovereignty of God.

16. Dennis Burton explained that Trevor Swart would need to leave to speak in Raleigh Association this evening. He announced a special tri-county meeting at First Baptist Church in Locust, on Friday, November 1, 7:30 pm, for WMU and Brotherhood groups to meet with Trevor to discuss mission ideas and opportunities.

17. Moderator High stated his appreciation for the opportunity of having Trevor Swart with us for our session.

Second Session: "Celebrating Missions at Home" **4:00 pm**

18. CONGREGATION HYMN, "At Calvary," #138.

19. SCRIPTURE READING AND THEME INTERPRETATION was brought by Rev. Dan Phipps, pastor at Oakland Baptist Church, based on Luke 24:46-48 and the theme, *Celebrating Missions at Home*.

20. PRAYER was led by Rev. Perry Comer, pastor at Philadelphia Baptist Church.

21. FIRST BUSINESS SESSION - Mrs. Verna Funderburk, Group IV Coordinator, Mt. Pleasant Baptist Church, presented the Church Group Coordinator's Report as shown on page 20 of our Book of Reports.

22. Mrs. Ann Grayson, clerk, requested those present to review the Book of Reports and contact the association office if corrections need to be made. She moved the acceptance of these reports and the adoption of the 1996 Book of Reports as presented with the provision that any necessary typographical corrections may be made and that any statistical church information not yet received may be added prior to annual publication. Second received. **The motion passed.**

23. Rev. Leon Whitley, pastor at Pleasant Hill Baptist Church and chairman of the Constitution and Bylaws Committee, referred to the changes as presented on pages 36 and 37 of the Book of Reports and moved the acceptance of these recommendations. No second was required. **The recommendation passed.**

24. Moderator High deviated from our program to allow Mrs. Billie Hutchison, Association WMU Director, (Marshville-First Baptist Church) to present her report. Mrs. Hutchison expressed appreciation to the association for allowing her to serve as WMU Director for the past five years. She stated that WMU is always busy and will continue to work with the association office on mission projects. She reminded all that Baptist Women's Day of Prayer will be recognized November 4, at Elizabeth Baptist Church on Maurice Street. Mrs. Hutchison paid tribute to Dr. Marian Hume

for dedicated service in WMU, her wealth of knowledge, and the promotion of missions throughout Union Baptist Association for many years. Mrs. Hutchison stated that, to date, a donation in the amount of $1,220 had been collected to be donated in honor of Dr. Hume toward repairs for the GA/Acteen Camp at Mundo Vista. Dr. Hume accepted this honor and shared her appreciation and testimony.

25. Ken Long, chairperson of Stewardship Committee, (Oakland Baptist Church) presented the newly approved UBA budget for 1996-1997 as shown on pages 57-59. He discussed the necessity of association churches to give generously (3.5% per church is requested) to support this budget. He referred to a letter mailed to all churches dated June 20, 1996 regarding this issue. Moderator High added a reminder that the budget was distributed to all churches prior to the July session with the request that any questions or comments be shared with committee members or the association office. He stated that there were no comments received; therefore, when the adoption of the budget was presented, no discussion was called for. Moderator High took a few moments to allow any questions or comments at this time. There were none.

26. Ginger Tucker brought the following resolution to honor Dr. Marian Hume by naming the association media center as the Dr. Marian Hume Media Resource Center. This resolution comes as a recommendation from the association council. A second was received. **The recommendation passed**. A copy of the resolution was framed to present to Dr. Hume and another copy was framed to hang in the media center. Dr. Hume was also presented a plaque of this recognition and a nameplate will be placed on the media center door. (A copy of this resolution follows these proceedings.)

27. CONGREGATION HYMN, "I Love to Tell the Story," #572.

28. UBA MINISTRY TEAM REPORTS-CHURCH AND COMMUNITY MINISTRIES Ginger Tucker, Church and Community Ministries Director, referred to her report on page 19 of the Book of Reports. She noted that all the projects listed do not take place within the four walls of the church. She also referred to a handout of upcoming projects in the messenger packets which also require ministry outside the four walls of the church. She challenged churches to review these and other ministries and evaluate themselves to see what they can do to show the love of Jesus Christ in the community.

29. CHURCH PLANTER/MISSIONS STRATEGIST - Richard Culpepper, Church Planter/Missions Strategist, referred to his report found on page 21 of the Book of Reports. He also updated this report to add the first Sunday morning worship service for Community Baptist Church will be held November 10, at 9:30 am, at Sun Valley High School auditorium. Midway Baptist Church has agreed to sponsor this new work. There are several needs for this service, they need a pianist. They also need soloist (who can leave by 10 am to attend their home church). They need nursery workers and have a major outreach planned for January 12.

30. DIRECTOR OF MISSIONS COMMENTS - Dennis Burton referred to a written report on page 39 of the Book of Reports. He stated that this was his third annual session as director and he feels God is speaking very clearly in leading the direction of our association. One of every three persons in Union County is unsaved. We need to get serious about "winning the lost at all costs" if we want to preserve the salvation of our county. We pray daily for the needs of our churches and we also hear unanswered opportunities because of limited resources. This is really positive because God is working in our midst. He added that we have incredible diversity within our association—many talents. We have plans to schedule one joint session per year with the General Baptist Convention (black congregations in our area). This would have taken place at this annual session; but they had their annual convention in Asheboro. He thanked Mrs. Teresa Long for taking pictures and serving as our photographic historian and providing displays for our sessions. He stated that Donnie Gamble, Vice-Moderator, could not be with us this evening as he was celebrating his 25th wedding anniversary with his wife on a trip to Hawaii. Dr. Burton expressed appreciation to the Ministry Team members.

31. Dennis Burton recognized the current association council members and also those nominated to serve next year. Dennis also recognized the association committee members for their service. He expressed appreciation to all. Dr. Burton stated that following our special music, Moderator Fred High would speak. He expressed his appreciation to Mr. High for his service to our association as vice-moderator and then, moderator.

32. SPECIAL MUSIC, a solo medley performed by Mitzie Hartis, from Indian Trail-First Baptist, which included: "Sweet Hour of Prayer," "I Need Thee Every Hour," "Just As I Am," and "Turn Your Eyes Upon Jesus."

33. MODERATOR'S ADDRESS - Moderator Fred High based his message, "Working Together for Missions," on I Corinthians 3:9. He stated that God is cultivating all of Union County. As we grow, we glorify our Lord more. We want to stand in the shadow and point to the cross. He referred to the Mission 2000 Goals found on the inside front cover of the Book of Reports. Teamwork is required to meet these goals. It is God's plan that all workers pull together and we are blessed with diversity and talent in our association. We need to put them together to work for His benefit and glory. Mr. High stated he was very appreciative to have been allowed to serve God through the association work.

34. Moderator High referred the audience to pages 48 and 49 of the Book of Reports for a listing of more than 180 names of our beloved friends and family who are no longer with us. We honored their memory with a moment of silence.

35. Rev. Claud Dick came to give instructions on the serving of the evening meal to be catered by M. C. Howell.

36. CONGREGATIONAL HYMN, "Breathe On Me," #238.

37. BENEDICTION AND BLESSING FOR MEAL - Rev. Frank Barwig, pastor at Waxhaw Baptist Church led our prayer.

38. DINNER - We adjourned to dinner at 5:30 pm.

Third Session: "Celebrating Doing Missions Together" **7:00 pm**

39. Moderator High extended a welcome to all for our evening session. The audience stood and sang "Onward Christian Soldiers" (hymn #493) as RAs and one GA made the Presentation of Flags (American flag, NC flag, Christian flag, UBA flag, South African flag, Belarussian flag).

40. Moderator High shared a special prayer request to remember the baby daughter born to Greg and Laura McKenzie, missionaries to Spain, as she was having some health problems.

41. Rev. Jeff Smith, pastor at Hamilton Cross Roads Baptist Church, led our Prayer of Invocation.

42. Moderator High reminded those entering for the evening session to please complete a messenger card which would be collected later.

43. SCRIPTURE READING AND THEME INTERPRETATION was brought by Rev. Eddie Price, pastor at Calvary Baptist Church, based on John 17:20-23 and the theme, *Celebrating Doing Missions Together.*

Dr. Woodson called three students to the podium: Dallas Pressley (Hillcrest), David Nichol (Friendly), and Jeff Smith (Hamilton Cross Roads). These three have been enrolled with Seminary Extension for two years and were congratulated for having only two more courses needed to complete the basic level. Jeff Smith shared comments of appreciation for those involved with bringing the Seminary Extension Classes to our area. He said God had used the classes to teach and lead him. The classmates share prayer time and lift each other up. There is also a time of fellowship—to share defeats and victories.

Joe Larrimore, chairman of Missions and Outreach Committee (Wingate Baptist Church), reminded those present of the importance of the Partners in the Harvest program. Membership is $60/person/year.

Rev. Larrimore referred to a written report on page 50 of the Book of Reports. After referring to a motion passed at the April, 1996, session to allow the purchase of a modular unit for use with new church starts in the association; and after explaining of changes regarding structure recom-

mendations from the BSC to be more in favor of steel buildings, the committee moved a recommendation to allow flexibility in the former authorization on modular units if we find this more feasible. **The recommendation passed**. The committee also recommends two watchcare works, Love Baptist Church and Westend Baptist Church, to be accepted into full fellowship with Union Baptist Association. **The recommendation passed**. Rev. Don Thompson, pastor at Love Baptist Church; Rev. Duell Hinson, pastor at Westend Baptist Church; and visiting members from both congregations were asked to stand as we welcomed them into full fellowship with applause. Rev. Larrimore presented the first Bivens/Funderburk Church Award for Missions Excellence to Mary Elizabeth Baptist Church. Rev. Mickey Carnes came forward to accept the presentation of the plaque. Rev. Larrimore presented the first Bivens/Funderburk Award for Missions Excellence to Mr. David Funderburk, Mt. Pleasant Baptist Church. David Funderburk came forward to accept the presentation of a plaque. These recipients' names will be added to a wall plaque to be displayed in the association office. (A copy of the nominations follow these proceedings.)

47. BROTHERHOOD DIRECTOR - Calvin Funderburk, brotherhood director, acknowledged his appreciation for encouragement from David Funderburk to accept this position with the association. He referred to a written report on page 17 of the Book of Reports. He recognized Billy Tarlton, Austin Grove Baptist Church, for his help in instigating Hurricane Fran relief efforts in our association. Calvin recognized all volunteers who assisted with the Hurricane Fran Disaster Relief. He shared ideas of wanting to start a Brotherhood Council within our association. He also stated that he was available to assist Brotherhood groups as requested. Calvin showed the NC BSC video on Hurricane Fran Disaster Relief efforts. When this was finished, he reminded all that the relief efforts were supported by the NC State Missions Offering.

48. SPECIAL MUSIC - Mark Pressley presented the Mt. Pleasant Baptist Church Choir who presented a musical medley including: "Majesty," "Oh For a Thousand Tongues to Sing," and "Oh How I Love Jesus," under the direction of Mrs. Audrey Horne.

49. DOCTRINAL SERMON - Rev. Don Thompson, pastor at Love Baptist Church brought our doctrinal sermon entitled "Ministry: Jesus Style." His scripture reference was Mark 5:21-43 and 1 Peter 2:21. He emphasized our need to overcome our fears and inhibitions to minister "as we go" in our communities without prejudice. Rev. Thompson closed his message with prayer.

50. CONGREGATIONAL HYMN, "All Hail the Power of Jesus' Name," #202.

51. SECOND BUSINESS SESSION - Moderator High opened the floor for nominations for Moderator. Rev. Joe Larrimore nominated Rev. Donnie Gamble as moderator. Dr. Walter Woodson moved the nominations cease. Second was received. **The motion passed. Rev. Donnie Gamble was approved as moderator by acclamation.**

He clarified if the count was close or any questions, a secret ballot vote would be taken. Rev. John Wood recommended the two candidates be excused if they desired. Moderator High reminded those present that only messengers could vote. **Based on a hand count vote, Mrs. Verna Funderburk was elected as Vice-Moderator.** The vote tally was not questioned.

53. Dr. Walter Woodson presented a recommendation from the Resolutions Committee to pass a resolution expressing appreciation to Mt. Pleasant Baptist Church and the churches in Group IV for their hospitality during our Annual Session. Further, he expressed appreciation to all churches and church groups hosting quarterly sessions, to Dr. Dennis Burton, and to all UBA volunteers. Second was received. **The resolution passed.**

55. SPECIAL MUSIC - Mt. Pleasant Baptist Church Choir sang "Set My Soul Afire," under the direction of Mrs. Audrey Horne.

56. ANNUAL SERMON - Dr. Jim Somerville, pastor at Wingate Baptist Church brought our annual sermon entitled "Whose Church Is It?" His scripture reference was Matthew 16:13-20, The Message, paraphrase of New Testament translated by Eugene Peterson. He cautioned us about how easily we refer to "my" church and "my" preacher in the personal possessive tense. The church belongs to Jesus Christ and no other. He is present with us in service, in committee meetings, in business meetings, etc. We also make the mistake that God can't take care of His church without "our" help. We need to stay focused on our task and confess without reservation that Jesus is the "Messiah, the Christ, the Son of the Living God." God tells us it is on the strength of that kind of confession, the rock of that kind of faith, that He can build **HIS** church!

57. CONGREGATIONAL HYMN, "Have Thine Own Way, Lord," #294.

58. Dr. Dennis Burton requested that the Association Council members for the new year come forward. He continued by making announcements on the following events: a) Nov. 1, 7:30 pm, First Baptist Church, Locust, NC - WMU and Brotherhood groups will meet again with Trevor Swart to have an opportunity for a question/answer period.; b) Nov. 7, Wingate University is offering the Winter Bible Study Preview.; c) Nov. 9, Chairmen and Vice-Chairmen of our churches are invited to a UBA Leadership Conference hosted at Wingate Baptist Church.; d) Nov. 11-13 - NC Baptist State Convention in Greenboro.; and e) If you came in during the evening session and completed a messenger card, please leave it at the end of the pew to be collected so we might get an accurate count.

59. DEDICATION OF UBA OFFICERS AND LEADERS - Dr. Dennis Burton asked everyone to stand and join in a prayer of dedication for the new Association Council. Dr. Burton led this prayer.

60. PASSING OF THE GAVEL - Mr. High passed the gavel of leadership to Vice-Moderator Verna Funderburk in the absence of Rev. Donnie Gamble, Moderator.

BIVENS/FUNDERBURK CHURCH AWARD FOR MISSIONS EXCELLENCE - 1996

Presented at the Union Baptist Association Annual Session, October 29, 1996

The recipient of our Bivens/Funderburk Church Award is dedicated to supporting missions in every way, through the local church, Union Baptist Association, and state missions. A proportionate amount of the church budget is given annually to support Union Baptist Association and the NC Baptist State Convention. Enthusiastic support is focused on the Lottie Moon Offering and the Annie Armstrong Offering each year.

The church brotherhood recently assisted a local family in completely redoing a house that was moved to their property. This was a coordinated effort with other denominations. It was a heartwarming experience to see this group of dedicated people pull together to assist this family in realizing their dream come true—a beautiful new home. The brotherhood has a breakfast meeting each month which is attended by other denominations. Some of the church Baptist Men also attend other brotherhood meetings in the community.

Another church project was to install a heating system and water supply in the home of a widow lady of the congregation and the community. The church has also adopted a project of winterizing homes for the elderly and anyone who needs this assistance. A food pantry is maintained for immediate assistance for any family who needs food. This is supplied by donations from church members.

Different Sunday School classes donate money to the Rebound Program on a regular basis. Other mission participation includes eyeglasses for the needy, medical supplies for the Belarussian families, and donations to the Christmas Bureau.

There is a prayer meeting each Saturday morning at 8:00 am to pray for all the needs of the church, community, and nation. The pastor attends support programs each month to gain and exchange ideas with other denomination pastors.

There has also been a Youth Choir formed to reach the younger people of the church. The youth directors have worked hard to develop programs of interest, including rafting trips, camping adventures, and attending different sports events together. The activities are focused with Christian guidance and enjoyed by all.

The church was organized in 1922, with a current resident membership of 256. For their significant contributions to the cause of missions, it is a great privilege to present the first Bivens/Funderburk Church Award for Missions Excellence to **Mary Elizabeth Baptist Church. The pastor is Rev. Mickey Carnes.**

BIVENS/FUNDERBURK AWARD FOR MISSIONS EXCELLENCE - 1996

Presented at the Union Baptist Association Annual Session, October 29, 1996

A love for our Lord and His fellowman inspires this person to give of his time, energy, and finances in support of missions. He supports missions locally through his church and his involvement in Union Baptist Association. He has been active in state and even world missions as well.

He has held several positions of leadership in his local church also, including Sunday School teacher and assistant, Sunday School Superintendent, and Brotherhood Director. Participating in missions spiritually and physically seems to come naturally for this person. He has made two personal trips to Israel to tour the Holy Lands. He participated on church mission trips to Jamaica and Togo, West Africa, to assist with construction needs in those areas. He assisted in the renovation of the church auditorium and the construction of the church fellowship hall and participated in the disaster relief efforts for Hurricane Fran recently.

He has been active in serving our association as a Trustee, Church Executive Board Representative, and served on various committees, including a very active Missions and Outreach Committee. He has been a strong supporter for new church starts within the association for several years. His generosity in lending his resources in any way possible has been much appreciated. He cleared and graded the land for the church starts at Christ Baptist Church and Morgan Mill Road Baptist Church, and even graded the property which our current association building stands years ago. Most recently, he cleared the property site for Unionville Presbyterian Church following the fire that destroyed their building.

A member of Mt. Pleasant Baptist Church, our candidate is a true churchman who embodies the very best of Christian character and commitment. I am proud to announce the first recipient of the Bivens/Funderburk Award for Missions Excellence is Mr. Funderburk's nephew, **Mr. David Funderburk.**

ASSOCIATION QUARTERLY SESSION MINUTES

UNION BAPTIST ASSOCIATION WINTER SESSION MINUTES
JANUARY 30, 1996
FIRST BAPTIST CHURCH, WEDDINGTON

CALL TO ORDER - Moderator Fred High called the Winter Session, hosted at First Baptist Church, Weddington, to order at 7:05 pm.

PRAYER - Rev. Douglas Rumley, pastor at New Salem Baptist Church led in a prayer of invocation.

ATTENDANCE - Mrs. Ann Grayson, association clerk, moved that the registered messengers present constitute a quorum for the session. Second received. The motion passed. Final counts showed 41 churches and 4 missions represented. Present: 134 messengers, 30 pastors, 28 visitors, 6 council members and staff, 4 alternates, 2 interim pastors (204 total)

PROCEEDINGS - Mrs. Ann Grayson moved that the proceedings for the 141st Annual Session of Union Baptist Association be approved as presented. Second received. The motion passed.

TREASURER'S REPORT - Mrs. Sharon Funderburk, association treasurer, presented the treasurer's reports reflecting Church Contributions and Cash Receipts and Disbursements through December, 1995, with year-to-date totals shown. She also commented that the 1994-95 financial records have been audited and a letter reflecting this procedure is attached.

ADOPTION OF REPORTS - In addition to the above listed reports, copies of reports from Marian Hume, Discipleship Supporter; Donnie Gamble, Sunday School (ASSIST) Director; Ginger Tucker, Church and Community Ministries Director; and Dennis Burton, Director of Missions were distributed. Donnie Gamble, Vice Moderator, moved that all submitted reports be adopted as distributed. Second was received. The motion passed.

UNFINISHED BUSINESS - Dr. Dennis Burton, Director of Missions, reminded all of the Wingate Scholarship Fund established at our last association annual session in October, 1995. Contributions are being accepted at the UBA office and at Wingate University.

UBA STAFF REPORTS - Ginger Tucker, CCM Director, referred to the ten mission opportunities brochure enclosed with the February association newsletter with additional copies available this night. She also referred to her submitted report stating 14 Belarussian children have been placed for this summer with prospects for more placements. There are nine Hope Builder projects ready to be adopted by local missions organizations. A Conversational English Literacy Workshop will be offered on Feb. 23 and 24.

Richard Culpepper, Church Planter/Missions Strategist, reported 40,000 new people will move into Union County within the next two years. We want to be ready for them. UBA has prepared to establish a new church in the Indian Trail area, and he has already begun working with an architect to plan a facility. He stated that he is available to assist with those who feel they have been given an opportunity to minister in some way to their community. He is looking for six churches who could lend a team of people for one night per month to do some door-to-door canvasing. Rev. Culpepper distributed a brochure to those present.

Dennis Burton, Director of Missions, expressed appreciation for the opportunity to meet in First Baptist Church of Weddington for our session. He introduced and welcomed two new pastors: Rev. Douglas Rumley (New Salem) and Rev. Lamar Tribble, who will be interim pastor at *El Buen Pastor* during a planned sabbatical for Rev. Tommy Concha. He reported that UBA has been assigned to partner with Johannesburg, South Africa, a city of 8.5 million people. Dr. Burton referred to the last page of the information package showing upcoming events in the association including: Senior Adult Revival (Mar. 11 and 12); Youth Night (Mar. 16); and our next association session scheduled this Spring (Tues., April 30, 1996) at Faulks Baptist Church, with our guest speaker, Rev. Bill Fogarty (First Baptist Church, Weddington). Dr. Burton referred to a handout showing the Mission: 2000 Goals which were adopted at our annual session. He stated that since October, we have already placed 14 Belarussian children for this summer; we have seen an increase in stewardship and baptisms from some churches; and there have been some churches who have scheduled their own missions conferences. He feels people are hungry to get back to doing missions and touching people's hearts. He stated that Rev. Rick Brown's church has looked at the Mission: 2000 Goals and set their own goals in relation. Dr. Burton encouraged other churches to follow this lead to set personal goals.

Moderator High thanked staff members and those submitting reports and took a moment to recognize Mrs. Jean Rollins, UBA Administrative Assistant. He then introduced Rev. Ken Lida, Cooperative Program Committee Chair.

COOPERATIVE PROGRAM - Rev. Lida spoke on supporting the Cooperative Program year round and the importance of including it in church budgets.

MEMORIALS - Moderator High referred to handouts listing names of 182 association church members who have died within the past year. We remembered them in a moment of silent prayer.

NEW BUSINESS - Dr. Dennis Burton reported on our Mission: 2000 Strategy Planning Session held at Morgan Mill Road Baptist Church, on January 9, 1996, with approximately 70 people attending and representing the different association committees. Thanks were extended to Rev. Mickey Carnes and his assistants for preparing a Chicken and Dumpling meal for this strategy session night. We feel this was a successful evening with many ideas initiated and brainstormed. He asked for the association to look at Mission: 2000 as a missions formula with its number one goal being to win our county to Jesus Christ. There is room in your church, your heart, your ministry, to help make that goal a reality. He asked for each church to pray and consider sending their pastor, their deacon, and/or their missions leader to South Africa as a missionary in our partnership. He again expressed appreciation for the UBA staff and to the UBA staff and invited those present to come visit at the association office. Rev. Vance Edwards extended a point of order to add his appreciation of Dr. Burton and his spiritual life. Moderator High encouraged messengers to please carry the enthusiasm of this evening back to their churches to share it.

CONGREGATIONAL HYMN - *Tell Me the Story of Jesus* (#437) was sung under the direction of Mr. Ken Griffin (Oakland Baptist Church) in the absence of Mr. Sammy Thomas, association music director. Mrs. Sheila Sharpe (Weddington, First) was our piano accompanist.

MUSICAL MEDITATION - *Step Into the Water*, Steve McGuirt, soloist (Oakland Baptist Church)

PARTNERS IN THE HARVEST - In the absence of Rev. Tony Medlin, Dr. Dennis Burton explained how the Partners in the Harvest Missions program works. Presently, we have 84 partners. We hope to see that number increase dramatically. Projects being considered include the South Africa Partnership and the mission church in the Indian Trail area.

SOUTH AFRICAN MISSION PARTNERSHIP - Mrs. Billie Hutchison, WMU director, gave her testimony regarding her lifelong desire to be a missionary in Africa and how God has unfolded this opportunity after several years to allow that dream to become a reality to some degree. She and the other members of the planning team for UBA, Dr. Burton, Rev. Bill Fogarty, and Lawanna Price (Oakland) have been assigned to leave in mid-February for South Africa for a ten-day trip. They will be searching for needs and will come back to share how UBA churches can help meet those needs. She requested that all association churches be in prayer for this mission endeavor. Please pray for their safety, stability in the county, and for the goals of the trip.

CONGREGATIONAL HYMN - *Turn Your Eyes Upon Jesus*, (#198)

INTRODUCTION - Moderator High introduced our guest speaker, Dr. Michael Blackwell, president of Baptist Children's Homes of North Carolina. He also introduced our special music to precede Dr. Blackwell.

MUSICAL MEDITATION - *People Need the Lord*, Mr. Burt Loftis, soloist (Oakland Baptist Church)

MESSAGE - Dr. Michael Blackwell opened in prayer. His message was entitled "*You Are Beloved*," and based on scripture from Luke 3:21 & 22. Dr. Blackwell thanked Dr. Burton and Jean Rollins for their assistance with his arrangements in meeting with us this evening. He stated that he was very pleased to report that the goal of $650,000 set for the Baptist Children's Homes Offering was exceeded this year and he thanked the association for its support. He based his message on the foundation of our faith that we are the beloved sons and daughters of God. He went on to say that many of us fail to claim this fundamental identity. We answer the question of "Who Am I?" with 1) I am what I do; 2) I am what other people say about me; 3) I am what I have. All these answers are based on Satan's lies, just as he tempted Jesus in the desert. We should look to Jesus for the truth in ourself. You are Beloved. Let it invade your very being and change your life, your church, your community. In the scripture, God says "I love you, you are chosen." When temptations come, with Christ, we never give up hope. If we live in this reality, we will be free to move out-perhaps even from the comfort of our own churches- to be on mission, wherever the opportunities come to us.

CLOSING - Moderator High brought the association session to a close. He expressed appreciation for the presence of the Holy Spirit, to Dr. Blackwell for his message, to program participants, and to Weddington-First as our host. He requested that those present offer feedback on the session to assist in planning future meetings. He then recognized Rev. Bill Fogarty, pastor of First Baptist Church, Weddington to bring the benediction.

BENEDICTION - Rev. Fogarty began by expressing his appreciation for allowing Weddington, First to host the association in session. He shared a brief history of the origination of the church—a proposed mission site for UBA in Feb., 1989. February 18, 1996 will mark the 6th anniversary of God's work for Weddington, First. It began with 33 members that first Sunday and has grown to 300 members today. He reminded the association that if UBA had not made a commitment with our investment and faith that God had plans for this area, First Baptist Church, Weddington would not have been possible. Again, he thanked the association for their assistance, explained the facilities, and invited all present to tour throughout the church. He indicated that refreshments were set up across the hall and provided by churches in Group V. Rev. Fogarty closed with prayer.

ADJOURNMENT - The meeting adjourned by common consent at 8:45 pm.

Respectfully submitted,
Ann C. Grayson, clerk

Dennis Burton, Director of Missions, expressed appreciation to Faulks Baptist Church for hosting our session. He announced the next association session which will meet at Euto Baptist Church on July 30, with Dr. Roy Smith, Executive Director, NCBSC, as our guest speaker. The 1995 annuals are available for distribution tonight. The material was entered onto computer disc this year in hopes to streamline that process and facilitate editing for future annuals. He also stated that the pastor directories are available for distribution. He referred to the nominating form from the Committee on Committees in your packets. He encouraged all to complete their recommendations and submit them to the COC committee as soon as possible. He referred to Associational Missions Week beginning May 19. There will be a prayer guide mailed within the week. He requested that churches receive a special offering to assist with the new church start, Community Baptist Church. Dr. Burton reminded all of Pastor Appreciation Day, June 30. He reviewed the Mission 2000 goal. He stated that God is creating a hunger in the hearts of our people to reach out and touch people. The goal of Mission 2000 is to reach every man, woman, teen, boy, and girl in Union County with the gospel of Jesus Christ by the year 2000. He reported that in the next 5 years, over 50,000 new people will be moving into this county. He challenged churches to look at Mission 2000 and determine where your church can fit in that goal. He took a moment to introduce the association ministry team and thank them for their service.

CHURCH GROWTH MULTIPLIERS - Joyce Dennis, Consultant/Church Growth Multiplier, NC-BSC, read scripture from 1 Cor. 3: beginning with vs. 6. She stated that they are available to assist churches with their visitors and the process of discipling them as they become members of our churches. Brochures are available.

NEW BUSINESS - Missions and Outreach Recommendation: Rev. Joe Larrimore, chairman, moved as a committee recommendation to accept the fellowship of Living Waters Baptist Church under watchcare. No second is required. The recommendation passed. The pastor is Rev. Jerry McCoy.

Rev. Joe Larrimore moved that some of the Partners in the Harvest funds be used to purchase a modular unit to be used with new church starts. Second was received. Joe Larrimore recognized Rev. Tony Medlin, co-chair of the Partners in the Harvest sub-committee. Rev. Medlin asked that Rev. Richard Culpepper speak to the motion. He reported on activities at Community Baptist Church and the desire to acquire a meeting place to allow housing for Sunday services. They would like to use a 24 x 50 modular unit that will seat 75 people. He requested support of this project to help reach people for Christ in this community. Mr. Earl James, co-chair of the Partners in the Harvest sub-committee spoke in support of the program and this project. He stressed this dream was attainable with the original goal of the Partners program, which was 1000 partners at $60/member (15 members/church, at a cost of $5/month). Tony Medlin stated that 50% of new church starts fail according to statistics. Union Baptist Association has had a tremendous success rate with only one failure. He supported this program and stressed that this unit would not be owned by Community Baptist Church. This church would contract under a lease agreement with Union Baptist Association. He stated that the unit would cost approximately $35,000, which would probably be purchased on a lease agreement. Rev. Vance Edwards spoke from the floor in support of the Partners in the Harvest program. Dr. Dennis Burton stated that this was an easily attainable goal with members joining Partners in the Harvest; however, donations from churches will be accepted toward this project also. Moderator High called for the question. The motion passed.

Mother's Day Offering for Baptist Hospitals: (May 5-12, 1996) Dennis Burton stated information should have been received by each church regarding this offering.

The Carolinas Billy Graham Crusade: (Sept. 26-29, 1996) Dennis Burton stated that information regarding the crusade was being circulated from the association office. He urged churches with a van or bus to please use it to transport area people to the crusade to the fullest capacity. He referred to the Promise Keepers Men's Rally on Jun. 21 and 22. He felt it is a wonderful opportunity to grow in Christ in an inter-denominational setting. Pastors should receive more information on this rally very soon.

CONGREGATIONAL HYMN - Moderator High requested that David Smith, Calvary Baptist Church, come and lead our congregational hymn, #455, *We've a Story to Tell*. Mrs. Janice Jordan accompanied on the piano.

Partner brochures were passed out to allow opportunity for those present to join. He also requested that WMU and Brotherhood organizations help promote this program in their churches.

SOUTH AFRICAN MISSION PARTNERSHIP - Dennis Burton introduced the South African Team Members available to speak on their mission planning trip. Rev. Bill Fogarty discussed slides as shown in a presentation. Dennis Burton stated they are working with sister associations on bringing a South African missionary to NC in October. He stated there is a strong need for children's ministry in South Africa. If interested in going to South Africa, contact the association office, or contact one of the team members. Mrs. Billie Hutchison spoke on her adventure as a member of the planning team and she encouraged others to take advantage of this missions opportunity if at all possible.

Dennis Burton stated that three young men from Roanoke Baptist Church will be going on a trip as a soccer team to South Africa. Rev. Rick Brown spoke on some of the details of this trip in June which is sponsored by the NC Baptist Men. Soccer is the tool these boys will use to allow them to witness and share their testimonies with thousands of people. Anyone interested in assisting with the expenses for these young men may contact Roanoke Baptist Church.

CONGREGATIONAL HYMN - Due to the extended business session, Moderator High asked to cancel this hymn. In the absence of Rev. Donnie Gamble, Vice Moderator, who was called to the hospital to be with a family member, Moderator High introduced our guest speaker, Rev. Bill Fogarty, pastor, First Baptist Church, Weddington, and asked that he take the podium following our special music.

UNFINISHED BUSINESS - South African Partnership

Dennis Burton reported that Trevor Swart will be our guest from South Africa at our Annual Session in October. He will be speaking at our afternoon meeting. We hope his trip will give him a clearer picture of what we can and cannot do to assist through our partnership. He announced plans to take a special offering later this evening to assist with Rev. Swart's transportation costs. He stated that we have received requests for teams now and we are looking for someone to go for a week and see how to set up a Christian Radio Station. We also need someone on this team to help train in funding and administration.

Partners in the Harvest

Rev. Tony Medlin reported we have 44 new partners since the last session, 4 renewals, and some contributions from churches and individuals. Contributions total $2,938.25 and Memberships (with renewals) total $2,880. This with the balance previously give us a total of $9,456.18. Forms were distributed in the messenger packets and more were available at the altar. Moderator High recognized Billie Hutchison for a special presentation to recognize associational missions. She recognized Natasha, interpreter for the children. Natasha thanked the association and made a special gift presentation to Ginger. Ginger shared that Natasha will be baptized Sunday night at Midway church. She also referred to the Upcoming Ministry Opportunities shown on the handout and an additional page that helped explain about the ABRO program and the accident in Chernobyl.

Richard Culpepper, Church Planter/Missions Strategist, requested volunteers to assist with this process. He thanked the churches and the Partners in the Harvest members for their contributions. There are hopes to have a fall BBQ Olympics on the land site.

Dennis Burton, Director of Missions, stated that the association office functions as a Ministry Team and he took this opportunity to express his appreciation to the other team members. He stated that those present noticed there were no lines for the session. Materials and messenger cards were placed in each seat. He requested feedback on the session. He stated that Teresa Long was taking pictures to assist recording of UBA history in addition to the clerk's minutes. Dr. Burton stated that UBA is reaching around the world, throughout the state and county, touching lives. God is calling people to personal mission involvement. He reminded all of the next Annual Session scheduled October 29, to be hosted by Mt. Pleasant Baptist Church. He stated that good changes were coming and urged all participants and especially bi-vocational pastors to attend. He also stated anyone wishing to participate in a prayer service for the crusade, contact Rev. Bill Fogarty, First Baptist Church, Weddington. Dr. Burton requested that as churches form their budgets, they consider supporting association missions at 3.5% of total receipts, and if that was not possible, to consider increasing their gifts by some percentage this year. He also shared special prayer requests with the association regarding David Latta, son of Rev. and Mrs. Bobby Latta (Macedonia), who has an aggressive cancer; Doris Houston, wife of Rev. Carl Houston (Hopewell, interim), who had hip surgery last year; and churches across the association who were dealing with some difficult issues. BROTHERHOOD REPORT

The goal of North Carolina Baptist Men is to help North Carolina Baptist Churches and Associations involve their members (especially men and boys) in missions. The objectives for accomplishing this goal are to:

- Enable and equip men and boys to be personally involved in mission activities.
- Encourage men and boys to identify and develop their personal ministries.
- Educate men and boys concerning mission opportunities.
- Teach men and boys the importance of praying for and giving to missions.
- Lead men and boys in developing in all areas and aspects of their lives to become mature, active, and involved Christians.

Our North Carolina Baptist Disaster Relief Teams were very busy during the month of September helping thousands of people recover from Hurricane Fran. All together there were 500,000 meals served across the Eastern part of North Carolina at 10 different locations. There were over 1000 volunteers reporting to do chainsaw jobs, debris removal, "mud outs," and other various types of clean ups. Over 1000 jobs were completed by these volunteers.

The NC Baptist Men have published a brief video of disaster relief efforts across our state following the destruction from Hurricane Fran. A memo dated September 24, from Dr. Roy Smith, Executive Director, and Mr. Richard Brunson, Director, NC Baptist Men, states the following statistic:

LOCATIONS	BAPTIST FEEDING UNIT	# OF MEALS
1) Winter Park Baptist, Wilmington	North Carolina Unit 1 and 3	192,844
2) Wrightsboro Baptist, Wilmington	South Carolina Unit 3	33,957
3) Snyder Memorial Baptist, Fayetteville	Florida Unit	45,180
4) Forest Hills Baptist, Wilson	South Carolina Unit 1	59,244

LOCATIONS	BAPTIST FEEDING UNIT	# OF MEALS
5) First Baptist, Burgaw	Georgia Unit 1	23,306
6) Warsaw Baptist, Warsaw	Georgia Unit 2	21,775
7) Aversboro Baptist, Garner	Alabama Unit	51,407

9) First Baptist, Goldsboro	North Carolina Unit 2	35,289
10) First Baptist, Kinston	North Carolina Unit 2	5,850

(Kinston was still ongoing when these figures were compiled.)

As you will note, the response of volunteers from Union Association Churches was great. There were 192,844 meals served from Winter Park Baptist Church in Wilmington where our Union County volunteers concentrated their efforts in serving meals and disaster recovery. We also had county volunteers who went to the Kinston area and the Raleigh and Smithfield areas. I would like to express a special 'thank you' to each and every volunteer who took time from their schedules to help someone else in need. As of September 24, 1996, clean-up crews were still needed. If you have volunteers from your church who are willing to serve on a volunteer clean-up team, please contact NC Baptist Men's office at 1-800-395-5102, extension 331, 341, 333, or 323.

There was a total of 374 missions projects reported from Union Baptist Association churches last year to the North Carolina Baptist Convention. I would like to express thanks to all those involved in these mission projects especially the Disaster Relief Team. I would also like to express thanks to everyone involved in the Hope Builders and the Belarussian Children's Project.

Missions Ministry takes place where your gifts and world needs cross paths.

Mr. Calvin Funderburk, director

BUILDING AND GROUNDS COMMITTEE REPORT

During the past year a portion of the media center was partitioned to be used as office space for our Church Planter/Missions Strategist. This work was completed by Dennis Burton. The electrical work was completed by Joe Helms. Mr. Helms made other electrical repairs which have made the office equipment operate more efficiently. We appreciate the donation of their time and energy to complete these projects.

Our Director of Missions has recommended that we insulate the attic to cut down on heating cost. Also, the Building and Grounds Committee has approved the purchase of a new vacuum cleaner, which will be purchased as funds allow.

The committee met on May 6, 1996, to consider several areas needing attention which included:

- Painting the outside of the building or installing siding to include spray washing the building.
- Examining the roof to determine when the budget will need to increase for replacement.
- Plumbing problems in the men's restroom downstairs.

The plumbing repairs were made. Regarding the roof, it was determined that the present roof should last another two years.

Bids were received for painting and for installation of siding. It was recommended by this committee to install the siding as funds allow.

The committee would like to express our appreciation to our custodial team, Leigh and Alice Malcolm, and Larry Broadway for their service each week.

Respectfully submitted,
Mrs. Jean K. Rollins, chairperson, Mr. Smith Keziah,
Mr. Roy Broome, Mr. David Tomberlin,
Mr. Travis Evans, Mr. Joe Helms

CHURCH PLANTER/MISSIONS STRATEGIST REPORT

In the push to "accomplish" it is easy to forget that church is people-not the programs and not the building. But when you start a new church, God continually reminds you that programs and buildings are important tools to reach His people. The focus of God's ministry is bringing people into relationship with Him through Jesus Christ.

At Community, one realizes the focus must be people; we started with no people, no building, and no programs. It has been a year of focus on prayer and people. We have made great strides in establishing a core group for the new church. God has brought people together that believe they have been called to Community and are committed to establishing the new church. Ten families have committed to the new work with several others attending. God led a family that lives across the street from the Community property to the church, and we use their home as our church building. We meet there Wednesday pm and Sunday am. If you ride by on a Sunday morning, you will see the children's class meeting at the picnic table.

The Missions Committee has been instrumental in committing to Community's growth with assistance in procurement of a Worship Home on the property. I have met with others considering providing financial assistance toward this procurement. The excitement and desire to see a building on the property is extremely high within our group; however, at this point, we are all praying diligently to see what God would have us do. God has shown me that in order to provide for growth, we need a larger place for us to meet.

In the past year we have seen the following develop at Community:

* core group
* door-to-door surveys conducted
* enlistment of associational churches' involvement in missions
* four Bible Studies
* site development: lighting on property/care of property
* children's ministry
* singles group
* music
* sponsoring church
* financial accountability within

Please be in prayer for our church:

1. That we know God's perfect timing to build or rent a facility in Indian Trail
2. To grow numerically

In other areas of associational responsibility I have:
represented the association at the "Start Something New" Summit
attended the BSC Key Leadership Conference
worked with two churches in developing a church growth campaign
worked with the Wingate Campus Minister to help develop an outreach program
represented the NCBC for a mission emphasis week
represented our association at the NCBC Black Pastors Conference.

Respectfully submitted,
Rev. Richard Culpepper
Church Planter/Missions Strategist

DIRECTOR OF MISSIONS' REPORT

THE STATE OF THE UNION

The closing of this associational year brings us to reflecting upon one of the most challenging years in UBA history. Our member churches have posted significant gains in membership, baptisms, professions of faith and in virtually every area of church life. Many of them have engaged in mission efforts that have carried them all over Union County, the State of North Carolina, around the nation and, some, around the world. Several congregations brought the world to us; as we experienced the twenty-eight children from Belarus. Many of those kids went home with Christ in their hearts! The stories being told by our people who have participated in these missions projects are warming to the heart and challenging to the soul.

It is self-evident that the Lord is opening doors for mission opportunity as He has never before. I believe that it will take every ounce of commitment we possess to enter into those doors. It is also self-evident that our enemy will do everything is his vast powers to distract us from the vision God has set before the association.

There are some critical decisions to be made by each member and each church in UBA. We must decide at what level of commitment we are willing to go in surrendering our lives to the ministry set before us. We must decide if we truly want growth to be a part of our church life: spiritual, numerical, relational, and financial growth. It is usually very easy to agree that we all want growth in these areas, but are we agreeable to accept the changes that growth brings?

We are growing in UBA both in the number of churches and in the numbers in those churches. My vision is that everyone who God sends to us will be reached and that those who are reached will be discipled and become mature servants of the Lord.

Missions 2000 has set a course for us that will bring us into the 21st century. That turn of the calendar will be far more reaching than just a tick of the clock. In a very real sense, a new world is before us to live in and through. We must be willing to find new methods of outreach, share power and authority, and acknowledge the ownership of our churches by the Lord, as we have never done before. Those congregations who are open, inviting, and willing to assimilate new people into their leadership will grow and grow beyond their dreams. Those who do not wish to experience that kind of growth will continue as they have in the past, but at what cost to the Kingdom?

One of the major hurdles to our association providing the leadership and resources needed by our member congregations to fulfill their ministries is the mission dollars required to fund those resources. We exist to work along side you as the Lord gives us vision and opportunity. We will not be able to keep pace with the needs and demands of mission unless you and your church support your association. The stewardship committee has asked each church to support us with 3.5% of their budgets. Many are moving in that direction. Please pray for the leadership of the Holy Spirit about this crucial issue.

As a closing word, it is important for me to tell you that your UBA Ministry Team has and is giving all of their efforts and skills to the work of the Lord. They are gifted and dedicated servants. We are blessed to have them. Thank you, Ginger, Richard, Jean and Ann. Please tell them how much you appreciate them and encourage them in ministry.

Thank you for the great privilege of being your Director of Missions. This is one of the greatest ministries that God has ever permitted me to be a part of. Pray for us; we feel the Lord's presence when you lift us up before Him.

Dennis L. Burton, D. Min.
Director of Missions

DISCIPLESHIP TRAINING REPORT

In the Great Commission, Jesus challenges His disciples not only to evangelize but also to teach "them to obey everything I have commanded you" (Matthew 28:19-20). Discipleship Training provides a way for churches to train their members.

A bright-eyed, active eight-year-old helped me carry in the Bibles and other things needed at the Association Bible Drill on March 31, 1996, at Mountain Springs Church. With much enthusiasm, she told me, "I'm going to be in the Bible Drill next year." Then thoughtfully she added, "I already know all the books of the Bible." To give her something to do as I got ready, I had her say the books of the Bible. She did know them. Wouldn't it be wonderful if all our church members showed this enthusiasm for knowing God's Word?

The Children's and Youth Bible Drills showed an increase in participation. Forty-one children and youth led by 21 adult leaders participated at the church level. At the associational drill 32 participated, and there was one in the Youth Speakers' Tournament. The leaders are to be commended for the excellent work demonstrated at the associational drill.

Near the end of her study of *Experiencing God*, a woman in her eighties said, "This is the best study I have had at church in a long, long time. Is there something else like this that I can study?" I answered, "Why doesn't your group study *The Mind of Christ*?"

A few of the churches in the association have ongoing Discipleship Training using the dated curriculum. Most of the churches use short-term studies, chosen to meet the needs of the people. Terms which characterize much of today's discipleship training are flexibility, meeting needs, short-term, multiple resources, choices, support groups, and in-depth study. Discipleship Training can be scheduled whenever a group with similar needs determines a convenient meeting time and wherever it wishes to meet. One-to-one discipling is also possible when someone serves as a mentor for a fellow Christian.

The association media library has copies of many of the short-term studies which may be previewed and/or checked out. There are studies for new members, doctrinal emphases, leader training, marriage enrichment, parenting, support groups whose members have like needs, Christian growth and development, and in-depth Bible study. Available for children and preschoolers is *TeamKid* which has a new course each year.

Some suggestions to the churches to enhance Discipleship Training are:

(1) Elect a Discipleship Training Director.
(2) Become familiar with all the resources available.
(3) Develop a plan of Discipleship Training which will meet the church members needs.
(4) Use those resources which will meet the needs of the people in your church.
(5) Provide new member and leadership training and teach doctrinal studies.

EVANGELISM COMMITTEE REPORT

The work of the Evangelism Committee this past year has been hindered by assorted situations that have arisen. However, we are looking forward to getting back to the work of the Great Commission in the months ahead.

The Committee has had one called meeting, June 27. Ideas for future work were discussed. Some of which you will be hearing about in the months to come.

Please be in prayer for the Evangelism Committee. The spiritual battle involved in winning souls is greater than any other effort we as an Association will undertake, and yet there is no battle more worth fighting than the battle to reach the lost for Jesus. Thank you and God Bless.

GENERAL BOARD REPORT

1996 was a good and busy year for our State Convention. We would like to share some of these wonderful works that took place during the General Board Meetings that made this year a great year for NC Baptist.

1. The officers for 1996 are: President - Michael Glenn Queen, Wilmington Association; Vice-President - J. L. Wilson, Pilot Mountain Assoc. (Mr. Wilson passed away May 8, 1996. Roger B. Gilbert, Columbus Association, elected to complete term.); Recording Secretary: Becky Stewart, Baptist Building Employee.
2. A General Board Membership Study Committee was formed to look at the membership composition of the General Board. After two "listening sessions" in which suggestions and input from the General Board members were given and after responses to a questionnaire mailed to various Baptists had been considered, the Study Committee made a recommendation to the General Board at the May meeting. Roy J. Smith, Executive Director/Treasurer, NC BSC; Greg Mathis, President of the Baptist State Convention; Mike Queen, President of the NC General Board; and Wayne Wike, Chairman of the General Board Membership Study Committee visited all regions within our convention to share the committee report and to answer questions. These meetings received positive responses. A recommendation from the Membership Study Committee will be brought before the State Convention in November for approval. Three-fourths of the vote total will be required to approve the recommendation.
3. The 1997 Budget will be voted on during the November State Convention.
4. Wake Forest Divinity School's new Dean is Bill Leonard. Campbell Divinity School opened with 40 students. The new president at Mars Hill College is Max Lennon. Chowan College also has a new president, Stanley Lott.
5. North Carolina Baptists responded in such a great way to Hurricane Fran. Baptists feeding units across eastern North Carolina served approximately 500,000 meals to those affected by Hurricane Fran.
6. Two resolutions were presented: One to stop tobacco sales to minors in North Carolina, and a resolution on the burning of churches.

Dr. Roy J. Smith, Executive Director of the NC Baptist State Convention shared with the General Board a "State of the Convention Address", entitled *There's Good News and There's Bad News*. Some of Dr. Smith's comments follow:

1. "This has been a peak year for mission volunteer participation here and around the world.
2. All the agencies and institutions in the Baptist State Convention are in a healthy situation.
3. On the negative side, churches are still in much conflict. More assistance was given in January to a greater number of ministers who were forced to resign or were overtly fired by their churches than ever before.
4. Too much lack of trust exists due to the 17 years of conflict in the Southern Baptist Convention."

At the September General Board meeting, Dr. Smith reported that due to the snow storm in January and the two hurricanes this past summer, the state offering is down. The offering is 9 percent behind as of the September General Board meeting.

We need to continue to work and pray for our state convention and make sure all church messengers attend the Baptist State Convention in November.

Respectfully submitted,
Rev. Marvin Tyson, Dr. Harry Poovey
General Board Members

MEDIA REPORT

Having an informed church membership means that there needs to be a source for them to find information. An adequate church library can supply this information. Thirty of the churches in the association reported last year a Media Library Director and media library. The other churches in the association are encouraged to elect a Media Library Director and to establish a media library in their churches. Helps are available from Baptist Sunday School Board for any church setting up a new library.

During the past two years, much time has been spent in cataloging and classifying the many resources available for use by the churches in the Association Media Library. Currently, there are about 425 videos, 54 equipping center kits, a few filmstrips and slides, 600 books, the complete Bible in braille, periodicals, and sample Baptist Sunday School and Discipleship Training curriculum resources in the media center. Approximately 125 new resources have been added during the past year. These are available for previewing and use by the churches. Church leaders and membership are encouraged to make use of them. Churches are also encouraged to suggest resources which they think should be available in the media center.

The mission of the media library should be to help all people to become all that God wants them to be. Through providing media, churches and the association can be God's instruments in helping people to become better equipped to serve Him.

I would like to thank Dr. Marian Hume for her many hours spent teaching and working with me. She will truly be missed.

MISSIONS AND OUTREACH COMMITTEE REPORT

Among the several things undertaken by the Committee this year were the encouragement of the South African Partnership Mission by contacting the churches to both send someone and to assist in sending our Director of Missions on the planning trip in January. We also encouraged the churches to participate in the Belarussian Children's Project. We had eleven churches and twenty-eight children. Other projects included encouraging the churches to participate in the prayerful planning and participation in the Billy Graham Crusade; reinvigorating the Partners in Harvest program by appointing two former chairmen of this committee as co-chairmen, and their presenting the need and recommendation of using the funds this year for a building on the Charlotte Road property for Community Baptist Church. We received the application of Westend and Living Waters Baptist Churches for watchcare and presenting them to the Association. We continue to encourage *El Buen Pastor*, Love Baptist, Westend, Living Waters, Wingate Mission, Sandy Acres Mission, and Community in their work as well as supporting them in prayer. The Bivens-Funderburk Award for Mission Excellence was established and presented to the Association for acceptance. Guidelines and nomination forms were available at the July Session and also through the Association Office.

RECOMMENDATIONS:

Richard Culpepper, (Church Planter/Missions Strategist for UBA, and pastor of Community Baptist Church), having consulted with Bob Watson of NCBSC concerning modular units, found the State Convention recommendation to be in favor of steel buildings which can be finished by volunteers (Baptist Men?). They have found them much more attractive to people. We; therefore, recommend flexibility in our former authorization on modular units if we find this more feasible.

We recommend two watchcare works, Love Baptist Church and Westend Baptist Church, to be accepted into full fellowship with Union Baptist Association.

Our committee has been unanimous in appreciation for the opportunity to serve on such an action based committee.

SEMINARY EXTENSION REPORT

Seminary Extension of Union Baptist Association has completed its second year. During this year three classes in Bible study and one class in pastoral care have been offered.

Three men will complete all requirements for the certificate in Bible Study. Their work will be complete in January 1997. These three men, Dallas Pressley, David Nichol, and Jeff Smith, were recognized at the 1996 Annual Session of Union Baptist Association.

In January 1997, courses in New Testament study will begin. Opportunities are available for both men and women to advance in biblical knowledge as well as church history and church administration.

Teachers for Seminary Extension classes are needed. The Seminary Extension director can provide information on teaching requirements.

Dr. Walter Woodson, Jr., director

STAFF RELATIONS COMMITTEE REPORT

Our committee has made an effort to provide channels of communication for our staff of the Union Baptist Association. We have met at various times during the year for the purpose of helping our staff.

The Staff Relations Committee, for the first time, initiated a staff needs survey. This confidential survey is a tool developed by the committee to help us know and better understand our staff's needs and their feelings. It is our feeling that the staff should have opportunity to speak and share in the evaluation of ministry. Their responses were most beneficial.

The UBA Staff Relations Committee met to research and recommend salaries, wages, and compensations for our staff. Through several meetings and many great times of ministry together, we fulfilled this task and presented our recommendations to the Stewardship Committee.

We have a great staff. God has blessed us with wonderful servants who do a great work and want to do a great work. They are listed as follows:

Director of Missions .....Dr. Dennis L. Burton
Church & Community Missions/Multi Housing Director .....Ms. Ginger Tucker
Church Planter/Missions Strategist .....Rev. Richard H. Culpepper
Administrative Assistant .....Mrs. Jean K. Rollins
Secretary .....Mrs. Ann C. Grayson

Thank you, Union Baptist Association staff. Let us all continue to support them by praying for them, talking with them, and helping all in the association become more acquainted with their ministry in our association.

SUNDAY SCHOOL REPORT

With so many church growth books on the market today, it is difficult to decide which ones to follow. Many writers are saying that the Sunday School has outlived its usefulness in the local church, while others say that it is still a vital force within the fellowship of believers. Perhaps the time has ***not*** come for the last rites to be spoken over the Sunday School. Could it be that what's needed is an evaluation of where the Sunday School's emphasis is found?

Ken Hemphill's latest book on church growth lists six principles of Sunday School growth that speak to the needs of virtually every church in Union Baptist Association:

1. The Process Principle: Church growth is a process, not an event.
2. The Pyramid Principle: If you want to grow, enlarge your base.
3. The Receptivity Principle: Invest the most resources where they will return the best evangelistic results.
4. The Homogeneity Principle: The gospel witness often travels with greatest receptivity through a kinship or friendship unit.

5. The New Unit Principle: New units that enlarge the organization bring growth.
6. The Leadership Principle: To sustain meaningful growth, a church must have plenty of Great Commission-conscious leaders.*

Many churches view the Sunday School, first of all, as a Bible-teaching organization. Others have the opinion that the Sunday School is mainly for fellowship. These are both tasks of the Sunday School; however, they cannot be the primary tasks if the Sunday School is going to be the outreach arm of the church. Churches that enjoy perennial growth, both numerically and spiritually, are generally churches that realize the main task of the Sunday School is to perform the Great Commission by reaching people for Christ. As people are invited to attend Sunday School classes that reflect the vitality and love of Christ, unsaved folks are more receptive to hearing the claims of the gospel.

There is little wonder that some so-called experts believe in other methods of church growth other than weekly Bible study. Because some Sunday Schools are dead, they are ready to scrap the whole process. Before churches elect to throw the baby out with the bath water, perhaps it would be good to reconsider what a precious jewel the Sunday School really is.

Many solutions to these questions can be found if church leaders will take an honest look at their Sunday School organization. When the Great Commission is at the heart of the Sunday School's mission and purpose, it will grow. Winning souls and discipling Christians—that's the way to do Sunday School!

WOMAN'S MISSIONARY UNION REPORT

"I will lead the blind by ways they have not known, along unfamiliar paths I will guide them: I will turn the darkness into light before them and make the rough places smooth. These things will I do: I will not forsake them." Is. 46:16

We have made it through the first year of change! That is change in WMU. We live with change in our daily lives and most of us accept it. The number one question asked about change is WHY! Most of the time change comes to get more interest, create excitement, and make things easier. Most of us feel that things are harder during change, but if we stick it out things get better. I hope people feel that things are better in WMU. At least, they have been interesting.

We were asked to 'Risk the Journey' this year. The one thing we can count on is that WMUers are willing to RISK. We have risked new titles, names, and magazines. *Missions Mosaic* has brought world issues to us in the most exciting ways. We have learned ways to become more involved in the lives of those around us. The number one RISK we take is becoming personally involved in issues and lives that are different from ours.

WMU risked to help those suffering with AIDS, their caregivers, and families through Project HELP this year. The WMU annual meeting was held at Wingate Baptist with Wendy Case as the speaker. Wendy gave us a personal look at AIDS, as she told of her brother's life and death with aids. He asked her to make people aware of those suffering and dying alone, with AIDS, because of fear. She challenged us to risk caring. We collected items for those with AIDS in Union County. We adopted them and committed to pray for and encourage them and their families.

WMU spent an evening in November worshipping with our black sisters for Baptist Women's Day of Prayer at Oakland Baptist Church. We worked with the Prison Committee to provide Christmas gifts and cakes for inmates in our area. Women from all over the county went to *Missions Extravaganza* at Ridgecrest to learn about missions and fellowship. We provided the meal for special people at Wingate University in April.

The 1996-1997 Mary Blair Scholarship recipients are:

Jennifer Rence Bess, a member of Bethel Baptist Church, and **Anita Lyn Griffin**, a member of Austin Grove Baptist Church.

WMU members are making differences in lives around the world daily. I encourage you to keep MISSIONS alive as you share Christ's love with those around you. THANK YOU for all your hard work and dedication.

AMERICAN BIBLE SOCIETY REPORT

God's Word is by far the most powerful source for Christian growth, guidance, and persuasion. When the Scripture is presented in a format and language which people understand—language that resonates with everyday life experiences—its effectiveness to witness increases rapidly. That's why the American Bible Society is committed to Bible translation in the tradition pioneered by early translators. This tradition brought us the magnificent translations of past generations.

The American Bible Society's commitment is to ensure that there is a translation for our generation—one which doesn't need a church lexicon to be appreciated or understood. That's why the American Bible Society published the Contemporary English Version which uses a minimal number of theological and church terms. It breaks down those barriers of language.

A short time ago, the American Bible Society received a letter from a young man in a correctional facility in Texas who had recently received a Bible. He wrote:

> *"I've been in juvenile for 8 months and will get out in another year and 4 months, and I read the Bible a lot, and night and day I pray to God that when I get out to help me and my family.*
>
> *I'm a gang member...in one of the biggest in Houston. But now the Bible and the Lord Almighty have changed my life....I would like to thank you for selling these Bibles at a low price, 'cause I know a lot of people who it has changed their lives....I was stealing because I needed money and drugs and my family had kicked me out of my house. But the Bible has made my family accept me back in their home.*
>
> *P.S. I am 13 years old, and I'm fixin' to turn 14...."*

When you contribute to the American Bible Society you help change people's lives. Send contributions to American Bible Society, 1865 Broadway, New York, New York 10023-7505.

Be involved in providing Scriptures for those who need them.

ANNUITY BOARD REPORT

Three boards of the Southern Baptist Convention focus on God's message. One, the Annuity Board, focuses on God's messengers. Our ministry is *Serving Those Who Serve the Lord.* We accomplish this through Retirement, Relief and Insurance programs.

For Retirement, participants and their churches or agency employers make contributions throughout their careers. The Annuity board invests the accumulations according to participant goals and risk tolerances. They, at retirement, each participant chooses from a variety of benefit options. In 1995, the Annuity Board paid nearly $200 million in benefits, and at Dec. 31, there were 26,483 on the retirement benefit roles.

In that same year, Relief benefits totaled $1.29 million, with another $962,250 paid through the Board's Adopt An Annuitant Program.

Insurance benefits paid in 1995 totaled $101.0 million.

Many retired ministers and widows of ministers do not have adequate financial resources to meet their needs. The Annuity Board cares deeply about these people. The Adopt An Annuitant Program helps many. By "adoption," more than 2,000 annuitants with inadequate benefits receive an additional $50 per month. Others receive special assistance through our Relief ministry, funded primarily by Cooperative Program dollars.

While Relief will always be a vital part of the Annuity Board's work, we are committed to promoting proper planning and preparation for retirement and protection from disasters. To that end, the Annuity Board offers a wide range of products and services for Southern Baptist churches, associations, institutions, state conventions and their personnel.

The Church Annuity Plan is the retirement plan designed for paid pastors, other ministers and eligible employees. It is administered by the Annuity Board in partnership with state conventions.

The Personal Security Program and Employer Security Program offer a variety of insurance plans. They include term life, personal accident, disability and a choice of medical plans.

No Cooperative Program money is used for Annuity Board operating expenses.

Baptist State Convention of North Carolina Statistics as of June 1996:

Number of active participants in the Church Annuity Plan:	3,750
Percentage of churches active in the Church Annuity Plan:	58%
Number of persons receiving retirement benefits:	2,557
Number helped by the Adopt An Annuitant and Relief ministries:	294

BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA, INC.

Primed for excitement after three hours waiting under a bright summer sky, hundreds of spectators craned their necks and peered toward downtown Asheville on June 26, when Michael Owen jogged into view - carrying the Olympic Torch on outstretched arm. Michael, one of 1,422 children served by Baptist Children's Homes in 1995-96, lives at Broyhill Home in Clyde, one of 12 facilities BCH operates in North Carolina.

Smiling and waving to the crowds holding aloft tiny flags and cameras, Michael lifted the symbol of international unity and pointed to friends among those who lined the parade route.

The entire Broyhill Home campus showed up, cheering wildly. They ate picnics at the end of Michael's route, and swarmed him when he passed the flame to the next carrier - a bicycle rider.

It could have been a family reunion, or a school scene, or a re-creation for a movie on family support. But Michael, and most of his supporters, are children who have suffered unspeakable abuses at the hands of adults they trusted to care for them.

And the adults who waded into that mob scene of joy at the end of Michael's run are called of God to help young people like Michael and those who surrounded him to deal with those issues, and to overcome them.

As a boy, Michael was so ashamed of his clothes he ran home from school, never stopping to make friends. Worse, he endured almost nightly beatings from his father. He was 11 years old before he realized other boys weren't beaten every night. Four years later he found the courage to tell his father he was leaving.

"Go ahead, call someone," he yelled. "Leave." Michael left. After six months in emergency

care at Mills Home in Thomasville, he established a more permanent residence at Broyhill Home. Slowly and quietly, his emotions mounted within him until one night he erupted and spilled forth his story, the years of secrets and lies, to his child care worker, Betty Porter. "She stayed up with me and we talked a long time," Michael said. That was his first lesson in trust and unconditional love.

"Broyhill has changed my life so much," Michael said. "For almost a year I didn't trust anybody, but finally I felt a calmness I know was the Lord. Here I found the Lord and now I try to live every day for Him."

Michael's story is repeated hundreds of times each year at Baptist Children's Homes of North Carolina. Not all are as dramatic as a boy who grew from a punching bag to a torch bearer.

But at four residential campuses, six emergency care cottages, two homes for behaviorally troubled girls, a maternity home, a home for teenage mothers and their babies, therapeutic camping and model day care, more than 1,400 children and their families find help in a troubled time.

During the past year BCH received almost $1.5 million through the Cooperative Program, and $663,000 through the Thanksgiving Offering. Total church gifts of almost $3 million comprised 26.2 percent of BCH operating revenue.

BCH is in the midst of a $10.1 million "Light Their Way" Campaign to raise money for operations, capital needs and endowment. At the halfway point in June, more than $5.4 million had been committed to BCH through the campaign.

Videos of the children's presentation at the 1995 Baptist State Convention are available by calling the communications office at (800) 476-3669. You can also ask for the latest videos to tell you about your ministry to children and families through Baptist Children's Homes of North Carolina.

Although Michael carries many fond memories of Baptist Children's Homes with him as he heads for college this fall, his earliest amazements were the secure sleep he got when he laid his head down, and of receiving his first pair of Nikes so he didn't have to be embarrassed by his appearance.

From head to toe, BCH cares for children and families. Thank you for helping to Light Their Way.

BAPTIST COLLEGE / UNIVERSITY REPORT, BSC

COUNCIL ON CHRISTIAN HIGHER EDUCATION

Since 1834 North Carolina Baptist Colleges and Universities have been privileged to have many splendid presidents. The current presidents are listed on this page. They were elected to take the lead in dreaming, shaping and managing Baptist higher education in North Carolina.

Two colleges, Mars Hill and Chowan, have new presidents. Let us introduce them to you.

Dr. A. Max Lennon was named president of Mars Hill College, effective March 1. Both he and Mrs. Lennon are graduates of Mars Hill. Dr. Lennon brings a rich background in business and higher education to his new task. After earning the B.S. and Ph.D. degrees at North Carolina State University, he served in the administration of Texas Tech University, the University of Missouri, Ohio State University and Clemson University, where he was the president. He comes to Mars Hill from the presidency of Eastern Foods, Inc. in Atlanta, Georgia. Dr. Lennon, an active Baptist churchman, has been a member of the National Fellowship of Baptist Men. In Atlanta they were members of the First Baptist Church in Peachtree City, where he taught Sunday School and was a member of the strategic planning committee. He is on the board of directors of numerous corporations and foundations, among them First Union Corporation and Duke Power. In accepting the presidency of Mars Hill he said, "This is a wonderful opportunity to provide leadership for this college and boldly proclaim our faith in Jesus Christ."

Dr. Stanley G. Lott moved to North Carolina in July to become president of Chowan College. He comes from Louisiana College, a Baptist school, where he was vice president for academic affairs for 15 years. Earlier he has been a faculty member at Tift College in Georgia. Dr. Lott earned two doctorates, one in systematic theology from New Orleans Baptist Theological Seminary, and the other in higher education administration from the University of Georgia. An ordained Baptist minister, he has held two pastorates in Louisiana. Mercer University president Kirby Godsey said, "Stanley Lott is one of the finest educators and leaders in higher education today." Dr. and Mrs. Lott were long-time, active members of Emmanuel Baptist Church, near Louisiana College. Upon his election the new president said, "I look forward to joining hands with all who are part of Chowan College. I am also eager to join North Carolina Baptists in their efforts to spread the gospel and to preserve historic Baptist principles."

Making Life for Older Adults . . .***The Best of Times***

The continuing goal of Baptist Retirement Homes is to provide more and better services for Older Adults. During 1996 several developments have moved us toward this goal.

Some new staff members have been added to help provide the kind of total care which residents need and deserve. Tanja Keay has been employed as Vice President of the Health Services Division. Paulette Richmond came as the new manager of the Hamilton Baptist Home. Carla Hyde was named director of the small group program for residents with dementia, a program designed to enhance their quality of life. Patricia Fling is the director of the In Home Care program which began a few months ago. Dr. Earl Watts, an Associate Professor at the Bowman Gray School of Medicine, is serving as the medical director for In Home Care.

Early in the year, renovation of the Hamilton Baptist Home was completed providing a more attractive and comfortable place for residents in that facility. The new Cecil and Gertrude Young Solarium at the Rickman Nursing Center in Asheville will provide space for the small group program for residents with dementia. At Brookridge, renovated space in the Assisted Living section, and named "Stokes Court", will house the new Assisted Independent Living Unit. A new passenger van will facilitate transportation for residents at the Taylor House in Albemarle as they attend church, keep appointments, go shopping, or participate in social/recreational events.

During the year, Baptist Retirement Homes has provided assistance in the planning for Cliffwood, a new continuing care retirement community being built in Fayetteville. Two Fayetteville churches, First Baptist and Snyder Memorial Baptist, have formed a non-profit corporation to lead this project. A 27-acre site has been selected. Plans call for 105 Independent Living units, 20 beds in a nursing care unit. All units will be available on a rental basis with no entrance fees.

The James M. Hayes Society has been formed to recognize and thank those persons who remember the Baptist Retirement Homes in their estate planning. Thirty-three charter members constitute this group named in honor of the "Homes" founding superintendent.

Finally, we recognize with deep gratitude those North Carolina Baptists who gave through their churches to support the ministry during the past year. Through the cooperative program, the special February Offering and other church gifts, the "Homes" received a total of $1,030,052 during the 12 month period ending September 30, 1995.

The trustees and staff are grateful to North Carolina Baptists for helping us to make life for Older Adults....The Best of Times!

William B. Stillerman, President

THE *BIBLICAL RECORDER*

The headlines each day—Bosnia, Belfast, Saudi Arabia, taxes, school funding, presidential elections, etc.—often include Southern Baptists. The secular media show special interest in our conflicts but all too often do not tell the whole story of the good things Baptists are doing.

The *Biblical Recorder* attempts to tell the whole story—the many positive things people are doing in their churches along with the negative issues which cannot be concealed and ignored if we honor our heritage from yesterday and fulfill our mission for tomorrow.

There is no way to address these issues without correct and reliable information. The *Biblical Recorder* was born and continues to serve for that purpose. In the 163 years of state Baptist papers in North Carolina, never was the *Recorder* more needed than now for people to have the truth. We live in an electronic media age where many think they have the answers to the issues, but they do not because they do not read, only look and listen!

An informed Baptist is a better Baptist; an uninformed Baptist may be an uninvolved or disruptive Baptist. No democracy, including our local churches, can survive long without an informed, involved constituency which makes decisions based upon accurate information from reliable sources.

The *Biblical Recorder* should be in every Baptist home in North Carolina. Your support as a subscriber and reader, coupled with your encouragement to others, will enable the paper to better serve the constituency with accurate and helpful information.

In order to save churches large amounts of money and to increase the readership of the *Recorder*, Church News Service (CNS) was launched in 1990. This system lets any congregation have their church news incorporated into the *Biblical Recorder* which saves staff time, postage, and printing costs. Usually, for less than what it costs to produce the church newsletter, CNS gives the entire Baptist communication package to each family in the congregation. Recent and anticipated increases in mailing costs makes CNS a greater value in 1996-97 than when it was started in 1990.

The paper focuses more and more attention on North Carolina Baptists with news, features, and inspirational articles which will encourage individuals and churches in their witness and ministry. One sure way to conquer problems and overcome the barriers to effective witness and ministry is to have the facts, know the issues, and be adequately informed.

That is why the *Recorder* was born; that is why it serves today. For more information on how your church can subscribe or use CNS, contact:

CHRISTIAN ACTION LEAGUE OF NORTH CAROLINA, INC.

In a recent survey released by the Family Research Council, 66% of those polled said that our country was headed down "the wrong track". When asked whether the nation's wrong direction could be attributed to the lack of jobs and economic health or a decline in moral values and family breakdown, over 60% indicated the latter. We at the Christian Action League agree that our state and nation need a restoration of biblical, moral and family values. In 1996 we were honored to assist communities in their battles for civic and moral righteousness and to promote laws in the General Assembly that have helped to restore family values to the State of North Carolina.

A. Christian Values

The Christian Action League joined with other Christian organizations to promote Christian Heritage Week in North Carolina, March 17-23. We experienced a wonderful week as presentations and commemorations were held in many churches, schools, and communities across our state. The week culminated with an awards ceremony and reception for the winners of the statewide essay contest and their families. The League provided decorations and programs for the event and hosted the reception at the State Archives and History Building in Raleigh.

The League undertook a project in association with the American Rights Coalition to distribute thousands of copies of the Ten Commandments throughout North Carolina. To date, over 5,000 copies of the 11 x 14 prints have been distributed throughout the state to individuals and churches.

B. Lottery

We saw renewed efforts to push a lottery bill through the General Assembly for a statewide referendum. Representative Fitch introduced two lottery bills: HB 6060 (Rules Committee) and HB 838 (JII Committee). The League actively lobbied against these bills and both bills died in their respective committees. North Carolina continues to be the largest state in the nation and the only state in the Bible belt with no state-sponsored gambling. Please keep us in prayer as the League faces this battle each year.

C. Sex Education

CAL actively lobbied for HB 834, Abstinence Until Marriage, a law that mandated that abstinence until marriage be the focus in sex education in North Carolina schools and was passed in the 1995 session. CAL and other pro-family, Christian organizations have been working with the Dept. of Public Instruction and State Board of Education in 1996 encouraging them to implement the law through abstinence-based curricula. We have also assisted communities in seeing that this law is properly implemented at the local level.

D. Homosexuality

CAL participated in efforts to get SB 1487 (No Same-Sex Marriage) passed during the short session of the General Assembly. The bill passed both houses and became law.

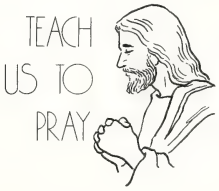
Alerted our members in the Winston-Salem area about the Family March on June 30 and encouraged them to notify their churches to participate. This march was in response to the homosexual community march held in that city. The Family March attendance was estimated at 8,000.

E. Abortion

The League actively supported Representative Decker's HB 624, a Woman's Right to Know. This bill would have required the doctor to share vital information with the patient about the risks of abortion and would require a 24-hour waiting period. We were disappointed that the bill did not pass this session; however, we will work for its passage again next session.

F. Alcohol

CAL assisted several communities in setting up an organization to combat liquor referendums.



My friends, we are living in times when the Christian community needs to exercise spiritual discernment and stand strong for Biblical principles that further righteousness, strengthen families and bless our state and nation. We are grateful to God for the prayer and financial support that the League receives from the churches of your association that allow us to be on the front lines in this spiritual warfare.

Respectfully submitted,
Joe S. Lennon, President

1995 ANNUAL REPORT
FOREIGN MISSION BOARD, SBC

We will lead Southern Baptists to be on mission with God to bring all the peoples of the world to saving faith in Jesus Christ.

As in all past years, our Lord has abundantly blessed the work of the Foreign Mission Board through countless ways. We wish to thank all Southern Baptists for their roles which undergird the FMB. Without the concerted, cooperative effort of all Southern Baptist Churches, the work and missions of the FMB would be only a shadow of its present position.

We are distinctly privileged to follow our Lord's command found in the Great Commission. Each year brings us closer to taking the gospel to all nations (best rendered as ethno-linguistic people groups).

The following annual growth levels reflect the combined reports from all foreign mission points as of the start of this year:

- A record number of newly constituted churches: 2,612
- Total number of countries where missionaries reside: 131
- Total number of baptisms overseas: 287,806
- Number of new people groups touched by the gospel: 41
- Baptisms among least-reached peoples: 6,548
- Total number of missionaries: 4,129
- Total number of short-term volunteers: Over 15,000
- Total number of newly appointed missionaries: 544
- Record amount of Lottie Moon Offering: $89.9 million
- Increase in enrollment in discipleship programs: 74%
- Number of new cities opened to the gospel: 528

Southern Baptists support the Foreign Mission Board in multiple ways. Daily prayer assistance tops the list. Likewise, sacrificial giving through the Cooperative Program and the Lottie Moon Christmas Offering have provided innumerable opportunities to spread the gospel. As missionaries preached, taught, healed and counseled, you were there. The Foreign Mission Board counts it an honor to partner with you to spread the Good News of Jesus Christ to every shore.

1995 ANNUAL REPORT
HOME MISSION BOARD, SBC

Christ for Our Nation

The Home Mission Board (HMB) is a missionary-sending agency of the Southern Baptist Convention (SBC). With national offices in the Atlanta, Georgia area, the HMB's purpose is to serve Southern Baptists by assisting churches to proclaim the gospel of Jesus Christ, start and grow New Testament congregations, and minister to people in the name of Christ.

As of December 31, 1995, there were 4,857 missions personnel serving in the United States, the Caribbean, Guam, American Samoa, and Canada. The HMB also had endorsed more than 2,400 chaplains who are serving in health-care agencies, institutions, businesses, the military, and pastoral-care roles. Nearly 2,300 Mission Service Corps volunteers are serving on home mission fields. During the year, there were nearly 1,458 church starts, the second highest number in 10 years. Southern Baptist churches baptized 393,811 people in 1995, an increase of nearly 15,000 over 1994.

Approximately half of the HMB's support comes from the annual Annie Armstrong Easter Offering for Home Missions. In 1995, gifts to the offering totaled $38,908,339, the largest in HMB history. One hundred percent of the offering goes to support the work of home missionaries in the field. The 1996 Annie Armstrong Easter Offering goal is $42 million. About 35 percent of the HMB's income comes from the denomination's Cooperative Program.

The following is a summary of program/support ministry highlights from 1995:

Chaplaincy Ministries—The 2,412 Southern Baptists now serving as chaplains and pastoral counselors reported more than 27,000 professions of faith. During the year, 179 Southern Baptist ministers were endorsed for the first time by the Chaplains Commission of the SBC.

Church Loans—The Church Loans Division closed 98 church loans totaling $25 million, including $3.4 million of refinancing.

Associational Administrative Service—In more than 1,025 associations, 950 associational missionaries have an extremely significant role in leading churches to strategize and work in partnership to evangelize, minister, and start churches in all places and among all people groups.

Language Missions—Home missionaries in the Language Church Extension Division worked among 106 ethnic groups and 98 American Indian tribes, using 106 languages and dialects, in addition to sign language.

Volunteers—Volunteers continue to serve in record numbers and represent more than $100 million in value to the HMB. In 1995, more than 70,000 persons served as volunteers. Mission Service Corps missionaries, numbering 2,193, represent a cadre of committed people responding to God's call to be personally involved in home missions. They were responsible for leading more than 5,600 people to Christ.

Prayer and Spiritual Awakening—The Home Missions Intercessory Prayerline received 82,000 calls in 1995. Missionary prayer requests were given in more than 178,000 English and Spanish PrayerGrams.

Mass Evangelism—This department assisted in implementing the *Here's Hope. Jesus Cares for You.* Harvest Revivals. An estimated 25,000 to 35,000 churches participated in some portion of the *Here's Hope* emphasis.

Alternatives to Abortion Ministries—As a result of ministries in 37 crisis pregnancy centers, 806 persons prayed to receive Christ and 1,823 babies were born.

Hospital Highlights for 1996 ***Meeting the Challenges of Health Care***

DIVISION OF PASTORAL CARE

During this year the 18 to 40 Chaplains present at various times at the Hospital made over 55,000 pastoral contacts. As of July 1, 1996, the counseling centers will be called CareNet, Inc., of The North Carolina Baptist Hospitals, Inc. Over 26,000 hours of counseling were provided through the eleven centers across the state of North Carolina. Two additional centers will open in the fall of this year.

The Center for Congregational Health has, since inception in 1992, provided ministry at some level to over 225 North Carolina Baptist Churches.

Mission dollars from the Cooperative Program enabled the above ministries to be carried out and to touch thousands of lives.

BAPTIST BENEVOLENT CARE FUND

North Carolina Baptists joined us in a mutual mission through the Mother's Day Offering. We channeled every penny of the MDO, which amounted to $461,647, to help patients who had no health-care insurance and no financial means to pay their hospital bills. We are grateful to everyone who made this ministry possible.

POINTS OF EMPHASIS AND PROGRESS

Financial Stewardship - The Medical Center is constantly seeking ways to lighten the financial burden of those who are ill. Recently the room rates were reduced by $50 per day.

Aegis - This is an alliance of primary-care clinicians who serve patients regardless of their medical plans or HMO/PPO affiliated. "Aegis" means protection or sponsorship: Aegis Family Health Centers is a network of primary care physicians affiliated with The Medical Center. It now has 33 providers in 10 practice sites.

QualChoice of North Carolina - QualChoice is The Medical Center's managed care company. Eighteen months old, it serves approximately 30,500 enrollees, giving quality health-care and patient/physician choice.

Regional Integrated Information Network - RIDS is a regional computer network now in the pilot phases. The network allows providers in the region to exchange patient information electronically, saving time and money. RIDS is a plan which assists communities in our service area to develop a coordinated continuum of care. In this plan, primary care physicians, community hospitals, nursing homes and other patient care providers link their services with those of The Medical Center. The desired outcome is improved patient care and cost-effective services.

The J. Paul Sticht Center on Aging - The Center devotes itself to the special problems of older adults. When the center moves to its new home in 1996, its services will not only provide specialized health care but will also include a day care program for the elderly that will serve as a link between hospital and home, helping to reduce rates of re-hospitalization and premature placement in nursing homes.

A CLOSING WORD

Since its founding in 1922, the Hospital has taken pride in our ministry of service. In doing so, we seek to make tomorrow's patient care and tomorrow's workplace constantly better. That has been our mission historically, and it continues to this day. I firmly believe that our best lies yet ahead, and I am committed to that reality.

Len B. Preslar, Jr., President

THE NORTH CAROLINA MISSIONS OFFERING

DID YOU KNOW? The mission needs in North Carolina are substantial. Did you know that in North Carolina there are:

Over 7.3 million residents
Over 32,000 prison inmates
Over 21,000 blind persons
Over 12,000 deaf persons
Over 50,000 migrant farm workers
Over 8 million tourists who visit our state every year
Over 3.5 million unchurched people.

The North Carolina Missions Offering in the Union Association:

Most of the North Carolina Missions Offering supports projects in the 81 associations (covering all 100 counties) across North Carolina. Many North Carolina Missions Offering projects are actually association/state missions programs receiving money and leadership support from both the Baptist State Convention and local associations.

For example, the Union Association received approximately 10 percent of the 1995 special offering collected in the association. Last year (1995), $2,939.13 of the $29,391.27 collected from 38 of the association's 72 churches and missions was sent back to the association.

In addition to the money sent directly to the association, other offering moneys were used in 1995 to finance mission projects in the associations. This money included $18,657.99 for church growth assistance.

In 1995, the North Carolina Missions Offering also supported NC Woman's Missionary Union, NC Baptist Men (Brotherhood), and Youth and Campus Ministries. The number of individuals in the Union Association who participated in these groups in 1995 includes:

8 Boys to Camp Caraway

UNION COUNTY CRISIS ASSISTANCE MINISTRY REPORT

The Union County Crisis Assistance Ministry is a United Way agency designed to meet emergency needs of Union County residents. This service is provided on behalf of the religious/civic organizations and individuals of Union County.

The purpose of this agency is to assist families/individuals who are experiencing crisis by providing resources to meet their basic needs. Types of assistance given are rent, utility, fuel, and food. Most of the people referred to Crisis Assistance do not qualify for public subsidy such as AFDC and Food Stamps. Crisis Assistance Ministry is a referral only agency. Referrals are accepted from any minister/church in Union County, the Department of Social Services, Vocational Rehab., school counselors, Hospice, and other United Way agencies.

CAM is funded 100% administratively by United Way. The assistance given comes from contributions from churches, civic groups, and individual donors. Because of this unique arrangement with United Way, 100% of contributions from churches, civic groups, and individuals goes toward

client assistance. For example, if your church gives $500 to Crisis Assistance, that $500 will go back to the community to assist those in need.

Not all referred to CAM receive financial assistance. In order to be good stewards of the donated money, all information given by the client is verified to determine eligibility. The client must be in a crisis, not chronic situation, must be able to maintain his basic expenses once the crisis has passed, and must have used what financial resources he has with good judgment. All assistance given is paid directly to the appropriate vendor. Money is never given to the client. In addition to financial assistance, Crisis Assistance makes referrals to other agencies when appropriate. The following report will give information as to the number of people referred to and assisted by CAM as well as comparison of services given over the last three years.

WEST MONROE BAPTIST CHURCH

Dr. Conley J. Bordeaux, Sr., pastor

West Monroe Baptist church was organized June 29, 1911, with twenty-three (23) members. Elder R. H. James, pastor of North Monroe Baptist Church, members of his church, and members of First Baptist Church of Monroe had labored in the Icemorlee Mill (village) for several months and found a number of Baptist brethren and sisters. Elder James went to work and, with some outside assistance, built an excellent church house at a cost of $868.00. The wooden structure consisted of an auditorium (only) painted white and equipped with electric lights. A concrete baptismal pool was built behind the church. Nineteen churches in the association pledged to help pay off the debt. Upon motion of Elder Braxton Craig of First Baptist Church, Elder James was called as pastor with a yearly salary of $150.00 to be paid by the association, along with a supplement of $125.00 yearly to be paid by the church. Associational minutes reflect that Elder James was to preach two Sunday mornings and two Sunday nights each month and to hold a prayer service once a week.

Additions to the original structure were made over a period of years to accommodate Sunday School departments.

West Monroe has had a steady growth of Christian witness and service since Elder Craig preached the organizing sermon, "Thou art Peter and upon this rock I will build my church and the gates of hell shall not prevail against it." (Matthew 16:8). Much credit is due to Monroe First Baptist Church for leadership and financial aid during the early years.

West Monroe has always been a church of service--service to God and to its fellowman. We acknowledge with thanksgiving that it is through the leadership of outstanding men of God that He has brought us to this day with visions of a future of even higher and nobler service.

Important dates in the history of West Monroe Baptist Church:

1911	Church organized
1953	New brick church and educational department replacing old wooden building
1966	Additional education building, Flannel-graph and children's church began for kindergarten (1966-1974)

1976	Church bought first adjoining property for parking and future expansion. Library was added.
1977	Purchased van
1979	New auditorium built with a seating capacity of 650, a full basement, Sunday School rooms and offices
1992	Theodore and Eula Crook Primary Education Department was added

These minutes are dedicated in honor of:

Leaders, Congregations, Volunteers and Supporters of North Carolina Baptist Men's Disaster Relief and Recovery

This year's annual is dedicated to the leaders, congregations, volunteers and supporters of North Carolina Baptist Men's Disaster Relief and Recovery in our last Associational year. Time and again our congregations have risen to the challenge of aiding and supporting the relief efforts of our Brotherhood and Region Six Disaster Recovery leaders. Special note is taken of the leadership of Calvin Funderburk, Associational Brotherhood Director, of the Mt. Pleasant Church, and Billy Tarlton, Region 6 Disaster Recovery Coordinator, of the Austin Grove Church for their unfailing faithfulness in helping those persons whose lives have been shattered by disaster. Pictured above is the Union Baptist Association Disaster Recovery Trailer which was purchased in November, 1997. To everyone who has helped "give a cup of water" in the name of the Lord we express our heartfelt appreciation and dedicate this annual in your name.

Bylaws

ARTICLE 1 - AFFILIATED CHURCHES

Those Missionary Baptist Churches which have applied for membership, and by vote of the Association are accounted to be in fellowship with the purpose and undertakings of this body, shall comprise the list of affiliated churches. The vote of the Association to extend fellowship, or to withdraw fellowship, shall be a two-thirds vote.

All churches not affiliated with another Association of like faith may be admitted as members into this union by a two-thirds majority vote of the messengers present, provided they comply with Article 23 of the Bylaws and make known their desire to become members of the Association at the annual meeting of the Association when the Association will take action on their requests.

All churches composing the body of the Union Baptist Association, and those asking for membership in this body, shall believe and practice the doctrine of the New Testament as interpreted by Baptists through the years: that all churches presently composing this body, and all others seeking membership into the body at a later date, shall practice baptism by immersion only.

Messengers from one-half of the churches shall constitute a quorum at the Annual Session, and the decision of those present shall be considered the action of the Association. Messengers from one-fourth of the churches shall constitute a quorum at all other sessions, and the decision of those present shall be considered the action of the Association.

Failure to report annually to the Association or failure to be represented by messengers for two consecutive sessions without sufficient cause shall raise the question of fellowship. The Association may withdraw fellowship from any church which consistently fails to maintain a spirit of cooperation to support the objects of this Association. It shall

be the responsibility of the Associational Council to investigate and make recommendations to the Association with regard to withdrawal of fellowship from any member. At all times any action of the Association must conform to the following principles.

(1) The Association shall regard the churches as independent bodies in all their internal affairs and exercise no ecclesiastical jurisdiction or claim any legislative or judicial power over them.

(2) As every church is an independent body, amendable so far as authority is concerned to the Great Head of the Church alone, any church shall have full power to terminate its connection with the Association whenever it may see fit. While, however, a church chooses to continue this connection, the Association must have a relative right to inquire into its standing whenever it may be necessary to do so, and in case of dissatisfaction to withdraw from it.

ARTICLE 2 - OFFICERS

The officers of the association shall be elected at the annual session in October and shall assume their duties, with the exception of the Clerk and Treasurer, at the close of the session at which they are elected and serve until their successors are elected and assume their duties. Those filling the office of Clerk and Treasurer will serve in conjunction with the fiscal year.

Officers shall be: Moderator, Vice Moderator, Clerk, Treasurer, Historian, Discipleship Supporter, Sunday School Director, Brotherhood Director, Woman's Missionary Union Director, Music Director, Evangelism Director, Youth Director, and other such officers as the Association deems necessary in the continuation of its work. Each officer must be a member of a Union Baptist Association church.

The term of the Moderator shall be limited to two consecutive years; other officers shall be limited to five consecutive years, with the exception of the Clerk and Treasurer. If for any reason the Moderator cannot serve out his term, the Vice Moderator shall become the Moderator of the Association. When the need arises to replace the Vice Moderator, the Associational Council shall present to the Association a nomination of the person to complete the unexpired term of Vice Moderator. This person shall assume the position of Vice Moderator after the approval of the Association.

The Moderator and Clerk of the present Association shall serve as the President and Secretary, respectfully, of the successor Association corporation, and the Vice Moderator and Treasurer shall serve as Vice President and Assistant Secretary, respectively, of the successor Association corporation. If the Council recommends approval, each associational member church will be furnished a written proposal of any change and, not earlier than 20 days thereafter, a special called meeting of the Association may be held for the purpose of voting on the changes.

The Baptists of this Association came directly from the efforts of the early Christian workers of Wales and England. Their first settlements were in Old Welsh Neck section in South Carolina and Old Sandy Creek section Chatham County. Union County Baptists came from Old Welsh Section. The Welsh Neck Baptist Church was organized in 1738. In 1793, Lanes Creek was organized about two miles west of Philadelphia Church. This Church was the stock of the Welsh Neck Church. The churches that came out of the Welsh Neck Church organized into the Moriah Association in 1815. For convenience of the North Carolina side of the Moriah Association, the Brown Creek Association was formed in 1854. In 1885, the name of Union Association occurred. The association submitted Articles of Incorporation, which were approved with non-profit status on December 31, 1991, in the name of Union Baptist Association of Union County, North Carolina by the Secretary of State, Rufus Edmisten. These Articles of Incorporation were recorded on February 4, 1992, Book 538, Page 295, in the Union County Register of Deeds office.

PROCEEDINGS

The 143rd Annual Session of Union Baptist Association

Mission: 2000, Becoming Christ to our Community

October 28, 1997
West Monroe Baptist Church

First Afternoon Session: "Becoming Christ by Sharing the Gospel" **3:00 pm**

1. The 143rd Annual Session of the Union Baptist Association was opened by a congregational hymn, #461, *I Love to Tell the Story*, at West Monroe Baptist Church, at 3:03 pm, on Tuesday, October 28, 1997. Rev. Stephen Rector, association music director led the hymn with accompaniment on the organ by Ms. Betty Cookston (Mt. Harmony). *Mission: 2000, Becoming Christ to our Community* was the overall theme.

2. Dr. C. J. Bordeaux, Sr., pastor at West Monroe Baptist Church, extended our welcome and gave instructions regarding the facilities. He mentioned his sadness that Rev. Donnie Gamble would be leaving our association to accept a call as pastor in a mission church in Florida.

3. SCRIPTURE READING AND THEME INTERPRETATION: Rev. Dale Brooks, pastor at Central Baptist Church, presented our theme interpretation based on scripture from John 3:3 and Acts 10.

4. CALL TO ORDER: Moderator Donnie Gamble called the session to order at 3:25 pm. He extended a personal welcome and led in prayer.

5. ROLL CALL - Association Clerk, Mrs. Ann Grayson, Macedonia Baptist Church, conducted a roll call of attendance with 58 of our 77 churches and missions represented. Mrs. Grayson moved that the messengers present representing Union Baptist Association Churches constitute a quorum for the 143rd Annual Session. Second received. The motion passed.

6. Moderator Gamble recognized new ministers Clint Scott (Fairfield), John Culbreth (Mt. Pleasant) [both absent due to funeral services] and Shad Hicks (Sutton Park). In recognizing Rev. Hicks, the Moderator added that he was also newly married.

7. Moderator Gamble asked that any agency representatives stand. He recognized Rev. Todd Lake, campus minister at Wingate University. He also recognized the UBA Ministry Team.

8. Moderator Gamble presented the Book of Reports to be reviewed and which will be presented for adoption at a later time. He then recognized Rev. Stephen Rector for a special music presentation.

9. SPECIAL MUSIC was presented by Rev. Stephen Rector who sang "What If I Give All?"

10. MODERATOR'S ADDRESS: Moderator Gamble opened by stating the unusual circumstances relative to the new assignment accepted by he and his wife to become pastor to a mission church in Florida. His address shared a word of encouragement to UBA and was based on scripture from 1 Timothy 2:1-7. He closed his message with prayer.

11. CONGREGATION HYMN, "Since I Have Been Redeemed" #442.

12. FIRST BUSINESS SESSION: Vice Moderator, Verna Funderburk, opened the first business session by noting the list of program participants found on page 4 of the Book of Reports. She recognized former Director of Missions, Rev. Clarence Vassar and his wife, Barbara, who were visiting the session. Vice Moderator Funderburk presented the Church Group Coordinators Report found on page 18 of the Book of Reports.

13. Rev. Leon Whitley reviewed the proposed changes for the association bylaws as printed on pages 19-22 of the Book of Reports. These recommendations will be presented for vote at a later time.

14. Dr. Henry Funderburk presented the 1998 Union Baptist Association Missions Budget as found on pages 60-62 of the Book of Reports. He also pointed out that the Cash Receipts and Disbursements Reports and the Church Contributions Reports were shown for the final quarter of 1996 and the first three quarters of 1997 due to the change and the associational fiscal year. These reports are reflected on pages 65-70. Dr. Funderburk recognized and expressed appreciation to Mr. Buford Griffin who has served as association treasurer and other capacities for past years.

15. Mrs. Ann Grayson, clerk, requested those present to review the Book of Reports and contact the association office if corrections need to be made. She moved the acceptance of these reports and the adoption of the 1997 Book of Reports as presented with the provision that typographical corrections may be made and statistical church information not yet received may be added prior to final publication. Second received. The motion passed.

16. Vice Moderator Funderburk acknowledged pages 35-37 listing Memorials. All present stood as she led in a remembrance prayer.

17. With no Miscellaneous Business, Vice-Moderator Funderburk returned the floor to Moderator Gamble.

18. Moderator Gamble recognized Don Mullis, Executive Director of CENTS, Inc.--a non-profit organization to assist pastors and church staff before, during, and after terminations. Some of the ideas shared included forming a pastor support group and establishing training open to pastors and staff. CENTS, Inc. is involved in seven counties now. He requested consideration for financial support and the establishment of the Rev. H. Claud Dick Pastors' Club (based on a personal pledge and challenge) to participate with a $25/month donation.

19. Mr. Tom Dillon spoke representing Hospice of NC. They have initiated a financial campaign to raise supporting funds and are requesting individuals to fill 70 team leader positions who would organize seven member teams in which each team member would collect pledges of $300 each to benefit Hospice. Each team would raise $2,100 total during November and December.

20. Moderator Gamble stated we would dispense with the break time since we were behind schedule and move into the second session.

Second Afternoon Session: "Becoming Christ by Meeting Their Needs" **4:48 pm**

21. CONGREGATIONAL HYMN, "Footsteps of Jesus," #325.

22. SCRIPTURE READING AND THEME INTERPRETATION: Ms. Ginger Tucker, UBA Church and Communities Director, presented our theme interpretation based on scripture from Matthew 25:35-36.

23. Rev. Shad Hicks, pastor at Sutton Park Baptist Church led the congregation in prayer.

25. She also referred to a list showing Ongoing Mission and Ministry Opportunities. The NC Baptist Men's Medical/Dental Bus is scheduled for November 17 & 18 and will be coming four times in 1998.

26. Dennis Burton, Director of Missions, referred to page 26 of the Book of Reports for messengers to read his report later. He announced a Deacon and Vice-Deacon Orientation scheduled for January, 1998 and introduced the UBA Ministry Team members individually. He mentioned that a team from S. Africa returned today (as we meet). Dr. Burton also gave special recognition to his wife, Gay, and shared special words for Clarence and Barbara Vassar and Ellis and Myrtle Marks. Dr. Burton recognized the UBA Council Members and bid farewell to those who would not be returning to serve in their position next year: Mrs. Maebelle Earnhardt, Media Director, has served a five year term in office; Mr. Buford Griffin, Treasurer, will serve as a member of the Stewardship Committee; Moderator Gamble leaves tomorrow to accept his new position as mission pastor; Vice Moderator Funderburk will not be able to be considered for continued service on the advise of her physician; Dr. Marian Hume will be relocating to Missouri--she has served unofficially as discipleship supporter consultant and volunteered many hours in organizing the media center; and Rev. Rick Brown will no longer serve as Evangelism Director. All UBA Committee Members were asked to stand in recognition of their service.

27. SPECIAL MUSIC: Rev. Charles Hensley, pastor at Corinth Baptist Church, sang "I Walked Today Where Jesus Walks."

28. ANNUAL SERMON: Dr. Buddy Pigg, pastor at Mt. Harmony Baptist Church shared the annual sermon entitled, "Some Things Never Change," based on scripture found in John 4:35. He stated that we can thank God that some things never change: 1) The lostness of mankind--we are all lost without Jesus Christ, 2) the lateness of the hour--God will multiply, our job is to plant the seed of the gospel and water the new disciple to assist with growth and development and there is not much time, 3) the lavishness of the Savior--we are all called to witness and disciple through the power of the Holy Spirit through us. God will never change his plan to save the world. He closed with prayer.

29. Moderator Gamble called for Dr. C. J. Bordeaux to dismiss us with prayer and the body will reconvene for the evening session at 7:00 pm sharp.

30. C. J. Bordeaux gave instructions for leaving to be served downstairs. He asked the Lord's blessing on our meal. The meeting adjourned to supper at 6:00 pm.

Third Evening Session: "Becoming Christ by Going to Them." **7:03 pm**

31. The evening session opened with the congregation singing "Send the Light," #304, and the Presentation of Flags (American flag, NC flag, Christian flag, UBA flag, South African flag, and Belarussian flag).

Church, presented our theme interpretation based on scripture from Luke 14:23.

He also stated there was information in the messenger packets to assist churches in promoting the Children's Homes Offering at Thanksgiving.

38. MISSIONS AND OUTREACH COMMITTEE: Rev. Marvin Tyson referred to the report found on pages 38-39 of the Book of Reports. He asked for prayer support as the committee continues to review mission opportunities. Rev. Tommy Concha came to tell more about "El Buen Pastor." They have increased their membership from 41 to 52 this year with 32 resident members. The 20 non-resident members have either returned back to Mexico or moved to other cities. A group has moved to assist a new Hispanic mission at First Baptist Church in Pageland. This mission was recently given a renovated building by one of the businesses in Pageland. El Buen Pastor's Sunday School is strong with offerings collected to $12,505, and the building offering $10, 557. He thanked all for the donations from Oakland and other friends. They closed on five acres of land in July, 1997, and borrowed $20,000 with a five year loan. They are seeking supporters who may wish to assist this Hispanic ministry. Donations may be sent to the UBA office. The offering for the evening was designated to assist the mission land fund. Rev. Tyson led in prayer for the offering. The Hispanic band from "El Buen Pastor" shared some of their music with us. The amount of the offering was $3,372.71.

Rev. Tyson presented the second Bivens/Funderburk Award for Missions Excellence to Oakland Baptist Church. Rev. Dan Phipps came forward to accept the presentation of the plaque. Rev. Tyson also presented a plaque to the recipient of the second annual Bivens/Funderburk Award for Missions Excellence, Mrs. Brenda Carter of Hermon Baptist Church. He and Mr. Billy Tarlton, District 6 Disaster Recovery Coordinator and member of Austin Grove Baptist Church, shared testimony regarding trips with the Disaster Recovery Program and how they had seen lives changed. They expressed the need for an associational disaster recovery trailer. Those wishing to contribute may do so through the UBA office.

41. SPECIAL MUSIC.: Rev. Don Duncan led the West Monroe Baptist Church Choir as they performed from It's Still the Cross-a collection by Mike Speck. The selections were "Sold Out" and "I Know What It's Like."

Dale Brooks, pastor at Central Baptist Church, for the office of Moderator. There were no further nominations for the office of moderator. Dr. C. J. Bordeaux moved that the nominations be closed. The motion was seconded and approved. Rev. Dale Brooks was declared Moderator by acclamation.

43. Moderator Gamble opened the floor for nominations for the office of Vice Moderator. Mr. Earl James nominated Rev. Tony Medlin, pastor of Euto Baptist Church. There were no further nominations for this office and Rev. Vance Edwards moved the nominations be closed. A second to the motion was received and approved. Rev. Tony Medlin was declared to be the Vice Moderator.

44. Rev. Leon Whitley moved the adoption of the recommendations for changes to the Constitution and Bylaws as shown on pages 19-22. No second was required. With no discussion, the recommendation was approved.

45. Mr. Bobby Griffin read the following from the Resolutions committee:

THEREFORE BE IT RESOLVED that appreciation is given to the members of West Monroe Baptist Church and to the churches in Group V, which also include Benton Heights, Calvary, Corinth, Covenant, Forest Hills, Howie, Living Waters, Mary Elizabeth, Oak Grove, Roanoke, and First Baptist Church of Weddington.

BE IT FURTHER RESOLVED that appreciation is given to the following churches within our association:

- to Sardis Baptist Church for hosting the Spring Session, preceded by a Sunday School Recognition Banquet on April 29, 1997, assisted by Central, Cornerstone, Fellowship, Hartis Grove, Hermon, Mt. Harmony, Providence, Waxhaw, and First Baptist Church of Waxhaw;
- to Euto Baptist Church for hosting the Summer Session, preceded by a Mission and Outreach Committee Dinner Meeting, with assistance from Antioch, Benton's Cross Roads, Hopewell, Love, Midway, Mill Creek, Morgan Mill Road, New Hope, Pleasant Hill, and Trinity.

BE IT FURTHER RESOLVED that thanks and appreciation are extended to the following:

- to our many volunteers throughout the year, assisting with the *UBA Messenger*, the Medical/Dental Bus, Disaster Relief, the Belarussian Project, WMU projects, Baptist Men projects, and Church and Community Ministry projects,
- to Mrs. Brenda Lee (Austin Grove Baptist Church) for her assistance with the 1997 Annual Church Profile process,
- to Mrs. Lee, Mrs. Angela Aldridge, and Mrs. Patsy Smith (Centerview Baptist Church) for their assistance in preparing messenger packets for the Annual Session, and

Mr. Bobby Griffin moved the adoption of these resolutions. No second was required. The resolutions were adopted.

46. SERVICE OF COMMITMENT: Moderator Gamble requested that all Officers and Council Members for the coming year line up at the front. Moderator Gamble read scripture from Romans 12. He led in prayer. Dennis Burton thanked the members of the association council willing to serve. He requested that Verna Funderburk, outgoing Vice Moderator to join him at the podium and presented her with a Certificate of Appreciation for her UBA service. Dennis Burton also presented outgoing Moderator Gamble with a gavel plaque in recognition of his service and extended our best wishes to him and his family as they begin a new work.

47. CONGREGATIONAL SINGING, Chorus of "Jesus, Jesus, Jesus" and "Hallelujah."

48. DIRECTOR OF MISSIONS' ADDRESS: Dennis Burton recognized the pastors and wives as 'his' congregation and count it a privilege to be able to continue pastoring. His address was entitled "American Express is Not Accepted Here" and came based on scripture from Luke 14:24-35. He said we have somehow fallen into the trap of saying and doing and being anything in the name of the church but Revelation says there will be a day of judgement. He asked if we have counted the "cost" of growth? Not growing and reaching people for Christ is to condemn people to an eternity without God. Not growing gives God the opportunity to pass us by and raise up a new people. Not growing is to have churches plateau. He quoted a deacon in one UBA church as saying "Baptist churches need to learn multiplication without division.

There are five things to unfold in UBA this year: 1) Meet the challenge issued in Mission 2000 and knock on every door in Union County and invite the residents to church. Challenged churches to draw a one mile circle around your church map and target those houses first. 2) Form a consortium of churches to work together and share our benefits and strengths. 3) Sponsor a community celebration this Spring where on four different Sundays one group would be focused on: law enforcement, government, health professionals, and educators. 4) Build three playgrounds and a church in South Africa (and counter with three new playgrounds in Union County) and allow UBA children to collect change to earn funds to underwrite the cost. 5) Negotiate with the General Baptist Convention on a joint Winter or Spring session. Dr. Burton ended by sharing a parable about a "life saving station" and closed with prayer.

49. The closing hymn was omitted and the meeting adjourned at 9:30 pm by common consent.
Registered attendance: 301 total. (161 messengers; 41 pastors; and 99 visitors)

Respectfully submitted,
Ann C. Grayson, clerk

Bivens / Funderburk Church Award for Missions Excellence - 1997

Presented at the Union Baptist Association Annual Session, October 28, 1997

The church we recognize with this year's Bivens-Funderburk Award for Excellence in missions has an ongoing commitment to missions involvement.

For the past five years, Sandy Acres mission has been a ministry point for this church. Efforts there have included Bible Schools and Backyard Bible Clubs, Christmas gifts and treat bags for all the children at Sandy Acres, assistance with clothing, school supply and medical needs, and monthly leadership in programming.

This church's WMU is also active in ongoing ministries which include:

- preparing meals and conducting worship services on a quarterly basis at the Community Shelter
- monthly donations of money and goods to Loaves and Fishes and Turning Point
- monthly visitation and music ministry at a local nursing home
- help with the UBA ministry booth at the Union County Arts Festival
- tutoring program concentrating on reading skills for children.
- coordinating an on-site apartment ministry for the past three years

One-time ministries are also important to this church family. Some examples from the past year include:

- collecting paper products and money to help purchase a stove for the Community Shelter
- purchasing a set of children's videos for the UBA media center
- Sponsoring a girl for Camp Angel Tree at Mundo Vista
- purchasing school supplies for their tutoring program

Members of this church have also hosted a Belarussian child for the past two summers and have sponsored a community-based Sunday School outreach ministry for the past several years.

And since 1990, this church has been the sponsoring church for the Hispanic Mission, *El Buen Pastor*. In addition to sponsoring this mission and sharing their church facilities with their Hispanic neighbors, church members also use the mission as a focus of ministry by purchasing Christmas gifts for the Hispanic children, and distributing clothing, food, and household items as needed. In the summer of 1997, this church also gave over $12,500 to the *El Buen Pastor* land fund.

We are pleased to present this year's Bivens-Funderburk Award to Oakland Baptist Church.

Bivens / Funderburk Award for Missions Excellence - 1997

Presented at the Union Baptist Association Annual Session, October 28, 1997

Our individual recipient of this year's Bivens-Funderburk Award has shown years of dedication to her Lord and to missions.

Her first mission trip was to Charleston, SC, to help with the cleanup after Hurricane Hugo. In the months after Hugo, she coordinated several trips to the Charleston area. Again, after Hurricane Andrew hit southern Florida, she coordinated her church's efforts to help with the clean up in the Homestead, Florida area.

At the WMU annual meeting at Ridgecrest in 1992, she felt that the Holy Spirit was leading her to go on a mission trip to Brazil. She went to Brazil that year and has returned to Brazil every year since, leading others to Christ and encouraging others to share with her in ministry. This year, 12 people from her church made the trip and the blessings have been felt all the way back from Brazil to Union County.

Doing missions at home is also an important part of her life. In 1995, she and her husband opened their home and shared their lives with a 19-year-old legally blind diabetic who desperately needed to be rescued from his own home situation. For the next twelve months, they ministered to his incredibly demanding needs, both physically and spiritually. Also during this time, they took into their home a Brazilian exchange student. Through the witness of her family and through prayers, this student accepted Christ several months before returning to Brazil.

Almost immediately after the exchange student left, our recipient opened her home to a missionary family of eight who were home on furlough for 4-6 weeks.

In addition, she has served her church and association by being extremely active in WMU and other church activities. She has just finished serving on the Union Baptist Association Missions and Outreach Committee and is currently serving on the UBA Stewardship Committee. She is an inspiration to all that know her.

This year's individual recipient of the Bivens-Funderburk Award seems to have been destined for missions. When she was 16 years old she won a new car. Her parents sold the car and put the money in savings. It was this money that was used to fund her first mission trip to Brazil in 1992.

We are pleased to present the Bivens-Funderburk Award for Excellence in Missions to Brenda Carter of Hermon Baptist Church.

RECOMMENDATIONS

Mission and Outreach Committee:

Rev. Marvin Tyson, chairman, was unable to be present due to attending General Board Session of BSC. In his place, **Rev. Bill Fogarty presented a recommendation from the committee as received from an anonymous association member church stating the intent to give $5,000 to UBA to be used as needed, and to lend $20,000 to the association interest free for the new church work in the Stallings area (Community Baptist Church). Furthermore, for each year that the Community Church exists as a Southern Baptist Church, following the teachings of the Baptist Faith and Message, and in friendly cooperation of the UBA; and that this UBA member church's undesignated gifts exceed its expenses;**

that a minimum of 20% of the excess receipts, but not to exceed $3,333.33 per year, be applied toward the cancellation of said loan, so that all the loan would become a gift and the debt canceled at the end of six years. At the end of the six year period, any part of the loan that had not been canceled would then become due. The officers of the UBA member church and of the UBA would at that time work out a plan to repay the balance of the account. It was the recommendation of the committee that the association accept this generous offer. The recommendation passed.

The Missions and Outreach Committee recommended to accept into association watchcare the newly formed Harvest Church, a group of approximately 200 meeting at Piedmont High School for approximately 6-7 weeks, who have recently called Rev. Jim Holmes as their pastor. The recommendation passed.

Church and Community Ministries: Ginger Tucker, director, presented a brochure that was prepared to assist with GA Day at Wingate University recently which simply shared different areas of ministry. She also referred to a handout with information regarding the 1997 summer ministry to bring Belarussian children to our association, and a program entitled "Change for the Children" (an effort to match dollar for dollar to support a local playground and a playground in South Africa). Other ministries were stated on the handout also. She referred to another handout announcing the Senior Adult Revival on Mar. 10 and 11, 1997, at Lee Park Baptist Church with, Rev. Wiley Rutledge, humorist and pastor of West Albemarle Baptist Church, as the guest speaker.

Church Planter/Missions Strategist: Richard Culpepper, church planter and pastor of Community Baptist Church, shared entertaining events of a day in the life of a church planter. He reported the mission has 28 members with visitors each week. There are plans for summer ministries including a Back Yard Bible Club and Fall-Family Fun Festival. He thanked the association for their support. The church will also be requesting some assistance with some construction work in the future also.

UNFINISHED BUSINESS none

STEWARDSHIP COMMITTEE REPORT

Henry Funderburk, chairman, shared some statistical information on the growth in Union County. He stated that are 2,000 Hispanics in our county, trailer parks are full, opportunities for ministry are everywhere. He pointed that money is not coming in to support the UBA budget. If we do not support this budget, we are not supporting local missions because UBA **is** missions. Churches were requested to support the association at 3.5% of undesignated funds, but on average, our association churches are supporting at 1.6%. If we as a church ask members to give 10% in a tithe, do churches not have a responsibility of setting the example of giving 10% also? He requested that churches consider increasing their budgeted associational missions giving. He requested that Dennis Burton share some statistical information.

Dennis Burton referred to figures reflected on handouts distributed with the messenger packets. He thanked all for the support the churches give and wanted to be clear that the association is appreciative of every dime received. He continued to address four points for consideration. 1) **UBA Cash Flow Balance:** It has been a struggle to operate the association based on the funds received for the past few years. He shared an example that it takes approximately $18,000/month to operate. In October, 1996, church contributions were $11,000 ($5,000 more than October, 1995); in November, 1996, giving was $7,000; and in December, 1996, UBA received $16,000. Quickly, you can calculate that the undesignated budget funds for UBA in the first quarter gave some real concern. There has been good improvement in January including the generosity of the member church as mentioned in the Missions and Outreach Committee report will help significantly. We do not want to be put in a position of operating in the "red" or hanging on by our fingertips. He stated that he did not feel that is what God wants or what the member churches want. He, the Association Council, and the Stewardship Committee agree that we propose a designated special offering date in February to get the cash flow back in balance to support the budget. 2) **Percentage Giving:** What we are talking about goes back to a trend for almost 20 years. He referred to Table B which reflected the budget flow has never been on target and it also reflects a couple of years where the budget increases have been very small. He referred to Table A and mentioned the request for churches to give on a 3.5% ratio. Now there are 7 congregations meeting this request. More than 50% support UBA at 1.6% or less. If churches give a specific dollar amount to the association (for example $500) and the church income goes up and you do not increase your dollar amount of giving, then the % of giving decreases. That is why we encourage % giving because it is designed to do two things: if the church receipts are down, then your giving to the association is decreased and if your church is blessed with increased receipts, then the church's contribution to the association will increase. He specifically referred to 1995 and 1996 years. In 1995, the association received 1.572% of church undesignated receipts. In 1996, UBA received 1.671%. From 1995 to 1996, the church income increased by $1,796,519 which is the greatest dollar increase to our member churches in the history of the association. Of this amount, $1,567,000+ were designated gifts in the local church. Only $228,000 of that was given as undesignated dollars. Designated giving is skyrocketing upward and undesignated (operating cost) dollars are bouncing

in a downward trend when cost of living is considered. Since the giving to the association is tied to the undesignated dollar of the church, the contribution to the association is not increasing. 3) **Member Tithes Needed:** Each member needs to consider the operating costs of the local church and tithe to the local church (% giving). Designated gifts do not pay the operating bills. Messengers challenged to take this message back to the local churches and teach good Stewardship. The association will assist with Stewardship Conferences with requests. We are long past the days of conflict from the past and we need to express our faith, our trust, and our love for each other. It's time to get on with mission. 4) **Retire land debt:** We have purchased land in Indian Trail and this payment is putting a strain on the operating costs. Prayerfully consider helping to retire the land fund. If churches can give grants or individuals can give grants to help retire that land loan. Recent estimates of the property is the land is valued at $200,000 today, so God has blessed us with a wonderful piece of property. There is approximately a $55,000 loan balance remaining.

Henry Funderburk presented a recommendation from the Stewardship Committee that a special undesignated offering be taken in all association churches on February 16 or as soon as possible thereafter. Discussion: Dr. Walter Woodson spoke in support of the association staff and wanted to the pay and benefits they have renounced to be paid first. Rev. Vance Edwards stated that he has an agreement with God to give 20% back to him. Rev. DOCTRINAL SERMON

Rev. Michael Sheehan, pastor of Morgan Mill Road Baptist Church, brought our doctrinal sermon on "Good Stewardship," with scriptural focus from 2 Corinthians 2:14-15. Rev. Sheehan read the scripture and opened the message with prayer. He continued by stating in today's church, less and less people are asked to give more and more. The church is influenced and shaped by society rather than influencing our society itself. We are missing people in our churches and stewardship is affected. We need to be careful not to over customize our church. Let Jesus Christ be the importance. Some see the church as a social symbol of society, other see it as an entertainment center. When we fashion our churches into the fashion of the people we are seeking it is a mistake. Fashion the church in the image of our Lord and Savior. The church is called by God to be transformed by, and conformed to, the likeness of Jesus. There is a spiritual problem in our churches. Churches and leaders need to surrender completely as vessels to God. As organizational leaders, we have to be good stewards of our time, talent, and money. We need to teach storehouse tithing (Malachi 3:10). We cannot out give God, and if we rob from God, we are really robbing ourselves of a blessing. People who departmentalize their tithe need to remember we are not giving to a program, but we are giving to the Lord to use as He sees fit. The relationship of people to their Lord is suffering, so stewardship is suffering. He urged churches to: 1) return to evangelism, 2) disciple our "babes in Christ," 3) give people joining the church a cross (deeper relationship with our Lord), and 4) to pray for our churches. Rev. Sheehan closed with prayer.

NEW BUSINESS

Association Council Recommendations: **Vice Moderator, Verna Funderburk, presented a recommendation from the Association Council to receive an offering for the association at each session. The motion passed.**

Missions and Outreach Committee: Marvin Tyson, committee chairman, referred to handouts provided which explained the needs requested by new works and missions. He emphasized the opportunity to become a local missionary for six months by working with Community Baptist Church. He recognized Henry Funderburk for an update report on "El Buen Pastor." Dr. Funderburk shared that approximately 80 were attending each Sunday at this Hispanic church. The mission is in need of land and has found approximately 5 acres between Monroe and Wingate for $65,000. The church has approximately $36,000 to put toward this purchase in addition to $10,000 from a BSC Grant. He stated that they could use more financial support, but they are

requesting prayer support, possible services donated for legal and title work, and volunteers to work toward establishing a building on the site. The land is water and sewer acceptable. The mission has had their survey work donated. **The Missions and Outreach Committee recommended to extend the association's blessing and offer prayer support for this land project for "El Buen Pastor." The recommendation passed. The Missions and Outreach Committee recommended to receive Unionville Baptist Church, 4700 Unionville Road, Monroe, NC, 28110, under association watchcare. The church is currently without a pastor. The recommendation passed.**

Committee on Committees: **Charles Hensley, committee chairman, moved to recommend filling the two vacant positions on the Prison Committee with Bruce Knight (Community) and Bill Moser (Corinth). The recommendation passed.**

MUSICAL MEDITATION

The Mt. Harmony Praise Team sang two numbers: *Celebrate Jesus* and *I'll Fly Away*. The team consisted of Jeff and Cindy Burnette, Vicki and Keith Boyter, Steven Rector, and Cindy Boyer (pianist).

UBA MINISTRY TEAM REPORTS

Church and Community Ministries: Ginger Tucker, director, referred to a handout provided in the membership packets which referred to assistance needed for summer ministries. She offered a suggestion to help increase your church Sunday School attendance instantly--host an ongoing Back Yard Bible Club at an apartment complex or trailer park because you can count that attendance on your Sunday School records. She stated the importance of getting out of our "ruts" and reaching to meet the needs in our communities when and where they need it.

Church Planter/Missions Strategist: Richard Culpepper thanked the Missions and Outreach Committee for the support shown to Community Baptist Church. He also re-emphasized the call for missionary volunteers needed.

Director of Missions: Dennis Burton told of a recent pastor's day which was referred to as the B.I.S.H.O.P.'s Day (**B**oy! **IS H**e **O**ver **P**aid). He offered appreciation to Sardis Church for hosting the session and announced that the next session will be held at Euto, July 29, 1997, in the northeast corner of the county. We look forward to seeing their new Children's Center. He reminded those present to pass the messenger cards to the center aisle and then pass them forward to be collected for recording. Dr. Burton urged messengers to take their packets home, and then to church, to share the information enclosed with others. He reminded all that part of being a messenger is bringing a message to the session from the churches and taking a message back to individual churches about what is going on in the churches. He requested prayer for the Associational Council as they attend the Key Leadership Conference at Caswell on May 5 & 6. He expressed appreciation to Oakland and Mt. Harmony for allowing the use of their vans for this trip. He also added his personal appreciation for the offering support during the past quarter to the association. He emphasized that this was a precautionary measure to avoid serious problems and stressed the importance of maintaining a balanced budget. He stated again that it would be greatly beneficial for the entire association if churches could work toward a gift of 3.5% of undesignated receipts. There are many new opportunities presented often to impact ministry in our county, but it takes money to act on areas. The new UBA Quarterly Directory are available for pastors and church staff members present who have not yet received this. Dr. Burton cautioned all to be careful of the step down at the end of the sidewalk on their way to the fellowship building. We will try to have someone posted to assist at that area. The week of May 25th is designated for Associational Emphasis Week and a prayer guide will be mailed out soon. He announced that June 29 will be designated for Pastor Appreciation Day and he requested to share your support and appreciation for your pastor and his family in anyway possible. A letter to the deacon chairmen will be sent with suggestions. He emphasized that bivocational pastors are working a minimum of three full time jobs (church, job, and family). He mentioned the Super Summer '97 event for youth at Paramount's Carowinds, July 24 & 25. This event is sponsored by the Baptist State Convention and requires the pre-purchase of tickets by June 1 directly from them. With the adoption of the recommendation to collect an offering at each association session, Dr. Burton suggested two options to consider should the association approve to designate tonight's offering for this: 1) the land fund for "El Buen Pastor" and 2) the C.E.N.T.S., Inc. (Church Employment Network Talent Search), which is a non-profit organization formed six months ago to assist displaced pastors when they are relinquished from their responsibilities to a church. Since January 1, 1997, C.E.N.T.S., Inc. has helped over 30 ministers who have been terminated in a seven county area around Charlotte. This organization is struggling to maintain operation, since the services offered are free to the ministers. **It was moved and seconded to divide the evening offering evenly between the El Buen Pastor land fund and C.E.N.T.S., Inc.. The motion passed.**

SPECIAL PRAYER REQUESTS

Dennis Burton shared three special prayer requests: 1) Megan Carpenter, 3 yrs. old and daughter of Tim and Annette Carpenter [Tim is the band director of Forest Hills High School and Music Director of Sardis], has just had her second brain surgery in less than a year for a malignant brain tumor. She did well with 95% of the tumor being removed, and she will be undergoing some intensive therapies to try to stop the growth of this

tumor; 2) Phyllis Willis, wife of Rev. Lowell Willis (Cornerstone), had surgery this morning; 3) Buford Griffin, member at Oakland and Association Treasurer, had surgery yesterday to remove a 6 lb. mass from his chest. The tentative report was that they believe they removed all of the mass and the family is awaiting the pathology report. Buford will have several weeks for a recovery period.

CONGREGATIONAL HYMN

Offertory hymn #59, *Glorious is Thy Name*. Donnie Gamble led in prayer. Cindy Boyer , pianist, played during the collection.

INTRODUCTION OF SPEAKER

Moderator Gamble introduced our guest speaker, Rev. Phil Stone, Consultant with the Bible Teaching-Reaching Team, NC Baptist State Convention.

MUSICAL MEDITATION

The Mt. Harmony Praise Team sang *He Touched Me & Grace Greater than Our Sin*.

MESSAGE

Rev. Phil Stone shared a message entitled, "How Sunday School is Still Important for Accomplishing the Great Commission." He discussed how we can comparatively evaluate our growth: from 1960-1990, U.S. church growth increased by 28%, and the U.S. population increased 39%. He stated that church growth is biblical; if we are not interested in number growth, then we are not interested in the Great Commission. (Scripture references: Acts 2:47, 5:14, 6:1-6, 11:21-26). Rev. Stone addressed several questions. Why would the Sunday School not grow? 1) loss of evangelistic focus, 2) loss of vision of the total work of the Sunday School, 3) fear of innovation, 4) lack of "Great Commission Vision"--Evangelism, Assimilation, Discipling. What is Church Growth? (Scripture reference: Matt. 16:13-19). Can the pastor or church members grow your church? No! We are to be found faithful, do our best, plant and water, but it is God who brings the growth. The Sunday School Theme for this year is "Carry the Light, Follow Christ's Example." For too long we have kept Jesus locked within our stained glass sanctuaries while Jesus is knocking and saying "come out." Rev. Stone closed by singing a verse of *Softly and Tenderly* and concluded with this chorus: "Come out, come out; ye who are loving, come out; Come see a world who are lost and dying; dying for you and for me."

CONGREGATIONAL HYMN *Holy, Holy, Holy*, #1.

ADJOURNMENT

Churches in our association have touched missions throughout the world--South Africa, Brazil, South Dakota, Eastern North Carolina, Coastal North Carolina, Mountain North Carolina, Union County--through mission teams, youth workers, and individuals. He also stated that in many ways, the world is coming to UBA as we have eight different ethnic groups established in our county today. Much work is accomplished through our partnership with NC-Baptist State Convention. It is almost time to promote The State Missions Offering in our churches. Almost 10% of the offering to State Missions from UBA comes back to us for mission application in our county. The new NC State Missions Promotional Video was shown. Each church should have received a copy, but if not, contact the UBA office and we will assist you in getting a copy.

The two main areas addressed involve combining and streamlining the Nominating Committee and the Committee on Committees and clarification on how to elect messengers. BROTHERHOOD REPORT

The goal of North Carolina Baptist Men is to help North Carolina Baptist Churches and Associations involve their members (especially men and boys) in missions. The objectives for accomplishing this goal are to:

- Enable and equip men and boys to be personally involved in mission activities.
- Encourage men and boys to identify and develop their personal ministries.
- Educate men and boys concerning mission opportunities.
- Teach men and boys the importance of praying for and giving to missions.
- Lead men and boys in developing in all areas and aspects of their lives to become mature, active, and involved Christians.

"Here I am, send me" has been the theme for UBA Brotherhood this year. This theme seems appropriate as more and more churches are becoming involved in missions.

One strong mission's effort this year was in Disaster Recovery. North Carolina Baptist men, women, and youth have been involved in numerous mission trips to the Wilmington area helping people recover from Hurricane Fran. Many homes were rebuilt, roofs replaced, churches repaired and even some new homes and churches were built.

Through the Adopt-A-Family Program, Union Baptist Association has adopted the Noel and Arnetta Grant family in Burgaw, NC. So far UBA Brotherhood, with the help of many donations from UBA churches, has rebuilt the roof on the Grant's family room. A new central air and heating system has been provided and installed. Most of the damaged floors and part of Mrs. Grant's kitchen cabinets were replaced. Volunteers even replaced a damaged swing set for their foster children.

Many homes were severely damaged and even destroyed by floods in the Falmouth, Kentucky area and North Dakota. Twenty-two volunteers from UBA churches assisted in completion projects of 34 homes in Falmouth, Ky. Three UBA volunteers assisted in repairs in North Dakota. Disaster even occurred close to home with flooding in Charlotte, NC. Volunteers from UBA churches also responded to these needs.

Many lives have been affected by disasters. The UBA volunteers have experienced many blessings through disaster recovery work and have been able to share the love of Christ to these hurting people.

Another goal for the new year is to raise funds to purchase and equip a disaster recovery trailer for Union Baptist Association and to complete the repairs on several homes and churches damaged by Hurricane Fran. The Grant's home along with others are incomplete.

I would like to express a sincere thank you to all volunteers and to everyone for your prayers and donations this year. If you would like to join the UBA Disaster Recovery team or have someone speak to your church about Disaster Recovery, please contact Calvin Funderburk at 764-7033.

Respectfully submitted,
Mr. Calvin Funderburk, director

BUILDING AND GROUNDS COMMITTEE REPORT

The committee is grateful to Mr. Joe Nash, committee member, for his contribution of time and materials to replace the light fixtures outside at the back of the UBA Association building in January of this year.

Other needs such as roofing and exterior painting are being assessed, some of which may be considered as projects by UBA Brotherhood organizations.

Respectfully submitted,
Mrs. Jean K. Rollins, chairperson
Mr. Roy Broome, Mr. David Tomberlin,
Mr. Travis Evans, Mr. Joe Helms

DIRECTOR OF MISSIONS' REPORT

The State of the Union 97

Each year when I write this brief report to you, I struggle with whether to report facts such as miles driven, number of sermons preached, retreats led, committees met, etc. (You get the idea), or to share with you what I sense is the leading of the Holy Spirit in and through our association. The facts are important and need to be reviewed to help us grow, learn, and serve more effectively, but I firmly believe that what God is doing is far more important.

Your association is continuing to grow numerically, financially, and in its sense of vision. The challenge is to grow in proportion to the growth of the community. Our county has grown over twenty-three percent in three years. Are we growing anywhere near that mark? New businesses, schools, and developments are springing up all around our churches. Think of all the new families and opportunities they represent.

Perhaps a more searching question has to do with our spiritual health and growth. In understanding ourselves to be the people of God, do we understand that we are His people called to fulfill His purpose? How do you measure the health, ministry, and vision of your church? With ten being the highest indicator, in your opinion, how does your church rate in these three areas? How does our association rate? (Keep in mind that we are the sum total of all our churches.) Perhaps even more basic is how do you rate yourself in these three areas? If we are to fulfill the mission mandate God has given us, it will call forth every measure of Grace, Faith, and Commitment we possess.

Mission 2000 will become an even greater reality for us this year as we begin to address issues such as coordinating our churches to knock on every door in Union County and invite them to worship at one of our member congregations, a community recognition month, and establishing a network of resources among our member congregations whereby we can help each other in any area of need.

Your association is experiencing a new age of mission service and vision. People are stepping up and saying, "Send me, Lord, send me!" This could be the best opportunity you have ever had to become personally involved in missions, to lead your church in growth, or to become a stronger Christian than you have ever been.. The choice and decision is yours. Let me challenge you to answer that call in your life for a closer walk with the Master and to follow Him wherever He leads you.

Thank you for your faithful support of association missions. We covet your prayers and vision. God richly bless you and your church.

DISCIPLESHIP TRAINING REPORT

Three words, process, flexibility, and needs, describe Discipleship Training today. It is a lifelong process of helping Christians to grow in their relationship to Christ. This growth takes place in steps and no matter where we are in this relationship, there is always another step to take in the process of becoming. Churches are involved in an intentional ministry of discipleship because it can do much to help individuals make the most of their relationship with Christ.

Discipleship Training is changing and is much more flexible.

FROM . . .		TO . . .
Sunday night	→	Anytime
Ongoing groups	→	Multiple approaches
Dated periodicals	→	Undated and dated resources
Doctrine studies	→	Life applications
Inside the church focus	→	Inside/Outside the church focus

Since Discipleship Training is a process based on people's needs, it will vary from church to church. Churches assess the needs of their people and focus efforts on meeting them. In your church community, what are the needs of the people groups who have needs and/or life situations in common? Can intentional Discipleship Training meet these needs?

Six types of resources for Discipleship Training are available: periodicals, LIFE courses, support group materials, new member assimilation materials, leader training materials, and workbook and study guides. Copies of many of these are in the associational resource media center and can be previewed or checked out.

In our association, growth in the number of churches and people involved in Discipleship Training has greatly increased. Ongoing Discipleship Training still meets the needs in some churches. However, most of the training is in short-term courses now.

Children and/or youth from nine churches worked on the Bible Drills. One youth participated in Youth Speakers Tournament. The associational drill was held on Sunday afternoon, April 6, at Sandy Ridge Church with 27 participants. In addition, eight others studied on the church level. Much time is devoted to this work by leaders and parents who are to be commended for the excellent quality of the work.

Churches in the association are challenged to become involved in an intentional Discipleship Training process for meeting the needs of their church members and community. The associational leadership for Discipleship Training is ready to consult with and help you.

GENERAL BOARD REPORT

The year, 1997, has been a good and busy year for the North Carolina Baptist State Convention. Two or three highlights will inform you as to just how the year has progressed.

1. The officers for 1997 are:
   President, Michael Queen, Wilmington Association
   Vice President, Roger Gilbert, Columbus Association
   Recording Secretary, Becky Stewart, Baptist Building employee

2. The most important occurrence was the announcement of the retirement of the Executive Director-Treasurer, Dr. Roy J. Smith. President Michael Queen had the awesome task of appointing a search committee to fill that position. Dr. Queen began with 250 names in the pool of names from which he would choose 19. He chose a balanced group of 19 from all backgrounds with Dr. Marion Lark, First Baptist, Henderson, NC, as chair. They worked tirelessly and in wonderful harmony. They selected and have presented Dr. James Royston of Colonial Heights Baptist Church, Kingsport, Tennessee, to be the new Executive Director-Treasurer of the Convention. We will vote on this nominee in November at the State Convention.

3. The 1998 Budget will be voted on during the November Convention.

4. Meredith College has chosen to change its relationship with the State Convention, requesting to nominate all its trustees. Discussion is proceeding with the college and The Council on Christian Higher Education on the proposed new relationship.

5. The North Carolina Mission Offering (NCMO) is one of the most important things that we as local churches can encourage and support. One hundred percent (100%) of North Carolina WMU's ministries and 100% of North Carolina Baptist Men's ministries and much of the North Carolina Missions Division's work come from this offering. It is strategic that we encourage an increased giving from our churches.

6. It is vital that we pray for our state convention and encourage ALL churches in the Union Baptist Association to elect their allotted quota of messengers to the State Convention in Winston-Salem on November 10, 11, and 12, 1997.

Respectfully submitted,
Dr. Harry Poovey

Quote from the Newsletter, *The Chrysalis*. During 1997, there were additional evidences of a "strong" church. The weekly Wednesday Nights Alive more than doubled in attendance. At this time supper is served, the young choirs meet, Mission Friends, GA's and RA's and Adults meet to study the Bible and create new interests in missions and life issues. Each Saturday finds a group of volunteers at the Mission to the B & M Trailer Park which is in its sixth year of service to children (and some adults) living in the trailer park. This mission serves many unchurched people who come for Bible study, recreation and refreshments. Sally Williams, Director of Weekday Children's Ministries (commonly called day care) has 75 children in her center every weekday. This ministry has achieved a AA rating (the highest rating given by the state of North Carolina.) In February, the ushers distributed approximately 200 ten dollar bills to those who wished to "invest" in their particular talent for six weeks to raise money for missions. On Easter Sunday, $8,681 was brought for the offering. The Wingate Baptist Church was notified in July that as a result of a sampling sent to a group of churches. Wingate was considered among the healthiest in the state. The sampling is based on a church's: Love for God, love for neighbor, ability to cherish its freedom, remember its past, celebrate its future, and enter it unafraid. The crowning achievement of the year was when a seven member team led by Dr. Jim Somerville flew to Johannesburg, South Africa to aid two small churches, Grace Baptist Church in Kempton and Ivory Park Baptist Church in the Ivory Park township. The group repaired, painted, held back yard Bible classes, preached (with the help of an interpreter) conveying the gospel of salvation to a very poor area of 400,000 people some of whom had never heard the good news. Staff changes included the resignation of Cheryl Lane as Education Director, the hiring of Walter Woodson as Interim, and the choice of Blythe Taylor, a graduate of Richmond Seminary, as Associate Minister.

Respectfully submitted,
Dr. Walter Woodson, historian

MEDIA REPORT

Approximately half of the churches in the association report having a media library director. These churches encourage their membership to read and to be informed through the use of their media libraries. A media library can be an evangelistic outreach for the church as well as providing spiritual growth for her members.

The associational media resource center exists to provide resources for the churches to meet the needs of their people. Churches are encouraged to visit the center and learn about the resources which they can check out to use. Six types of resources are available: books; reference materials to be used in the media resource center; audiovisuals; samples of current curriculum resources for Sunday School, Discipleship Training, WMU, Baptist Men, and Music; periodicals, and free helps. Some of the topics covered by the resources are the following:

Baptist beliefs	Church growth	Help in dealing with crises
Baptist churches	Cults	Missions
Baptist institutions	Discipleship Training	Spiritual growth
Bible study and teaching	Evangelism	Social problems
Child life	Family life	Worship

Help for programs, how-to information, and historical data for the churches and association can be found in the resource center. In addition to the media on the shelves, the association has historical information in its archives. The associational office personnel will assist you when you need help finding the resources you need to borrow.

The process of cataloging and classifying all the resources in the associational media resource center has taken several years. New resources are added monthly. Thank you for your patience as this work has been in progress. Hopefully, the card catalog will be ready shortly to assist you in locating the resources you need, and the resources will be shelved so that they will be easy for you to locate.

The associational media resource center is for your use in helping your church to win people to a saving knowledge of Jesus Christ and to help your membership to become what God intended them to be through spiritual growth. "Your (God's) word is a lamp that gives light wherever I walk" Psalm 119:105.

MISSIONS AND OUTREACH COMMITTEE REPORT

It is with great joy and excitement that we share the 1996-97 report. This year has been a year of excitement as well as some sadness. The joy has been the different visions coming true, the new church work, and the mission opportunities we have experienced this year. The sadness has been with the closing of a mission work, and saying goodbye to a staff member. But overall we celebrate the great work our association has done in carrying out the Great Commission. Each meeting has been full of excitement in hearing the report from the new church works and missions, and in meeting the vision and challenge God has given to us.

The following is an outline of some of the excitement, challenges, and sometimes, the sadness we experienced this year.

November 21, 1996	Received letter from Harvest Church requesting watchcare status.
January 14, 1997	Strategy planning meeting for Mission 2000 goals.
January 28, 1997	Committee voted and recommended to the association the acceptance of a loan/gift by a UBA member church to the association and the new church work. The committee also recommended to accept Harvest Church under watchcare status.
February 25, 1997	The committee was asked to brainstorm ways to help our association meet the needs of the homeless and needy families that inquire at the association for help.

SEMINARY EXTENSION REPORT

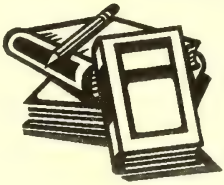
Union Baptist Association's Seminary Extension is completing its third year. Three classes have been taught.

During the spring months, a class on Ephesians and Philippians was offered. Rev. Osco Gardin, pastor of Elizabeth Baptist Church, Monroe, was the instructor. Nine people enrolled in the class. This was the Extension's first biracial session, and it was highly successful. This venture needs to be tried again.

In September, two classes opened. A study of Revelation was directed by Dr. Walter Woodson. Eight students participated. Dr. Dennis Burton led the class, *Leader Training for WiseCounsel*, with 15 people enrolled.

Plans are now underway for other courses in the spring of 1998. More qualified teachers are needed to expand the curriculum.

Respectfully submitted,
Dr. Walter Woodson, Jr.,director



STAFF RELATIONS COMMITTEE REPORT

Our committee has worked closely with the Director of Missions and the Association staff in the furtherance of the Association's goals. We have periodically reviewed the performance of Association personnel. Our Director of Missions and staff worked closely with our committee as we faced a budget deficit earlier this year.

We have reviewed staff positions and salaries and have recommended modest increases for the upcoming budget year. We have continued to evaluate the scope of each staff member's job description in order to meet the goals as well as the complex challenges facing our association.

We have a dedicated and committed staff for whom we should all be grateful. We ask for your prayers and support as they continue to assist in all aspects of Association ministries.

SUNDAY SCHOOL REPORT

SUNDAY SCHOOL . . . What picture comes to mind when you read those words? To most of us, we think of an hour on Sunday morning at the church. Sunday School to some may be a teacher with her young students sitting around a table coloring a picture or a room full of adults with a coffee pot in the corner.

What comes to mind when you see the words **Bible Teaching/Reaching Ministry**? Is it the same image? I didn't think so. Nevertheless, Sunday School and the Bible Teaching/Reaching Ministry of a church is the same thing.

Titles or labels can often affect how we see or perceive things. We are aware of this when we invite people to Bible study rather than Sunday School. It is the same thing, but we don't want people who do not hold the Sunday School in the same high esteem as we do to be turned off by any negative image they may have of it.

The ACTeam has changed our title from ASSIST (Associational Sunday School Improvement Support Team) to ACT (Associational Consulting Team). We are still the same, only now we have a different title. We hope this title will help communicate to the churches that we want to be a resource to help you in your Bible Teaching /Reaching Ministry. We will come to where you are and help in the area of need that you have. We still want to have training conferences as we have done in the past, but we no longer see this as our primary task. We feel churches will benefit from this strategy. The ASSISTeam in the past has always done consultation. The difference is that the ACTeam seeks to shift the focus to individual churches and their needs.

Speaking of going to where the need is, our Sunday School theme for 97-98 is *Carry the Light..Follow Christ's Example.* This theme challenges us to take the light of the gospel to those who are in the darkness of sin. Churches can go to them through their Bible Teaching/Reaching Ministry. What better example of going to where the need is than the example of Christ. Let's follow His example and . . .
Go Get 'Em!

WOMAN'S MISSIONARY UNION REPORT

"For we are partners working together for God, and you are God's field."
I Corinthians 3:9

Hand in Hand, our 1996-97 theme certainly focused us on working together with God and ourselves. As a result we see God's hand at work in our world, tearing down barriers of race, culture, violence, and apathy. We can see God's hands at work in our personal lives and through our lives.

Thank you for the children's hands you have held, the elderly hands folded in prayer with you and the hands who have fed the hungry and built homes for the homeless. This past summer I was able to work with some children in my church and some in a low income apartment complex. It was very exciting to see the children learning about God and see the difference He was making in their lives and mine. Children love so freely, regardless of race, culture, social or economic status. As adults we could learn a lot from them. I hope you will continue to promote child advocacy in your churches and in your world. Our 1997-98 Project HELP is Culture Diversity. Begin now searching for ways to minister to those around you with culture differences.

We were blessed this year to have Barbara Joiner as our guest at our annual meeting held at Morgan Mill Road Baptist Church. She shared ways she has been able to minister to Acteens and youth through humor and loving enough to become personally involved.

In November, 1996, we again joined our hearts and hands with our black sisters for Baptist Women Day of Prayer. This year the Baptist Women Day of Prayer event will be held at Lee Park Baptist Church at 7:00 p.m. on Monday, November 3. All are welcome.

December was time to assist the UBA Prison Committee with cakes and gift boxes. We provided gift boxes for the Union County Jail also. Billie Hutchison and I were able to go the prison Christmas party and talk with some of the inmates. They were very thankful for your support, especially the cakes with icing!

In April we again provided the food for the Day of Fun at Wingate University for Special People. The 1997-98 Mary Blair Scholarship recipients are E. A. Lynn and Heather Stone.

In 1997-98, *Come Go with Me* as WMU continues to share Christ's love to the world around us. We can make a difference, one life at a time.

Angie Riggins, director
Billie Hutchison, assistant director

AMERICAN BIBLE SOCIETY

As individuals, it would be impossible for any of us to share the Gospel with all the people living in the United States who have not yet heard the Good News. What about the billions of unreached people in the world? Yet, our witness can be multiplied through the financial support of such organizations as the American Bible Society. As ABS makes available and distributes Scriptures, unreached and hurting people have the opportunity to respond to the Gospel.

The purpose of the American Bible Society "is to provide the Holy Scriptures to every man, woman, and child in a language and form each can readily understand and at a price each can easily afford. This purpose, undertaken without doctrinal note or comment, and without profit, is a cause all Christians and all churches are urged to support."

Some ministries in which the American Bible Society is engaged are the following:

- ***TRANSLATION***—translating God's Word into the many languages of people groups. The book of Luke in Gullah, the Sea Island Creole language, is a recent translation.
- ***DISTRIBUTION***—providing Scriptures for people who are eager to read God's Word. As a member of United Bible Societies, ABS helped distribute more than 31 million Scriptures in 1996. Much more needs to be done if everyone is have easy access to the Scriptures in a way that best suits their needs, whether it is a printed item, a CD-ROM, or an audio or video tape.
- ***BIBLE-A-MONTH CLUB***—providing desperately needed Bibles to the other half of the world who long to read Scripture in their own languages. More than 3 BILLION people have yet to own a Bible. Cost is $4.00 a month or you can contribute more if you desire.
- ***INNER CITY***—making available Scriptures for inner-city ministries, thereby helping restore hope to troubled, anxiety-ridden lives.
- ***CHRISTMAS IN SUMMER***—introducing needy children around the world to the Scriptures as ABS supporters make special gifts to provide Scriptures at Christmas for these children.
- ***PRISONERS***—changing lives through the power of the Gospel by making Scriptures available for distribution by prison chaplains and ABS volunteers at minimal cost.
- ***ANGEL TREE PROJECT***—bringing Christmas to children of prisoners through packages containing toys, clothing, and Scriptures. In 1996, supporters of ABS enabled Angel Tree to share with nearly 650,000 prisoners' children. Prisoners must request the packages.
- ***TRUCKERS***—using ABS volunteers who place Scripture Portions and Selections in truck stops to bring the Good News of Jesus Christ to our nations' often weary and lonely truckers.
- ***DISASTERS***—furnishing Scripture portions and Bibles for victims of disasters—floods, tornadoes, hurricanes, and other disasters.

Many people in the world are hurting. Hope for them is reading and/or hearing the life-changing message of Jesus Christ's redemption for each of them. Are you willing to multiply your witness through Bible and Scripture distribution? If so, secure information by writing or contacting the American Bible Society, 1865 Broadway, New York, NY 10023-7505, on the web at http://www.american bible.org, or telephone: 1-800-322-4253.

BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA, INC.

At the sound of a car in his grandmother's carport, Jason looked out the window, and was shocked to see his mother striding toward the house. She was angry, and Jason shouted, "Lordy, it's momma," as he ran to the back bedroom to call the police. Just 12 years old, Jason had lived in seven foster care homes and with his grandmother on and off since his father died seven years earlier. His mother's addictions cost her custody of her only son. For whatever reason, tonight she wanted him back. Out of control, Jason's mother broke open the door and kicked grandmother to the floor. She grabbed her by the hair and "slung me around by the hair of my head," grandmother says, remembering. Mother shouted for Jason to come out of hiding, and threatened to kill his grandmother. She grabbed a bottle, broke it, and held the jagged edge to grandma's throat, shouting that she would kill her if Jason didn't come out of hiding. Just then Jason's aunt arrived from a house next door, and held his mother's arms until the police arrived

Six years later, grandmother beams with pride for Jason, who overcame that tragic, traumatic start in life. Jason garnered academic, athletic and leadership honors in a steady stream at Tuscola High School in Haywood County and is starting college in August 1997 as a freshman at The Citadel. At Tuscola, he was captain and MVP of the track and cross country teams and a conference champion, vice president for his senior class, Cadet Colonel and ROTC commander in a group of 115 cadets, in National Honor Society, in the top 10 percent of his class, attended leadership events at Western Carolina University and Washington, D.C., and was a peer helper and peer counselor. At The Citadel he will study political science with a minor in military history and international affairs. He wants a military career as a fighter pilot, then to enter politics after retirement.

Jason credits Broyhill Home, his home since that traumatic night in his grandma's house. "All the accomplishments of my life have been made possible by Baptist Children's Homes," Jason said at his final awards banquet at Broyhill Home, where he received top honors for the second year. "Broyhill has made me into a young man with a future, who knows now where he is going and what he wants to do. They've opened the doors to enable me to do that." As for grandmother, who was desperate to find a place for Jason after the incident in her house, she prays "every night and I thank God every night that we have a place like Broyhill Home and Baptist Children's Homes."

Jason's story is repeated hundreds of times each year at Baptist Children's Homes of North Carolina. Not all are as dramatic but every one tells of a young person and a family at the end of an unraveling rope, and of BCH tying a knot in that rope and helping them to hold on.

At four residential campuses, six emergency care cottages, two homes for behaviorally troubled girls, a maternity home, a home for teenage mothers and their babies, therapeutic camping and model day care, 1,398 young people found help in troubled times last year.

During the past year BCH received $1.5 million through the Cooperative Program, and $724,000 through the Thanksgiving Offering. Total church gifts of $3.05 million comprised 25 percent of the BCH budget. In June 1997 BCH successfully completed the $10.1 million "Light Their Way" Campaign to raise money for operations, capital needs and endowment. Two major priorities of the campaign will be completed in early 1998; the Winifred Lindsay Education/Administrative Center at Odum Home in Pembroke, and the John D. And Amelia W. Johnson Cottage at Mills Home. A third priority, the Hubert M. Craig Lodge at Cameron Boys Camp, has been completed.

A new video "Families Under Construction" is available to promote the 1997 Thanksgiving offering, which has a statewide goal of $750,000, the largest ever. A model program for family preservation has been initiated at Mills Home in Thomasville. Two social workers are on staff to work intensively with families which are at risk of being separated, but who, with help, can overcome their issues and stay together. Thomasville Area Director Bill Scarlett also is initiating ways for churches and their members to be directly involved on campus, from tutoring, to cooking, to spending early evenings giving personal attention to residents to free staff for more intensive counseling.

Baptist Children's Homes' work was featured in November on "The 700 Club" and in December on CNN. BCH also adopted a missions statement this year, which is "helping hurting children, healing broken families." Wherever children are hurting and families are strained, BCH strives to heal.

THE BIBLICAL RECORDER

These are "watershed years" for Baptists! Analysts almost daily remind us that the radical changes in society and the erosion of so much that has been precious to us in our religious life is creating a time of major "transition" as we Baptists and other church groups face the 21st century.

The Biblical Recorder tries to tell the whole story with a focus on the many positive things people are doing in their churches and world missions, along with the crucial issues which cannot be concealed and ignored if we honor our heritage from yesterday and fulfill our mission for tomorrow.

There is no way to address these issues without correct and reliable information. The Biblical Recorder was born and continues to serve for that purpose. In the 164 years of state Baptist papers in North Carolina, never was the Recorder more needed than now for people to have the truth.

People are reading less than any time in recent history at the very time there is an increased number of publications and periodicals. It is true of secular publications, it is true of wholesome books from respected libraries, it is true of religious publication. We live in an electronic age, what some have described as an "information glut."

An informed Baptist is a better Baptist; no democracy, including our local churches, can survive long without an informed, involved constituency which makes decisions based upon accurate information from reliable sources.

The Biblical Recorder should be in every Baptist home in North Carolina. Your support as a subscriber and reader, coupled with your encouragement to others, will enable the paper to better serve the constituency with accurate and helpful information.

In order to save churches large amounts of money and to increase the readership of the Recorder, Church News Service (CNS) was launched in 1990. This system lets any congregation have their church news incorporated into the Biblical Recorder which saves staff time, postage and printing costs. Usually, for less than what it costs to produce the church newsletter, CNS gives the entire Baptist communication package to each family in the congregation. Recent and anticipated increases in mailing costs makes CNS a greater value now than ever before.

The paper deliberately focuses more attention on North Carolina Baptists with news, features and inspirational articles which will encourage individuals and churches in their witness and ministry. One sure way to conquer problems and overcome the barriers to effective witness and ministry is to have the facts, know the issues, and be adequately informed.

That is why the Recorder was born; that is why it serves today. For more information on how your church can subscribe or use CNS, contact:

CHRISTIAN ACTION LEAGUE OF NORTH CAROLINA, INC.

According to Dr. James Kennedy of Coral Ridge Ministries, approximately 6 million crimes are committed in the United States annually. Murder arrests of teens are up 92% since 1985; the number of 13 to 15 year olds arrested for murder nearly doubled between 1982 and 1992; 1.6 million cars are stolen each year; America spends $39 billion a year on police protection, $29 billion on prisons and $10 billion on legal and judicial costs for criminal cases; drunk drivers cost us $110 billion a year, and drug abuse costs $40 billion a year. With these alarming statistics, the Christian Action League of North Carolina is constantly working to restore moral and biblical principles to our state and nation through the legislative process and the public education system and by assisting communities in our state with local battles for civic and moral righteousness.

A. ***Christian Values***

- It was the pleasure of the Christian Action League to sponsor the Second Annual Christian Heritage Week in North Carolina, March 16-22. The League encouraged schools, churches and communities to recognize, commemorate and learn about the Christian heritage and history of our nation. We mailed information about a League sponsored essay contest to be written on America's Christian Heritage to all high schools (public and private) in the state and hosted an awards ceremony and banquet for the top state winners of that contest in Raleigh.

- Lobbied for and promoted SB 442, The American History Act. A bill that would allow public school teachers to read or display historical documents even through they contain religious references. This bill passed the legislature and is now a law.
- The League continued a project in 1997 to distribute copies of the Ten Commandments throughout North Carolina. To date, over 10,000 copies of these prints have been distributed.
- Promoted Sanctity of Human Life Sunday.
- Presented copies of Dr. Billy Graham's speech to the May 5, 1997 Joint Session of the General Assembly on audio cassette to members of the Legislature and offered copies through our newsletter. Dr. Graham was being honored for his tremendous worldwide contributions to religion, morality, racial equality and family.
- Promoted and worked for the passage of HB 511, Evolution Not Taught as Fact.
- Published *The Beacon* newsletter quarterly with circulation of 22,000. Kept concerned citizens informed on moral issues via e-mail, fax networks, church and civic club presentations.

B. ***Lottery***

Lottery proponents felt this was the year to bring a state-sponsored lottery to North Carolina. The League, through letters, e-mail and faxes, kept the Christian community updated on lottery information and encouraged its members to contact their legislators. The lawmakers received a barrage of letters and calls from across the state saying that the lottery was a bad bet for North Carolina. The League will continue to monitor this issue as the session nears an end, but as of today, the lottery seems to have been defeated for another session.

C. ***Sex Education***

Worked with other Christian and pro-family groups to see that the state mandate for Abstinence Until Marriage education was implemented state-wide. Also supported efforts to insure that federal grant money was used to promote abstinence education.

D. ***Abortion***

The League lobbied for and encouraged its members through Legislative Alerts to write in support of HB 303 and SB 536 (Ban Partial Birth Abortion), HB 594 (Fetus Death from

E. ***Homosexuality***

CAL supported efforts to strengthen the traditional family and addressed the radical homosexual agenda. Successfully lobbied against legislation that would have eradicated present NC law making homosexuality illegal. Offered the powerful and emotional video of Michael Johnston "On Wings Like Eagles." This video tells of Michael's 11 years in the homosexual lifestyle and his struggle between right and wrong and about forgiveness and grace. Michael is founder of Kerusso Ministries, an organization to help others struggling with this sin.

F. ***Alcohol***

Monitored all legislation concerning alcohol and other drugs. Successfully supported efforts to strengthen current DWI laws. Worked with communities in helping them set up an organization to combat liquor referenda. Lobbied against SB 838 (ABC Tourism Resorts Permits); SB 837 (Sports Club ABC Permits), SB 447 (Lumberton Economic Development District) and HB 651 (Interstate Economic Zones). These bills allow alcohol sales without the vote of local citizens. Provided awareness, education and resource materials related to substance abuse problems to churches, communities, etc.

G. ***Pornography***

Lobbied for SB 452 (Local Regulation of Adult Establishments) and notified citizens to contact their legislators and encourage them to vote for this legislation that would give local governments more control in regulating these establishments.

HOSPICE OF UNION COUNTY, INC.

Hospice of Union County, Inc. is dedicated to improving quality of life through a program of comprehensive and coordinated end-of-life services for terminally ill patients from all walks of life. Supportive services are provided to families prior to, during, and after a loved one's death. Pain management is a major goal. Dr. Sherwin Nuland of Yale Medical Center and author of "Before I Die," has said that hospice centers use drugs so effectively, they have a 93% "effective pain-relief record." His own hospital boasts only 60%.

Services are provided by a specially trained interdisciplinary team of professionals and volunteers. Hospice of Union County has three registered nurses who are certified in hospice care, a highly respected clinical specialty with approximately only 3,000 members nationwide. Other members of the team include medical social workers, certified nursing assistants, a pharmacist, medical directors, chaplain, and volunteers. Team members work together to develop a plan of care to relieve pain and other physical symptoms, as well as provide emotional and spiritual support to the patient and family.

Last year 186 patients received hospice services in their own homes or in Hospice of Union County's two hospice houses which are the only hospice houses in the greater Charlotte region. More than 6,700 visits were made to these 186 patients and more than 15,600 days of care were provided. Staff traveled almost 90,000 miles to care for hospice patients; volunteers added another 14,000 miles. More than $300,000 in free care was provided to patients for whom there was no source of reimbursement.

Approximately 75% of Hospice of Union County's $1.8 million budget comes from the following revenue sources:

- Medicare (47%)
- Medicaid (9%)
- Private insurance (6%)
- Patient fees for residential care in the hospice houses (11%)
- Grants (2%)

Remaining operational funds come from community support such as memorials, contributions, special events, and projects. In addition, the cost of operating fourteen residential beds in our hospice houses has made it necessary for the organization to conduct an annual giving campaign this year.

Volunteers are a vital resource for Hospice. Hospice is the only program in which Medicare regulations actually require that 5% of hours worked be provided by volunteers. Clerical volunteers perform office duties while patient care volunteers support the patient and family with such activities as transportation, errands, outings, respite care, wash dishes, listen, cut hair, give hugs, or just be a friend. These volunteers must complete a special 18-hour training course to prepare them for dealing with the issues surrounding death and dying.

Referrals may be made by patients, families, friends, or healthcare professionals. The patient's physician must certify the patient's appropriateness of hospice care. Basic criteria include an estimated six-month prognosis and patient's desire for care based on symptom and pain control rather than aggressive/curative treatment and heroic measures to sustain life. The patient remains in control of his treatment throughout, including the use of advance directives to make his personal wishes known.

Mrs. Charlene Broome, Executive Director

Meeting the Challenges of Health Care...

)SPITAL HIGHLIGHTS:

Since opening its doors in 1923, The North Carolina Baptist Hospitals, Incorporated has remained fully committed to the pose of carrying out a ministry of healing as taught by Jesus Christ. It is this Christ-like spirit that has led patients such Helen Keller to write: "When I was coming out from under surgery, they treated me with fine love, and I could feel it. I e been in places where it didn't matter how many times you pressed the call button, you would just lie there and wait, but nurses at Baptist Hospital always came right away. If I ever have to go back to a hospital, this is where I would come."

)tist Benevolent Care Fund

Baptist Churches from all across North Carolina joined us in mutual mission through the Mother's Day Offering. This ual ingathering of love was approved by the Baptist State Convention of North Carolina in 1924. In 1996 the MDO)unted to $456,497.00. It was used exclusively to help patients who had little or no health care insurance or other ncial means to pay their hospital bills. From this past year's offering, over $200,000 was used to assist members of our tist Churches. May God bless all those who gave so generously.

ision of Pastoral Care

During the year the Chaplains and Staff of the Pastoral Care Department provide worship services in Davis Chapel on nday, Wednesday, Friday, and Sunday for patients and family members. The Pastoral Care Department staff supervised tudents during the year. They made more than 50,000 ministry contacts, an increase of 10% over the previous year. CareNet, Inc. continues to grow. There are now 13 counseling centers located in strategic areas across the state. During year these centers will provide over 26,000 hours of counseling.

The Center for Congregational Health, Inc., continues to expand its assistance to ministers and churches. Programs and stance offered to churches include Consultants and Intentional Interims working with churches as they face the lenges of today. The Young Leader's Program helps in leadership development, and the Clergy Wellness Program, ning Point, is designed to foster a holistic growth-approach to the individual minister's life calling.

Points of Emphasis and Progress:

- J. PAUL STICHT CENTER - In April the J. Paul Sticht Center on Aging and Rehabilitation opened the doors of a new 240,000 square foot state-of-the-art building. Here services are provided to older adults. These services include a geriatric assessment clinic, Acute Care for the Elderly clinic, Alzheimer's disease and memory disorders clinic, osteoporosis clinic, geriatric gynecology clinic, a women's health center, education services, and a legal clinic for seniors. It houses a true "Day Hospital" for seniors - the first in the state - which provides therapy, examinations and rehabilitation as day-time treatment, eliminating costly overnight stays.
- COMPREHAB - On November 4, 1996, the doors were opened to The Medical Center's new CompRehab Center. The 70,000 square-foot building houses a full spectrum of physical rehabilitation and related clinical services, including a Sports Medicine Center, Foot and Ankle Center, The Hand Center, Outpatient Physical Therapy Center, Spine Center, and the Neurorehabilitation Center.
- TRAUMA CENTER - The Medical Center has the only designated Level I trauma center in Northwest North Carolina. In the trauma center our goal is for the patient to be in an operating room 10 minutes after arriving at the Emergency Department. Surgeons, anesthesiologists and staff remain on duty 24 hours a day to handle such emergencies.
- TOPS IN RESEARCH - According to a report in the February issue of *Applied Clinical Trials,* Bowman Gray School of Medicine ranked in the top 10 U. S. Clinical research institutions.
- QUALCHOICE - Established by The North Carolina Baptist Hospitals, Incorporated, The Bowman Gray School of Medicine, and Wake Forest University, this managed care plan provides quality health care and patient physician choice. QualChoice is now able to offer coverage to ministers and church staffs.
- WEB SITE - You can learn more about The North Carolina Baptist Hospitals, Incorporated by checking us out on our Web site at: http//www.bgsm.edu. Here you can find helpful information about nutrition, research, and the division of Pastoral Care.
- HEALTH ON-CALL™ - Need a physician or answers to questions about health topics? Dial (800) 446-2255. A registered nurse will take your call and help you select the right physician, answer your questions, provide information or mail printed material to you.
- SWITCHBOARD - Assistance and information can be obtained by contacting one of our helpful and courteous switchboard operators at (910) 716-2011.

A CLOSING WORD: In the midst of changing health-care norms, we will not deviate from the mission entrusted to us by the Baptist people of North Carolina. We stand fully committed to excellence and compassion, and remain visionary as we face the demands of the health care market. Under the providence of God, we will continue to find the ways and means to be successful without compromise.

THE NORTH CAROLINA MISSIONS OFFERING

Most of the North Carolina Missions Offering supports projects in the 80 associations (covering all 100 counties) across North Carolina. Many North Carolina Missions Offering projects are actually association/state missions programs receiving money and leadership support from both the Baptist State Convention and local associations.

For example, the Union Association received approximately 10 percent of the 1996 special offering collected in the association. Last year (1996), $2,980.94 of the $30,108.10 collected from 37 of the association's 76 churches and missions (listed below) was sent back to the association.

In addition to the money sent directly to the association, other offering monies were used in 1996 to finance mission projects in the association. Additional monies, received were used to fund Black Church Extension, Bivocational Ministries and Language Conferences.

In 1996, the North Carolina Missions Offering also supported NC Woman's Missionary Union, NC Baptist Men (Brotherhood), and many of the Missions Division's vital ministries. The Number of individuals in the Union Association who participated in these groups in 1996 includes:

7 Boys to Camp Caraway
6 People to Christian High Adventure
8 Medical/Dental Van Volunteers
56 Medical/Dental Van Patients
1 Person to NC Baptist Men's Convention

UNION COUNTY CRISIS ASSISTANCE MINISTRY

The primary objective of Crisis Assistance Ministry is to meet the basic needs of individuals and families who fall between the cracks in qualifying for help from other sources. We concentrate on helping the working poor and the elderly. This service is provided on behalf of the religious/civic organizations and individuals of Union County.

Crisis Assistance Ministry provides limited financial assistance for emergency situations by paying rent, lights, heat, or water for persons in crisis. We also keep persons at home and out of the hospital by meeting the prescription needs of the community, in particular the working poor and their children and senior citizens.

The administrative costs for Crisis Assistance are covered by United Way. This arrangement allows 100% of the contributions from churches, civic groups, and individuals to be used to help people in need.

Not all persons referred to crisis Assistance receive financial assistance. The client must be in a crisis (not chronic) situation and must be able to maintain his basic expenses once the crisis has passed. All information is verified and payment is made directly to the entity owed.

For the most recent quarter (July-September, 1997) the number of people seeking assistance has risen substantially. During that period, we assisted in 109 cases for a total of $20,208. If this trend continues over the coming year, Crisis Assistance will have provided assistance for many more individuals and families than ever before.

Many Baptist churches referred clients to CAM during 1997. The following Baptist churches in Union County also contributed financially: Monroe-First, Shiloh, Wingate, Mt. Harmony, and Covenant.

During 1997, Crisis Assistance created an Appliance Ministry which utilizes volunteers to assess problems and repair refrigerators, air conditioners and stoves. We are also meeting with the Department of Social Services (WorkFirst) to create new ways to assist people in their transition from public assistance to equitable employment.

HILLCREST BAPTIST CHURCH

Rev. Larry Harrison, Pastor

Hillcrest Baptist Church started in 1955 as the Helms Chapel Baptist Mission. In 1964, the name was changed to Hillcrest with Reverend Marvin Mills as pastor. In January 1965, Reverend Donald Lisk became pastor. The church, a white frame building, was moved in 1967 to the current church property.

In 1970, a new Sunday School building was constructed, and an auditorium was added in 1971. Hillcrest was blessed with continued growth, and land was purchased for a pastorium, which was completed in 1974. Thirteen acres were added to the church property in 1976 to be used as needed.

February 1978 saw the beginning of a second new sanctuary. It was completed in 1979 with a seating capacity of 500. A playground was constructed in 1981, and a fellowship hall in 1982.

Remodeling has been done on several areas of the church including the church library, the addition of a pastor's study, and renovation of the playground. A church bus was purchased to be used for senior citizens, youth groups, and Sunday School classes.

The Hillcrest Baptist Church Rest Home was constructed in 1994 and now has 20 residents.

Reverend Donald Lisk and his wife, Lillian, worked tirelessly and fruitfully at Hillcrest for 32 years. In April of 1997, Reverend Lisk retired, and a new pastor, Reverend Larry Harrison, was elected to serve at Hillcrest. Reverend Harrison and his family came to Hillcrest on April 13, 1997, from Tallahassee, Florida and are faithfully leading Hillcrest forward.

Our present membership is approximately 466, and our prayer for our congregation is that we remain steadfast in our commitment to God and each other as an humble, dedicated people spreading the gospel in our community.

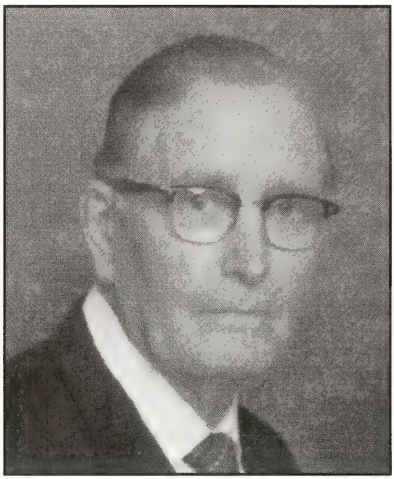
In Memory of
Rev. Brady Lee Connell
1907 - 1998



Rev. Brady Connell was born in 1907 in Union County. He and his wife Verla, of 57 years, entered the ministry when he was thirty-eight years old. His father, I. A. Connell, was the clerk of the council of Baptist Churches for Union Baptist Association. He always took an active part in the life and ministry of our association. He served our association as pastor at South Monroe Baptist Church, Austin Grove Baptist Church, Hartis Grove Baptist Church, and as Association Pastor at Benton's Cross Roads Baptist Church after his retirement. He served many Union Baptist Congregations as interim pastor, including: Sandy Ridge, Roanoke, Trinity, Midway, Euto, and Hamilton's Cross Roads. Brady also served as pastor to congregations in Pageland, S.C., and Wadesboro, N.C. He is fondly remembered for his passion for home and foreign missions and his warm and loving heart. Someone has said, that if it were possible to summarize Brady's 91 years in one sentence, perhaps it would be: "The life of a humble man totally committed to greatness in the Lord did make a difference!"

In Honor of Rev. Vance Edwards
and
In Memory of Mrs. Kathleen Edwards
1917 - 1998

Rev. Vance Edwards was born in 1915 in Union County, as was Mrs. Kathleen Nance Edwards in 1917. They were married in 1933 and entered ministry after marriage. Kathleen was known for her enthusiasm and determination. Her commitment to support her husband in ministry is remembered with deep appreciation by the congregations they served. She was a member of Benton's Cross Roads Baptist Church. She had a love and commitment to GA's, and at her eightieth birthday celebration two of her former GA's shared what having her as leader had meant to them. Later in life you would find her on Monday's at area nursing homes spreading joy to the residents. Nothing short of a catastrophe would keep her away. Since Kathleen's death, on June 29, 1998, Vance has taken on her mission to the nursing homes and shut-in's continuing to share the same joy with them as did Kathleen.

After his call to preach, Vance attended Fruitland Bible Institute and served as pastor for eleven different congregations for forty-six years. He has served as an interim pastor twenty-one times for churches in Union, Stanley, Anson, Mecklenburg and Cabarrus counties, and says he will preach until he dies. He is best known for his concern for the unsaved. He is never to shy or self-conscious to approach even strangers to share the gospel. Vance has always been willing to serve a church or the association without hesitation.

In Memory of
Rev. Julius Digh
1913 - 1998

Rev. Julius Digh was born in Rutherford County on May 9, 1913. It was at Mt. Lebanon Baptist Church that he accepted Christ as his Savior. He loved the beauty of God's creation and enjoyed all that the creator had made. He truly knew what it meant to walk by faith and he believed in the power of prayer. Many lives will never be the same because he took the time to pray for them. He met Pauline at the Baptist Young Peoples Union and they were married for fifty-three years. After her death, God brought Nan into his life for ten wonderful years of marriage.

He served in Union Association as pastor at Oak Grove, Olive Branch, Philadelphia Union, Benton Heights, Sandy Ridge and Roanoke. He also served congregations in Charlotte, Albemarle, Tradesville, Lancaster, and Pageland. He served the Wilson Grove Congregation in Charlotte as their pastor three different times. He served numerous churches as interim pastor. Those in Union Association were: Benton Heights, Hamilton's Cross Roads, Mountain Springs, Fairfield, Trinity, Mt. Moriah and Sandy Ridge.

Julius will long be remembered for his gentle spirit, as well as his love for people. He was a faithful servant who, even in his death, sought to encourage people while at Hospice as a patient.

The Baptists of this Association came directly from the efforts of the early Christian workers of Wales and England. Their first settlements were in Old Welsh Neck section in South Carolina and Old Sandy Creek section Chatham County. Union County Baptists came from Old Welsh Section. The Welsh Neck Baptist Church was organized in 1738. In 1793, Lanes Creek was organized about two miles west of Philadelphia Church. This Church was the stock of the Welsh Neck Church. The churches that came out of the Welsh Neck Church organized into the Moriah Association in 1815. For convenience of the North Carolina side of the Moriah Association, the Brown Creek Association was formed in 1854. In 1885, the name of Union Association occurred. The association submitted Article of Incorporation, which were approved with non-profit status on December 31, 1991, in the name of Union Baptist Association of Union County, North Carolina by the Secretary of State, Rufus Edmisten. These Articles of Incorporation were recorded on February 4, 1992, Book 538, Page 295, in the Union County Register of Deeds office.

15. He referred to the Year 2000 computer problem that is anticipated due to a programming glitch. He ask, "What has this to do with the church and Union Baptist Association which is one of the fastest growing counties in North Carolina?" The same way the computer technology has changed, the way people view the church has changed. The new millennia will bring to us new opportunities and new ways to witness and to reach out to do ministries. The message will not change, only the methods used. We have many areas in Union County that are changing; population, culture, worship, industry, entertainment etc. Will we be ready to change to fulfill the great commission and win this community that God is sending us to Christ? Some ways we may need to change include reflectance ministry - (1) recognize the need and meet it, speak their language; (2) try new things - so what if you fail, shame on you for not trying, be radical if necessary; (3) remember our purpose - remember what we are suppose to be about; and (4) let go of the past traditions and conditions - look past those and toward the real issue. Prepare to "bug out" (get all th

essential elements of our faith, our experiences, our traditions and bring them along and prepare to leave everything else behind) your church. Re-focus your mission and purpose. Dr. Danner closed in prayer.

Benediction - Moderator Brooks closed the 144th Union Baptist Association Annual Session with prayer. Meeting adjourned by common consent.

Total attendance registered for the 144th Union Baptist Association Annual Session was 249 (34 Pastors, 169 Messengers, and 46 Visitors).

Respectfully submitted,
Mrs. Christine L. Surratt

Bivens / Funderburk Church Award for Missions Excellence - 1998

Presented at the Union Baptist Association Annual Session, October 27, 1998

The church we recognize with this year's Bivens-Funderburk Award for Excellence in Missions has a broad base of missions involvement. From sponsoring Belarussian children to missionaries in Thailand...from purchasing hymnals for use in the Ukraine to funding bridge replacement in the North Carolina mountains...From building a Habitat for Humanity house to helping fund the land purchase for our own *El Buen Pastor*...From working with a local group home to hosting Meals on Wheels, a daily nutrition for the elderly programs...From contributing to a South African church building project to conducting Backyard Bible Clubs and block parties for low-income housing residents...From cooperating in Baptist circles to widening the missions circle to including other denominations and races.

This is just a partial listing of the missions activities of the church family we recognize this evening. For their spirit of cooperation and sharing and leadership in the community, as well as their dedication to missions, we are pleased to present **First Baptist Church of Marshville** with this year's Bivens- Funderburk Award.

Bivens / Funderburk Award for Missions Excellence - 1998

Presented at the Union Baptist Association Annual Session, October 27, 1998

Our individual recipient of this year's Bivens-Funderburk Award for Excellence in Missions isn't an individual at all - it's two people. Let me explain by asking a few questions. How can you say that replacing a washed-out bridge is more important than replacing a blown-away roof? How can you say that doing hurricane disaster recovery in North Carolina is more important that doing hurricane disaster recovery in Puerto Rico? How can you say that leading men in disaster relief training is more important than leading

women in disaster relief training? By now I hope you see our problem. There is no way to recognize one member of this missions team without recognizing the other.

For their work at Austin Grove Church, God's Men on Mission, Union Baptist Association and across North Carolina and North America...And for their tireless and sacrificial way of showing all of us what "hands on missions" is all about...we are pleased to present this year's Bivens-Funderburk Award to **Billy and Beddie Tarlton.**

One of the families selected for a home was chosen due to the intentional ministry of Wingate Baptist Mission. UBA will sponsor this home for the eleven-member Blount Family and the council has designated that the session offering, to be collected later, be used toward assisting with the initial funds required from the

family in order to qualify or toward assisting with the furnishings for the new home. She stated that the Senior Adult Revival will be held at Lee Park Baptist Church, Mar. 17 & 18, with Dr. Jack Causey as our guest speaker. In regards to the Literacy Program, Ms. Lilia Montero, a member at Wingate Baptist Church, has agreed to teach beginner Spanish at the association office in March to better enable tutors to assist with English as a second language classes. Director of Missions: Dr. Dennis Burton, Director of Missions, addressed the following issues:

Pastors and staff may pick up a current UBA Directory at the front following the meeting if you have not already received your copy.

The UBA Council is asked to meet at the front briefly following the session.

Many mission opportunities have been shared tonight. Nobody can be involved in everything, but we know there is something that has been mentioned tonight that it may be God's will that you and/or your church be involved in.

Dr. Burton read a note of appreciation from Rev. Ken Lida who is recovering from his back surgery on Saturday. On Jan. 24, over 115 men and women from 15 UBA churches worked on construction of a new 5,200 sq. ft. sanctuary for Covenant Baptist Church. The church was overwhelmed by the "generous and committed outpouring of love and labor for a sister church." Rev. Lida requested that the "mission-hearted churches" who came be recognized: Mt. Hamony, Covenant, Midway, Hermon, Central, Mt. Pleasant, Trinity, Mary Elizabeth, Euto, AME Zion, Austin Grove, Christ Covenant, Ebenezer, Carmel Baptist (Charlotte). Another workday is scheduled for Saturday, January 31.

Dr. Burton requested prayer for Ken Lida and also Mr. Ed Haigler, who has recently been diagnosed with cancer.

Dr. Burton reminded pastors that March would be Community Recognition Month and UBA needs confirmation from the churches planning to participate. He stated that at the last count, there was a potential for 6,000 visitors in our churches in March.

The April Session will be held at Philadelphia Baptist Church.

Dr. Burton reminded the association that last year a special request was made due to a struggle to meet expenses with contributions through the budget. The association responded by giving a little over $200,000 for a 25% increase. This met 91% of our budget which was the closest in several years. We look forward to the continued support with hopes to reach 100% of the budget this year.

Dr. Burton announced to the association that Ann Grayson has resigned as secretary and accepted a new position as a sign language interpreter in the school system. She will remain as clerk, but the association bids a partial farewell and extends best wishes for the new opportunities opened to her.

He promoted the interfaith training to be conducted by Rev. John Green, certified as a leader by NAMB to teach witnessing to cults and other religions. He encouraged participation in these training sessions as we prepare to go to Salt Lake City for the Southern Baptist Convention, Jun. 9-11.

Dr. Burton stated there were more than 170 present for the session this evening.

The expense of this consultation will come from the current budget of t association without an additional cost—the total shall not exceed $3,500. Dr. Burton st ed he had speculations as to what the UBA staff might look like in the year 2000. I emphasized that the association is owned and created by the churches it is compiled The mission ministries require the support of all the churches. He stated there were t philosophies regarding the associational leadership: 1) The association provides inform tion, programs, and challenges dealing with missions and request support for spec needs. 2) States that the mission and vision of the association belongs with the church Our association is very action oriented, but the budget is basically flatlined. He posed t questions that we need to answer. "Why, other than messengers, are the people in c churches not knowledgeable on UBA ministries. What areas are important and how c the association better assist the churches." He added, if UBA churches help set the visi then they will support this process. The recommendation passed.

He encouraged every church involved with a mission trip or event this summer to submit a brief written report to the association office stating where they went, how many involved and what results were seen. This also includes churches involved with Habitat for Humanity houses.

An update was given on the consultation teams being organized. There are four teams in place (3 teams of laymen and 1 team of pastors). They hope to begin early next week calling and visiting pastors. The purpose is to find out pastor's visions, dreams, what God is doing in their work, etc. and what the association needs to do to partner with them in missions. Dr. George Bullard, an authority on denomination life and relationships, will meet with the consultants and strategy team and help compile and translate the data received by each team, telling us (the association) what we need to do in order to be relative and in partnership with the churches and the congregations.

CENTS CORPORATION REPORT

Union Baptist Association began financial support of CENTS Ministries in 1997 with love gifts. At the beginning of January 1998, we had assisted 98 families through a termination crisis in their lives. Since then, support donations of UBA and individual churches in UBA and others have allowed us to have now served 180 families, 82 since January 1, 1998, which consistently averages 8 per month (180 divided by 22 months, or 82 divided by 10).

We have averted suicide, divorces, home foreclosures and auto repossessions. We have paid providers for medical treatments about to terminate without payments and improved the quality of life for their children. Last Christmas, we carried Christmas gifts to children of 14 families that would not have had Christmas otherwise. What a Christmas we had sharing the love of Christ. We have already scheduled to do the same this Christmas.

We have heard back from 53 pastors that are back in some church-related position winning souls to know our Lord, changing lives and challenging Christians to live Godly lives. Those remaining are still working secular jobs allowing themselves and their families time to heal from the trauma they have experienced. The latest pastor is accepting a call from the International Mission Board to Copenhagen, Denmark.

During 1998, we tested the offering of several services listed in our brochure. While we believe all of these are important, we believe that we are still a very young ministry and that some of these areas are areas for future expansion. Therefore, we have refocused on our original goals of Job Search Assistance and limited financial aid. For assistance in these other areas, for now, we are referring families and churches to other assistance.

Daily, we call on individuals, businesses, churches and other groups such as Associations, Synods, etc. to make necessary donations. We have worked just as hard, if not harder, to get Job Services donated as we have for pure financial donations. We have asked all donors if we could publish their names in recognition of their support. However, since 91% asked to be anonymous, we have elected not to publish anyone's name. We have received cars donated to families and many services. **Thank you, UBA, for your help to continue this ministry.** We trust that you (all messengers and members of Union Baptist

Association) will find our work worthy of continued support, **and, if at all possible, perhaps increased support** to help reach others.

Respectfully submitted,
Don G. Mullis

We are very excited about additional special ministries planned for the 1998-99 year, like

UBA Acteen-sponsored "Transforming Union County Day" on November 14, BSU - 75 (a mission and ministry effort of NC Baptist Student Unions which comes to Union County in March 1999), and our first-ever summer day camp for at risk children. CONSTITUTION AND BYLAWS COMMITTEE REPORT

The Constitution and Bylaws Committee met several times in 1998 to present two constitutional changes which have been adopted by the association.

1. The first bylaw change was the creation of the Baptist State Convention Agency Committee. This committee combined several committees into one and provides information regarding the schools and agencies of the

Baptist State Convention to our member congregations.

2. The second bylaw change was a recommendation that the clerk's position become a contractual relationship rather than a staff position.

Appreciation is expressed to each member of this committee for the many hours of effort given to these recommendations.

DIRECTOR OF MISSIONS REPORT

The State of the Union 98

It hardly seems possible that another year has come to a close for the association, but time, like most things in life, does not stand still. For that matter the association has not stood still. In many ways we have moved forward to meet the challenges God has placed before us. In a few ways, we have moved backward in facing those challenges.

Let's begin by looking at the areas we are losing ground in our efforts to achieve God's call for us as a people.

First, the sheer numbers are staggering when you look at Union County this year. Nearly 28% growth has been experienced by the county to be followed by 53% over the next four years. That will place our population at near a quarter of a million. (Up from 83,000 just five years ago). In 1994, one in four persons in this county was a member of one of our congregations. Today one in five is a member of one of the UBA churches. In five more years, it will be one in seven or eight. We <u>are not</u> reaching our community. Even with the new church starts we have experienced, we are failing to effectively impact the thousands who are coming here every year.

Second, we are still struggling to meet our basic budget needs. The staff is struggling to hold costs in line with income, but it becomes increasingly difficult as expenses and challenges mount. We need the support of our member congregations and a true partnership with them in being an effective instrument of God's grace to our world.

Third, the sense of unity among our churches, people, and pastors still faces a large challenge before we are truly working together. It is far easier to go it alone than to see the vision of working together and accomplishing even more for the Kingdom. Perhaps this is our greatest challenge: to become a focused visionary people, led by the Holy Spirit and committed to the Lord as well as to each other. What can we accomplish for the Lord if we can achieve this?

There are some wonderful reports of the victories and successes God has given us this year.

First, there is a terrific growth in mission consciousness in many of our churches. Many have sent mission teams all over North Carolina, the nation, and to several different countries. Several have built homes for the poor. Many have raised money, food, clothing, and school supplies, and these efforts have gone around the world. Men's , women's, and youth mission groups have been created or found new life in a dozen or more of our UBA churches. The list is endless, and it expresses the true heart of UBA members in their love for a broken world.

Second, several of our churches have been recognized for a record number of bap-

isms, mission giving, outreach programs, and specialized ministries. There is a growing ense of purpose in the hearts of our people. One new area of ministry that is developing or some of our churches is the area of after school care. Several new families are being eached through this work.

Third, conflict and problems seem to be lower than it has been in years. Many of our churches are learning to deal with their differences by constructive and healthy means, ather than by destructive and divisive ways.

Fourth, we are engaging in a consultative process that is both healthy and productive in helping us to understand and define our relationship together. Preliminary eports indicate a very positive and excited perspective on the part of our churches and astors.

et me take a moment to express my personal appreciation to every council member, committee chair and member who has worked so faithfully and hard this year to help the association grow and develop. Without you, there would be no association. Your service and inistry is an offering of love to the Lord. Thank you.

look forward to the opportunities for mission and ministry available to us in 1999. This ear could be the greatest in the history of Union Baptist Association. The choice is ours. he door is open. Let's join together in commitment and vision to fulfill the "challenge set efore us."

lessings on you and your congregation.

DISCIPLESHIP TRAINING REPORT

deally, every member of a church would be involved in Discipleship Training. This is a orthy goal, but probably not very realistic. It is sad, but true, that some people do not ant to grow spiritually.

or all who want to grow spiritually, there are five main approaches to Discipleship raining:

- ***On-going-group***—The same core group of people meets indefinitely. A variety of subjects and resources may be studied.
- ***Short-term study***—People belong to the group only while a study is being conducted. A variety of subjects may be studied.
- ***Support group***—Group forms to help people deal with personal or emotional needs in a confidential and supportive setting. Group normally disbands after a period of time.
- ***Individual study***—Persons, who cannot or will not participate in group studies, study alone.
- ***One-on-one study***—More mature or experienced person (encourager or men tor) helps someone learn in a semi-private setting.

Which of these approaches will meet the discipling needs of your church?

The number of churches in the association reporting Discipleship Training and the number of individuals participating continue to increase.

On March 30, 1998, the associational Bible Drills for children and youth were held at the First Baptist Church of Monroe. About 25 children and youth from six churches participated. One youth ably presented her speech in the Youth Speakers Tournament. The proficiency of the participants demonstrated their zeal in learning to use the Bible effectively and the dedicated work of their leaders. We are grateful for the church leaders and for Mrs. Sara Humphries, the associational Bible Drill leader, for their commitment to Bible Drill work.

Each church in the association is challenged to have at least one Discipleship Training event during the coming year.

GENERAL BOARD REPORT

1998 has been a stellar year for the Baptist State Convention of North Carolina. A brief list of signal events are:

1. Dr. Jim Royston, our newly elected Executive Director-Treasurer, has proven to be an excellent choice for that position.

2. Financial support has been excellent with monies received higher than previous years. The challenge budget was met and extra funds were distributed to our various agencies. Because of this, Fruitland could move forward in constructing much needed library.

3. The Commission on Cooperation, co-chaired by Dr. David Crocker and Dr. Gre Mathis, has been meeting and report positive progress across the state.

4. The Plan D study committee, the committee charged with studying the possibility of a fourth plan for financial support to the State Convention, has been meeting and will report its findings and recommendations in November at the annual meeting in Winston Salem.

Thankfully, the Baptist State Convention of North Carolina is one of the more healthy state conventions in the nation because we are making a conscious intentional effort to work cooperatively together. Our prayer is that we will continue to do so. God will be honored and the Kingdom of God will prosper.

Many, many more things occurred. These are the watermark events. Our prayer is that every UBA church will have messengers in Winston Salem in November.

MEDIA REPORT

Since we live in the Information Age, Christians need to gather knowledge from available resources and turn it into disciplines that will allow us to accomplish God's will in our lives. It is our hope that the people of the Union Baptist Association will use the resources available in their own Media/Library at their church as well as the resources available at the Dr. Marian Hume Media Resource Center at the UBA.

This Media Resource Center provides materials for UBA churches to use. Materials available include Reference Materials; Periodicals; Books; Audiovisual Materials; Curriculum Materials for Sunday School, Discipleship Training, WMU, Baptist Men, and Music.

All materials in the Media Resource Center have been cataloged. The Card Catalog will help individuals locate the materials that they need. New materials are cataloged as they arrive.

Many of the churches in the association have a Media/Library. In addition to providing materials for Bible Study, Discipleship Training, Missions, Worship, Evangelism, etc., they also provide good materials for family recreation.

Christian Media Centers can be an effective ministry to bring individuals to Christ and disciple believers to be better equipped to serve Christ.

SUNDAY SCHOOL REPORT

Building a Great Commission Sunday School is very important to any churc that desires to reach and win people for Christ. A Great Commission Sunday School is dr ven by God's purpose, going in God's power to people with God's promise. The objectiv being to reach all the world with the good news of salvation through Christ, startin where you are and using the resources that God has given you. The Great Commissio Sunday School must have a sense of urgency to accomplish the task. The "Go Ye" shoul be interpreted "Go Now." I am sure every church would like to have a Great Commissio Sunday School.

This year the ACTeam has provided Union Baptist churches several opportunities t find help and secure resources to support them in having Great Commission Sunda Schools.

In May we had a Sunday School Revival. We used the facilities of Sandy Ridge Bapti Church. Leon Kilbreth was the visiting evangelist. Leon is known across this country a "Mr. Sunday School." Spend an hour with him and you will know why. Many years ag Leon realized that Sunday School work is first and foremost a spiritual endeavor, and h started doing Sunday School revivals which challenge Sunday School workers spiritual What a blessing he has been to participating churches.

The VBS clinics had the highest attendance in a number of years. We have tried make the clinics as helpful and informative as possible. The two clinics were repeats, gi ing VBS workers two opportunities to attend.

The ACTeam has also had opportunities to consult with individual churches that ha contacted us for training, help finding resources, or just to talk about Sunday School. W

re always glad to be of service to anyone who may need help in Sunday School work. We nay not have all the answers, but we'll do our best to find the information or resources ou need.

One valuable resource for building a Great Commission Sunday School is the book, The Power to Change Lives, The Complete Guide for Building a Great Commission Sunday School. The ACTeam has distributed through the UBA office one free copy to each of the churches. We took advantage of a grant from the State Sunday School Board and are grateful for their help.

We look forward to another year of ACTeam work, so please contact us if we can assist you in your conquest for a Great Commission Sunday School.

Respectfully submitted,
Kevin Carter
UBA Sunday School director

AMERICAN BIBLE SOCIETY REPORT

Jesus then said, 'I am the one who raises the dead to life! Everyone who has faith in me will live, even if they die.'" (John 11:25 CEV)

The news of Jesus' resurrection not only assures believers of eternal life, but it also a life-giving power for us to share. God's Word speaks to people's hearts in a way that othing else can. Its author knows us—our needs and desires—better than we know our-lves. But the Bible's message only brings new life to people when they hear it, read it, or e it in the lives of people. The American Bible Society builds partnerships with organi-ations and individuals who use the Scriptures provided by ABS supporters. These criptures speak to people's needs and change lives.

Ryan Austin lives in Seminole County, Florida, and is working to be an Eagle Scout. he next step was to earn a community service merit badge by completing a project that ould benefit others and demonstrate his leadership skills. Pleas by the county jail's chap-in for Bibles to give prisoners motivated Ryan to want to provide 2000 Bibles for them y Easter. Heeding his father's advise he cut the number to 1200. In January 1998, Boys couts of America approved his project..

The first attempts at fundraising met little success. Then he wrote the people on ie family's Christmas card list and solicited fellow church members for support. Soon hecks and letters of encouragement began arriving. Two women Ryan scarcely knew ach handed him $500 checks. By late February, he thought he had enough for 1,200 ibles..

Ryan's letter to the American Bible Society ordering the Bibles was not clear about hether he wanted to outright purchase the Bible or was asking ABS to supply some ibles free through its Scripture Grants Program for prisoners. In a telephone conversa-on with his mother, the Grants Program office learned Ryan was only 13 years old. It was ire he did not realize the cost of 1200 Bibles. His mother told them he already had near-$3,500. ABS said this would buy 850 NIV Bibles. However, the Scripture Grants rogram would match every Bible Ryan purchased with a free one for a total of 1,700 ibles. Ryan took the news of the grant as a sign of God's favor. By the end of March, he as able to send $1,300 more to ABS, securing 650 more Bibles under the unexpected 2 for arrangement— making a total of 2,300 Bibles. When the jail chaplain was notified of yan's success story, he responded, "Praise the Lord!"

On Good Friday morning, April 10, 1998, Boy Scout Troop 234 led by Ryan deliv-ed the Bibles to the jail. The Good News hope of the Resurrection arrived that day for 300 inmates. This year ABS Grants Programs will provide more than a million Scriptures r prisoners.

If a 13-year-old boy can inspire people to share Bibles, what can you do? You can e a partner in sharing the Resurrection news through support of the American Bible

Society and/or through securing Bibles from them to share with people who have none.

BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA, INC

Her voice steady and quiet, Christy delivers her personal story like a lette dropped into an anonymous mailbox at a shuttered house on a nameless street.

Her grandparents' murder had unleashed memories of her own abuse. Famil members encouraged her to leave her home and repeatedly told her she was worthless.

"I've had a rough life," she says. "I've been through about anything I can poss bly go through."

Christy admits carrying a short fuse and outbursts, physical abuse and a danger ous living situation brought her to Mills Home in November 1997.

She continues her quiet story about coming to Mills Home, about doing well i school, and tutoring two residents in Alumni Cottage. She's glad she can help, becaus "learning comes easy to me, and I want to help someone if I can."

Julie, her first child care worker at Mills Home, became a real friend who "helpe me turn my life around," Christy says, her face at last beginning to brighten. "She wa there for me when I needed somebody. My parents weren't there. Nobody wanted me. was fun being around Julie. She showed me she cared about me and that I could be loved.

She Didn't Plan to See 16

Julie couldn't realize how important her friendship was, or how close Christ came to giving up. Christy admits to two suicide attempts, and believed she would neve see age 16.

"I used to dread getting up," she said. "I didn't know if I would get my mout busted or my arm broke."

Even now, there are days Christy doesn't want to get out of bed. But she doe and she goes to school and earns mostly "A"s and stars on the varsity basketball team, an tutors other residents in math, and went to New York for a summer basketball tournamer and is planning to attend college to study a helping profession.

Now she is planning to live, not planning to die. BCH is giving her opportun ties to live for.

Christy's story is repeated hundreds of times each year at BCH. Not all are a dramatic but every one tells of a young person and a family at the end of an unravelin rope.

At four residential campuses, two homes for behaviorally troubled girls, a mate nity home, a home for teenage mothers and their babies, therapeutic camping and mod day care, 1,560 young people found help in troubled times last year.

During the past year BCH received $1.6 million through the Cooperativ Program, and $752,000 through the Thanksgiving Offering. Total church gifts of $3.3 mi lion comprised 18 percent of the nearly $18 million in revenue. Because of a positiv investment environment, BCH investments of endowment funds provided 33 percent c revenue.

Buildings Dedicated

Two major priorities of the $10.1 million "Light Their Way" Campaign were dedicated: The Winifred Lindsay Education/ Administrative Center at Odum Home in Pembroke on Jan. 20, and the John D. and Amelia W. Johnson Cottage at Mills Home on May 12.

U.S. Congressman Mike McIntyre, co-chair of the Congressional Task Force for Responsible Fatherhood, spoke at the dedication of the Lindsay Center. He said BCH has the "purpose, people, and passion to successfully help children and families turn their lives around."

"When we reach out to our children we're making the best investment for tomorrow we could ever make for our country," he said.

Winifred Lee Herbert Lindsay, for whom the Lindsay Center is named, died Nov, 1, 1997.

Primary funds for building Johnson Cottage were given by Phil and Sharon Drake, of Franklin, in memory of Sharon's father and in honor of her mother, a BCH trustee.

"God has given me more than I deserve," Drake said in a brief, emotional address at the dedication. He said giving money to build the cottage was the "easy part" compared to the cottage worker's task of making a difference in children's lives.

Michael C. Blackwell celebrated his 15th anniversary as president of BCH on July , 1998.

The video, "A Long Walk Home" is available to promote the 1998 Thanksgiving Offering, which has a statewide goal of $800,000 the largest ever.

Wherever children are hurting and families are strained, BCH strives to heal. To secure a video, or a speaker for your church or civic group, or to access services, call (800) 76-3669.

Council on Christian Higher Education

Baptist State Convention of North Carolina
1998

Chowan College	Campbell University	Gardner-Webb University	Mars Hill College
1848	1887	1905	1856

Meredith College	Wake Forest University	Wingate University
1891	1834	1896

The Council on Christian Higher Education was founded by the Convention in 1944. It was established to assist colleges and churches within the Convention. The council does not exercise any authority over the Baptist colleges. The competent leadership of trustees, administrators, and faculty guide them as they fulfill their missions. It does, however, study and recommend to the General Board in matters related to Baptist colleges and the Baptist State Convention.

Four men have led the Council as its Executive director. Claude Gaddy served as the Council's founding leader. Harold Cole served briefly. Ben Fisher succeeded him. T. Robert Mullinax joined the Council in 1971. Mullinax retired this year from the post he has faithfully guided for 27 years.

The Council and Executive committee of the General Board invited Wayne D. Wike to become the Council's fifth leader. Wike comes to his post from the pastorate. He has served four North Carolina churches as pastor.

He and his wife Debbie, are alumni of Gardener-Webb University. In addition, he is a graduate of the Southern Baptist Theological Seminary and Union Theological Seminary.

Wike has already served North Carolina Baptists in a number of ways. He served on the Committee on Committees, Chaired the Committee on Nominations, and Chaired the General Board Membership Study Committee.

Council members have greatly assisted each one of these leaders through the years. The college presidents, provosts, and chairmen of Boards of Trustees, along with an equal number of General Board members, serve as members of the Council.

The strength of the Council lies in its voluntarily concept of community rather than competition. The Council has proven to be a mediating influence in relating the colleges to each other, to the church, and to the Convention.

The Council is currently involved in strategy planning. It is seeking to prepare for the new millennium. The future holds great promise. The Council and its member colleges want to be prepared for it. The Baptist churches in North Carolina will benefit as a result.

THE BIBLICAL RECORDER

"A democracy can only survive and flourish as a nation of readers," says Daniel J. Boorstin a Pulitzer Prize-winning historian and former Librarian of Congress.

He is correct! Thomas Jefferson said the purest form of democracy he had ever seen was Baptist churches. We Baptists cherish our soul-liberty, and its corporate corollary—the autonomy of the local church.

But Baptists will never preserve their democratic form of decision-making if they are not properly informed. A democracy demands an informed constituency, whether they like the news or not!

The Biblical Recorder tries to tell the whole story with a focus on the many positive things people are doing in their churches and world missions, along with the crucial issues which cannot be concealed and ignored if we honor our heritage from yesterday and fulfill our mission for tomorrow.

There is no way to address these issues without correct and reliable information. The Biblical Recorder was born and continues to serve for that purpose. In the 165 years of state Baptist papers in North Carolina, never was the Recorder more needed than now for people to have the truth.

Because people are reading less than any time in recent history at the very time there is an increased number of publications and periodicals, the Recorder has kept pace with the state-of -the-art in print media, and entered the world of electronic communications with an attractive and effective Web site. The Web site address is: **http//www.biblicalrecorder.org**.

The Recorder Web site was officially launched in September 1997. The number of persons using the Web site has grown substantially. Each month there are 15-18,000 hits from around the world, literally—from Asia, Africa, Europe, South America, the Pacific Rim, even Australia! In the United States, people from several states regularly use the Recorder as their source of dependable Baptist information.

The Biblical Recorder should be in every Baptist home in North Carolina. Your support as a subscriber and reader, coupled with your encouragement to others, will enable the paper to better serve the constituency with accurate and helpful information.

In order to save churches large amounts of money and to increase the readership of the Recorder, Church News Service (CNS) was launched in 1990. This system lets any congregation have their church news incorporated into the Biblical Recorder which saves staff time, postage and printing costs. Usually, for less than what it costs to produce the church newsletter, CNS gives the entire Baptist communication package to each family in the congregation.

The paper deliberately focuses more attention on North Carolina Baptists with news, features and inspirational articles which will encourage individuals and churches in their witness and ministry.

That is why the Recorder was born; that is why it serves today. For more information on how your church can subscribe or use CNS, contact:

CHRISTIAN ACTION LEAGUE OF NORTH CAROLINA, INC.

It is a joy for the Christian Action League of North Carolina to serve the churches of this great state. We continue to work to inform the Christian community about the moral issues that face our state and nation. Our goal is to address these issues with the principles of God's word, the cornerstone of all truth.

A. Christian Values

. It was the pleasure of the Christian Action League of North Carolina to be one of the sponsors of the Third Annual Christian Heritage Week of North Carolina held March 15-22. The League encouraged schools, churches and communities to recognize, commemorate and learn about the Christian heritage and history of our nation. CAL sponsored a state-wide essay contest for high school students (public, private and home schools) and presented state winners with awards for excellence.

. Continued to promote Christian citizenship throughout the churches and communities of our state. CAL has distributed over 12,000 copies of the Ten Commandments to churches, businesses, schools, and homes across North Carolina. Promoted Sanctity of Human Life Sunday and the National Day of Prayer statewide.

. Held a church Leadership legislative Day on June 23. The purpose pf this day was to have pastors and church leaders to come together and enjoy fellowship, meet and hear some of our legislators and become more aware of how state government and the legislative process works.

B. Gambling

Lottery proponents continue on their efforts to bring a state-sponsored lottery to North Carolina. CAL monitors these efforts and updates the Christian community on lottery information through letters, calls and our fax and electronic mail networks. Lawmakers have continued to receive a barrage of communications from across the state saying that the lottery is a bad bet for North Carolina.

CAL also monitored the work of the Legislative study Committee on bingo Regulations.

C. Sex Education

Worked with other Christian and pro-family groups to see that the state mandate for Abstinence Until Marriage education is implemented state-wide. Also, supported efforts to insure that federal grant money designated to promote abstinence education was used properly. Informed citizens and legislators concerning attempts to fund school-based clinics in North Carolina schools.

D. Abortion

CAL promoted HB 303 (Ban Partial Birth Abortion), HB 536 (Woman's Right to Know before Abortion) and HB 594 (Fetus Death from Criminal Act). We also encouraged lawmakers to maintain funding reductions and restrictions on the state abortion fund. These actions have resulted in only two qualifying abortions being paid with taxpayer funds in the last two years.

E. Alcohol

CAL monitored all legislation concerning alcohol and other drugs. Successfully supported efforts to strengthen DWI laws. Assisted communities in organizing committees to fight alcohol and drug abuse. Worked to defeat legislation that would have approved alcohol sales without the vote of the people. Provided awareness, education and resource materials related to substance abuse problems, communities, etc.

CAL will host a national conference in September of the America Council on Alcohol Problems.

F. Pornography

Promoted and saw ratified SB 452- Local Regulation of Adult Establishments. This legislation gives more authority to local communities to regulate and control adult entertainment establishments.

G. Homosexuality

CAL supports efforts to strengthen the traditional family and continues to monitor and inform the public about the activities of those who promote the radical homosexual agenda. Successfully lobbied against legislation that would have made homosexuality legal in North Carolina. Offered the video " On Wings Like Eagles", the testimony of deliverance from homosexuality by Michael Johnston of Kerruso Ministries.

H.E.L.P. CRISIS PREGNANCY CENTER REPORT

The doors of the H.E.L.P. Crisis Pregnancy Center opened in the fall of 1991 when I saw the great need of a spiritual haven for women faced with unwanted pregnancies.

The Center was formed with two main goals: to provide biblical counseling and support to women with crisis pregnancies and to work with women who are suffering the aftermath of an abortion. We offer free pregnancy tests and counseling, temporary housing, maternity and baby supplies as well as other services such as literacy tutoring, as needed. Every client is pointed to her only hope for healing - Jesus Christ.

H.E.L.P. learned early to totally depend on God for all our needs. Today a number of local churches and businesses, as well as many individuals, are sharing the vision and are enabling us to meet our monthly budget. Every gift is cherished from the smallest to the largest. Ten percent of every gift that is received is, in turn tithed to two other ministries: Shiprah Ministries (a girls home located in Belton, SC) and James Robinson's Life Outreach (an organization established to help feed and care for hungry children). We also give offerings to other ministries that share and spread the Gospel.

The very heartbeat of the Center is the quality of caring volunteers who tirelessly offer personal interest in the needs of each client. Everyday is started with a time of prayer including praise, thanksgiving, confession, communion, and petition.

Respectfully submitted,
Tara Quinn

HOSPICE OF UNION COUNTY, INC. REPORT

Hospice of Union County, a freestanding non-profit health care organization based in Monroe, has served more than 1,500 local families in its 12 years. Created to provide medical, emotional, and spiritual care to terminally ill patients and their families, Hospice believes that a person should retain control of his life, and that quality of life is most important when length of life is limited.

While cure is not a viable option for hospice patients, death with dignity, without pain and with friends and family nearby is. Hospice uses a specially trained interdisciplinary team of professionals and volunteers to deliver individualized care to those with a limited life expectancy. The team includes the patient's physician, plus Hospice volunteer medical directors and consultants, registered nurses, home health aides, social workers, chaplain, bereavement coordinator and volunteers.

During Hospice's 12 years of operation, the demand for services has grown dramatically. In 1986, the first year, Hospice served 42 families. Ten years later, in 1996, hospice cared for 186 patients, but in 1997, we cared for 235 patients for a one-year increase of 26 percent. Unfortunately, reimbursement sources have not increased as dramatically.

Although Medicare, Medicaid, and private insurance pay for most medical expenses, residential care in our two Hospice Houses has no source of reimbursement. Patients pay based on their ability to pay, but no one is ever denied service because of funding. Hospice provides care to all who need it regardless of race, color, creed, age, diagnosis or ability to pay.

Our Hospice House program, which accommodates 14 patients, is the first and largest Hospice residential care program in North Carolina. The two home-like facilities are designed to provide care to terminally ill patients who would like to remain at home during the remainder of their life but are unable for various reasons.

Last year, Hospice raised more than $404,000 to meet patients' needs. The funding was raised through contributions, memorials, special events and our first annual giving campaign. With the help of the Union Baptist Association and its member churches, Hospice's annual campaign raised more than $150,000 to offset burgeoning patient expenses.

NORTH CAROLINA BAPTIST HOSPITAL

Meeting the Challenges of Health Care...

HOSPITAL CELEBRATES 75 YEARS OF SERVICE

In May 1998 the North Carolina Baptist Hospitals , Incorporated celebrated 75 years of service to the community and the region. During these years the hospital has been faithful to the vision of the North Carolina Baptist State Convention when the hospital was birthed: to extend the healing ministry which was demonstrated by Jesus Christ. Many challenges have been faced through these years, but the commitment to compassionately strive for innovative excellence has remained the same.

Baptist Benevolent Care Fund

Baptist Churches from all across North Carolina joined us in mutual missions through the Mother's Day Offering. This annual ingathering of love was approved by the Baptist State Convention of North Carolina in 1924. In 1997 the MDO amounted to $500,747. It was used exclusively to help patients who had little or no health care insurance of no other financial means to pay their hospital bills. From the offering this past year, well over $200,000 was used to assist members of our Baptist Churches in North Carolina. May God bless all those who supported us with prayers and gave so generously.

Division of Pastoral Care

During the year the chaplains and staff of the Pastoral Care Department provide worship services in Davis Memorial Chapel on Monday, Wednesday, Friday and Sunday for patients and family members. The Pastoral Care Department staff supervised 64 students during the year and made more than 53,000 ministry contacts.

The Department of Pastoral Counseling, CareNet, Inc. continues to expand its ministries. There are now 13 Christian counseling centers located in strategic areas across the state. During the year these professionally staffed centers will provide over 26,000 hours of counseling.

The Center for Congregational Health, Inc. continues to expand its mission of helping congregations become healthier communities of faith. **Programs and assistance** offered to churches include: Consultation, Intentional Interim Ministry, and Leadership development. **Resources for ministers** include: Young Leaders Program, Turning Point Interim Ministry Training, Intentional Interim Ministry Training.

Facts about Wake Forest University Baptist Medical Center

With more than 10,000 employees, four restaurants, two banks and a post office that handles more mail than some towns, the Medical Center has been called a city-within-a-city.

The Medical Center successfully proposed to Forsyth County Commissioners to purchase the county's indigent health care clinic, Reynolds Health Center. The Center also serves as a primary care training facility for our medical students and residents. Construction is expected to begin in the spring on a $5 million, state-of-the-art facility.

Building strong relationships with community hospitals and other academic medical centers was a hallmark of the past year. Hospital and clinical affiliations grew to 22 by December '97.

Points of Emphasis and Progress

ALS CENTER - Wake Forest University Baptist Medical Center has opened a specialized center to provide coordinated care for patients with amyotrophic lateral sclerosis (ALS), often referred to as Lou Gehrig's disease. The Medical Center's ALS program is the only center in western North Carolina devoted to ALS patients.

TRAUMA CENTER - The Medical Center has the designated Level I trauma center for northwest North Carolina. In the trauma center our goal is for the patient who needs surgery to be in an operating room 10 minutes after arriving at the Emergency Department. Surgeons, anesthesiologists and staff remain on duty 24 hours a day to handle such emergencies.

TOPS IN RESEARCH - According to a report in the February 1997 issue of *Applied Clinical Trials*, Wake Forest University School of Medicine ranked in the top 10 U.S. clinical research institutions.

RANKED AMONG THE NATION'S BEST - The North Carolina Baptist Hospitals, Incorporated is among the nation's best hospitals in nine of 17 specialties, according to rankings published in the July 1998 issue of *U.S. News & World Report.*

NEW HEART VALVE - Wake Forest University Baptist Medical Center is one of the first centers in the country to offer a new "natural" valve replacement to patients with diseased or damaged aortic heart valves. The Freestyle valve was tested extensively in six centers - including Wake Forest University Baptist Medical Center - before being released for general use.

NEWEST TREATMENT FOR EPILEPSY - Wake Forest University Baptist Medical Center offers a new treatment for epilepsy - a "pacemaker for the brain" that can help control seizures in patients who are not helped by medication and are ineligible for surgery.

CLOSING WORD

Seventy-five years ago the North Carolina Baptist State Convention gave us a directive to extend the healing ministry of Jesus Christ. For three-quarters of a century, we have sought to carry out this ministry of healing with compassion and integrity. Those who

come here for care expect outcomes unachievable elsewhere. We must constantly rise to meet and exceed this expectation. Every patient and family member has a right to expect from us excellence in health care, delivered with compassion.

Respectfully submitted,
Len B. Preslar, Jr.
President
The North Carolina Baptist Hospitals, Incorporated

THE NORTH CAROLINA MISSIONS OFFERING

Most of the North Carolina Missions Offering supports projects in the 80 associations (covering all 100 counties) across North Carolina. Many North Carolina Missions Offering projects are actually association/state missions programs receiving money and leadership support from both the Baptist State Convention and local associations.

For example, the Union Association received approximately 10 percent of the 1997 special offering collected in the association. Last year (1997), $2,886.07 of the $30,772.26 collected from 32 of the association's 76 churches and missions (listed below) was sent back to the association.

In addition to the money sent directly to the association, other offering monies were used in 1997 to finance mission projects in the associations. Additional monies, received were used for the Church and Community Ministries Summer Program. ($2,400.00)

In 1997, the North Carolina Missions Offering also supported NC Woman's Missionary Union, NC Baptist Men (Brotherhood), and many of the Missions Division's vital ministries. The number of individuals in the Union Association who participated in these groups in 1997 includes:

1 Boy to Camp Caraway
4 People to Church Brotherhood Training
7 People to Disaster Relief/Recovery Training
90 Medical/Dental Van Volunteers
72 Medical/Dental Van Patients
13 People to NC Baptist Men's Convention
6 Boys to RA Congress
30 Girls to GA & Acteens Camp at Mundo Vista
7 People to NC WMU Associational Leadership Team Training
1 NC WMU Resource Team Member
59 People attending NC WMU Annual Session (Missions Extravaganza)
2 Parents of NC Born Missionaries Living in North Carolina

UNION COUNTY CRISIS ASSISTANCE MINISTRY REPORT

MISSION STATEMENT: Crisis Assistance Ministry of Union County exists to help local families and individuals in crisis to encourage self-sufficiency:

1. By providing financial assistance to meet immediate needs.
2. By making referrals, offering counseling, and encouraging families in making plans to help prevent the recurrence of crisis.

CAM is funded administratively by United Way. All contributions from churches, individuals, and civic groups are used exclusively for client assistance. Assistance is paid directly to vendors, not to clients.

Assistance is given for rent, utilities, fuel, prescriptions, and medical supplies. There is a new transportation program called CARS FOR WORKERS. CAM and DSS collaborate with WorkFirst recipients in which cars are donated, clients carefully screened, and cars are given to clients who need transportation in order to work.

Baptist churches contributing to CAM in 1998 (to date) are Monroe First, Shiloh, Wingate, Mount Harmony, Marshville First and Union Baptist Association.

During 1997, 476 clients were interviewed, and 381 were assisted. A total of $60,882.45 was given in assistance. A total of $5,190 was spent for prescription and medical supplies, which is a growing need.

Respectfully submitted,
Bobbie Yandle, Assistant Director
Union County Crisis Assistance Ministry

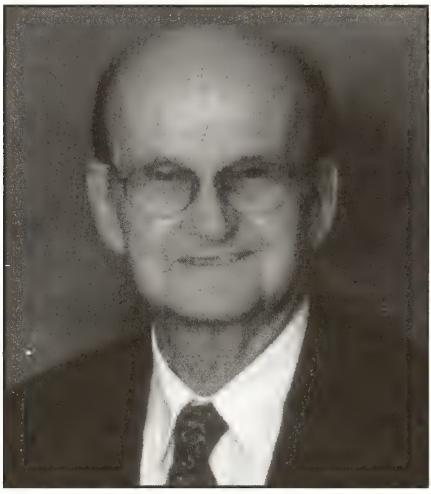
In Memory of
Mr. Edgar L. Haigler
November 30, 1927 - November 20, 1999



Edgar Haigler, affectionately known as "Ed" was born in Union County in 1927 and grew up in the Wingate area. On February 14, 1948, he married Bertha Jenkins. They moved to Mecklenburg County, where Ed was employed by Kroehler Furniture Company in Charlotte. After fifteen years of being away from Union County, Ed and Bertha returned to the Wingate area. Mr. Ed continued to work in the furniture business until 1978. At that time, he became self-employed as a hog farmer and enjoyed that endeavor until 1998.

As an active member of Centerview Baptist Church, he served as a Sunday School teacher for thirty-five years and gave leadership through the Deacon ministry. His life evolved around his church activities and ministry to others. Visitation in nursing homes, hospitals and the homes of shut-in's and widows was a weekly commitment. He was dedicated to the work of Union Baptist Association and actively supported the work with his presence, prayers and monetary gifts. Mr. Ed was a devout member of Gideons International and gave himself fully to the mission of this organization. He was known by his fellow Gideon brothers as a dedicated Christian, who poured his heart into ministry whether it be the church, community or Gideon organization.

This loving husband, father and grandfather is survived by his wife Bertha, a son and daughter, four grandchildren and one great grandchild. Mr. Ed will be remembered as a man who exemplified Christ-like characteristics and inspired others to be likewise.

The Baptist of this Association came directly from the efforts of the early Christian workers of Wales and England. Their first settlements were in Old Welsh Neck section in South Carolina and Old Sandy Creek section Chatham County. Union County Baptist came from Old Welsh Section. The Welsh Neck Baptist Church was organized in 1738. In 1793, Lanes Creek was organized about two miles west of Philadelphia Church. This Church was the stock of the Welsh Neck Church. The churches that came out of the Welsh Neck Church organized into the Moriah Association in 1815. For convenience of the North Carolina side of the Moriah Association, the Brown Creek Association was formed in 1854. In 1885, the name of Union Association occurred. The association submitted Articles of Incorporation, which were approved with non-profit status on December 31, 1991, in the name of Union Baptist Association of Union County, North Carolina by the Secretary of State, Rufus Edmisten. These Articles of Incorporation were recorded on February 4, 1992, Book 538, Page 295, in the Union County Register of Deeds office.

He spoke about how the Baptist came to merican and how we came about our doctrine, what we believe and why. He pointed ut several issues that makes Southern Baptist different from other denominations. A hallenge was issued to all to continue helping each other, loving each other, and trusting ach other in order to proceed with strengthening the Union Baptist Association. We have learn to pray honestly "Thy Will Be Done, Thy Kingdom Come" and place God and His genda before ourselves and our agendas. This is the Baptist way.

all to Order - Moderator Brooks called the Union Baptist Association's 145th Annual ession to order. He suggested everyone refer to the program for a list of participants and hedules. All present were encouraged to complete the attendance cards at this time. ney will be collected later during the session. Moderator Brooks recognized Mrs. hristine Surratt.

Forty-eight (48) of seventy-eight (78) churches and issions were represented. Mrs. Surratt moved that the messengers present representing nion Baptist Association Churches constitute a quorum for the 145th Annual Session. A cond was received and the motion passed.

made and that any church information not yet received may be added prior to annual publication. A second was received and the motion passed.

As he called each name, he also gave the church they are serving and the beginning date of service. Recognized were: Rev. Jim McAlhaney and wife Mary (Emmanuel, September 12, 1999), Rev. Michael Mullis and wife Cookie (King Memorial, October 10, 1999), and Rev. Gene Penegar and wife Sheila (Roanoke, October 17, 1999). Everyone welcomed them into the fellowship.

Recognition of UBA Ministry Team - Moderator Brooks recognized the UBA Ministry Team by asking each to stand - Dr. Dennis Burton, Director of Missions; Ms. Ginger Tucker, Church and Community Ministries Director; Mrs. Jean Rollins, Administrative Assistant; and Mrs. Cynthia Dalton, Secretary.

First Business Session - Moderator Brooks recognized Rev. Tony Medlin, UBA Vice-Moderator, Pastor at Euto Baptist Church.

Church Group Coordinator's Report - Vice-Moderator Medlin directed attention to the Book of Reports. He reviewed the location and times of the quarterly sessions and annual session for next year.

Memorials - Vice-Moderator Medlin recognized Mrs. Brenda Carter, Hermon Baptist Church. She referred everyone to the list of memorials in the Book of Reports. After reading a short poem and observing a moment of silence for those names listed, Mrs. Carter closed in prayer.

Stewardship Report/Adoption of 2000 Budget - Vice-Moderator Medlin recognized Rev. Eddie Price, UBA Stewardship Committee Member, Pastor at Calvary Baptist Church. Due to the Director of Missions being out of the country on sabbatical in July, the messengers voted at the summer session to not adopt the 2000 budget until the annual session. Rev. Price presented the proposed budget as recommended on behalf of the Stewardship Committee. He emphasized that the budget is divided into mission ministries this year as opposed to a line item budget as in previous years. This will provide more flexibility regarding opportunities to minister, but will under no circumstances do away with the accountability aspect. Upon no discussion, the recommendation passed.

Miscellaneous Business - Messenger cards were collected during this time. No additional business was brought before the messengers.

Congregational Hymn - Mrs. Bivens led in the singing of *I Know Whom I Have Believed* with Mrs. Hill and Mrs. Hunter accompanying.

Moderator's Address - Before Moderator Brooks gave the address, he expressed his appreciation for having the opportunity and privilege as serving as moderator for this association for the past two years. His message was taken from Joshua 1:1-9 and entitled "Heading Into New Territory." Just as the annual session this year is built around the theme of "Celebrating our Heritage, our Mission, and our Future," in Joshua 1 they had a heritage, a mission and a future. He shared how God called Joshua to a duty, and God is calling the Union Baptist Association to a duty to win the multitudes of lost souls around us to Jesus in this new decade, this new century, this new millennium that we are about to enter. God is calling Christians to be different from the world. We can only do that by being obedient and staying in the Word of God. Moderator Brooks closed in prayer.

SECOND SESSION - *"INSPIRED BY OUR MISSION"*

Congregational Hymn - Mrs. Peggy Bivens led the congregation in singing *I'll Tell The World That I'm A Christian.* Mrs. Hill and Mrs. Hunter accompanied on the musical instruments.

Invocation - Vice-Moderator Medlin recognized Mr. Gene Williams, UBA Council Lay Representative, Mountain Springs Baptist Church. Mr. Williams briefly spoke about the love of God before he led in opening prayer for the second session.

Theme Interpretation - Dr. Buddy Pigg, Pastor at Mt. Harmony Baptist Church brought the second theme interpretation - "Inspired by our Mission." There should be no shortage of inspiration when we think about who we are and whose we are. We belong to the Lord Jesus Christ, the King of Glory, the Prince of Peace, the Bright and Morning Star. . . what could be more inspirational. But in today's world, that does not seem to be enough. We also need perspiration. Matthew 9:37-39 says the workers are few. We need people to help reach this world for Christ. Inspiration doesn't save the world if we will not share it, but perspiration (people) do. We have an inspired message and an inspired Master that will help inspire us in our mission - Tell the World About Jesus, Everybody Needs Jesus.

Musical Meditation - Vice-Moderator Medlin welcomed Forest Hills High School Women's Ensemble led by Mrs. Gay Burton, Shiloh Baptist Church. They presented a musical entitled *Deep River*.

Special Address - Dr. Dennis Burton welcomed and thanked everyone for attending the 145th annual session of the Union Baptist Association. He gave a brief background of how of how the UBA and Wingate University came to form a partnership. When UBA was 42 years old, the messengers and leaders of the association felt called of God to begin the process of establishing an academy in Wingate. The association bought land, built a building, and hired the first headmaster. This later become known as Wingate College and then Wingate University under the leadership of Dr. Jerry McGee. It now recognized as one of the top 25 small private universities in the United States. Dr. Burton introduced the guess speaker Dr. Jerry McGee, President, Wingate University, Wingate Baptist Church. Dr. McGee spoke regarding the relationship and partnership between Wingate University and UBA. He told of the special offers available to any full time baptist church staff personnel wanting to attain a higher level of education. He discussed the tuition fees and related the many scholarship an aid opportunities accessible to Union County students desiring to attend Wingate. He detailed the activities that many students are involved in, particularly the freshmen class who are building a Habitat home this year. In closing, Dr. McGee invited everyone to visit the campus and enjoy the numerous activities available and give Wingate a chance.

THIRD SESSION - *"CHALLENGED BY OUR FUTURE"*

Congregational Hymn - Mrs. Peggy Bivens opened the third session by leading the congregation in singing *God of Grace and God of Glory* with Mrs. Evelyn Hill on piano and Mrs. Zee Hunter on organ.

Invocation - Mr. Fred High, Benton's Cross Roads Baptist Church offered the opening invocation for the third session.

Theme Interpretation - Dr. Jim Somerville, Pastor at Wingate Baptist Church shared the third theme interpretation - "Challenged by our Future". He spoke about the future of Union Baptist Association and the growth that Union County has experienced in recent years and will continue to experience. If churches don't keep up with the continued growth, there will be a decline in our overall membership and churches will no longer be in existence. Only 38% of the population go to church today and only 22% of those are active. The challenge of the future is authenticity to stay true and faithful to God's Word. Preach the Gospel like it has never been shared before with all those you come into contact with. It is the power of God to set people free. God has called us not to be successful but to be faithful.

Call to Order - Moderator Brooks called the annual session back into order for the evening. He thanked Rev. Kenn Hucks and Sardis Baptist again for their hospitality and facilities. Moderator Brooks recognized UBA Clerk, Mrs. Surratt, to update the roll call for those churches who were not present during the afternoon sessions.

UBA Ministry Reports - Moderator Brooks recognized Ms. Ginger Tucker.

Church and Community Ministries - Ms. Tucker directed everyone's attention to the Book of Reports. This report is the result of what Union County Baptist have accomplished during the past year. She urged all to pay close attention to what our Brothers and Sisters in Christ are achieving. She recognized all who have helped her during her ministry with UBA. Transforming Union County will be held on March 11, 2000. This is a mission day where we blitz the county with community service projects and people. Ms. Tucker highlighted the first summer day camp and the reason why it was held - to reach children for Jesus. She reminded each person present that they can perform a ministry right where they are, you don't have to look very far or travel over seas, opportunities are here.

Director of Missions - Moderator Brooks recognized Dr. Dennis Burton. Dr. Burton asked that each messenger do their duty and report back to their respective church what happened today during the annual session, what their association is doing, what other churches are doing around the globe. One thing that was utmost during the recent consultations with all churches is that the story of our association is not being related back to all members. The average member in any church can not tell you about our association, where it is or what it does. He continued relating how the associational efforts in missions has

greatly increased. During this past year we have participated in nine (9) countries sharing he work of the gospel. As of September 30, 1999 designated giving has exceeded $110,000. These efforts are exceeding all expectations, but people in our county are still not being eached. We need to have a burden and vision that every person in our backyards are eached during the year 2000. The world is coming to Union County. Dr. Burton spoke riefly about the designated love offering to be received tonight. It will be going to Billy nd Beedee Tarlton. They have done numerous missions projects without the support of church family. They have literally given all they have to help others. A word of appreiation to the Euto Baptist Church Choir was expressed. Dr. Burton closed by acknowldging and thanking the UBA staff for their work, dedication and ministry during his sabatical.

Recognition and UBA Council and Committee Members - Moderator Brooks recognized ll Union Baptist Association Committee Members that have agreed to serve and/or chair committee this coming year by asking them to stand. He thanked everyone for their help nd willingness to serve.

Mr. James announced that the Individual Award will be presented at the January session because that person was not able to attend tonight. The church recognized this ear was Hermon Baptist Church. Mr. Fitzgerald accepted the award on behalf of Hermon aptist. He stated that he was proud to be associated with Hermon Baptist Church and all he wonderful people there. He thanked everyone for the recognizing their efforts.

Upon no further nominations, a motion was made to close the nomnations. That motion was seconded and approved. The first motion was seconded and assed. Vice-Moderator Rev. Tony Medlin was declared Moderator for the new year by cclamation.

He urged all messengers to carry that information back to their respective churches and come prepared in January to make a difference in someone's life thru generously supporting this ministry.

Moderator Meldin recognized and presented a plaque of appreciation to Rev. Dale Brooks for his service as Moderator. The plaque read: This is recognition and appreciation for dedicated service to Union Baptist Association as Moderator for 1997 thru 1999. Rev. Brooks received a standing ovation for his ministry and service.

Special Music - Euto Baptist Church Choir presented a special consisting of Southern African music.

nnual Sermon - Moderator Medlin introduced Rev. Phil McLean, Pastor at Mountain prings Baptist Church, to bring the annual sermon. Rev. McLean brought a message om Mark 2:1-5. He entitled the message "Jesus Christ is the Only Hope." This passage eminds us that Jesus Christ is the only hope for our world. We find a man who is broken, e's hurting, he's dying, he has tried everything he knows to try, all to no avail. This man omes to realize that the last possible hope he has is to find Jesus.

Our job as Union Baptist is to help people find Jesus. We, as church people, hould not stand between the lost and Christ. We need to care for the broken, hurting orld - it is our responsibility. Only Jesus can help break the bondage, His love shown to hem thru us. We need to spread the same gospel, there is only one gospel, that has been reached for the past 2000 years, but we need to use different methods for reaching different people. We live in a different world today and have to reach others by being creative. We have a dynamic gospel but living a firecracker life. Don't let past traditions and istories hinder us from achieving what we were placed here to do, meet the needs of people and reach them with the gospel of Jesus Christ any way we can. Rev. McLean reminded everyone the Paul said in 1 Corinthians 9:22 "...I am made all things to all men, that I night by all means save some." I'm whatever I have to be in my Christian life without violating my conscious, without destroying the gospel, as long as I am true to Christ, I will be what I must to bring men to Christ.

In closing Rev. McLean stressed that we are all in this together, working for the ame God. We must have unity in the body. Union Baptist Association needs continued econciliation, brokenness and unity in Christ to preach the same gospel, building and glorifying God's kingdom. Don't let the little things break us up. The work of God and the urting world around us is bigger than my church and ministry or your church and ministry. Strong churches should began nurturing weak churches and rich churches should egan ministering with poor churches and we all help one another to more effectively do what God put us here to do and not worry about who gets the glory except for God being xalted. The bottom line and final line is standing in our Father's presence and hearing Well Done Good and Faithful Servant." Rev. McLean asked Dr. Dennis Burton, Union aptist Association Director of Missions to lead pastors and the association in closing rayer.

ongregational Hymn - Mrs. Peggy Bivens led the congregation in a closing hymn *Lead n, O King Eternal* with Mrs. Evelyn Hill on piano and Mrs. Zee Hunter on organ.

enediction - Moderator Medlin closed the 145th Union Baptist Association Annual ession by thanking everyone that participated in any today. Bivens / Funderburk Church Award for Missions Excellence - 1999

Presented at the Union Baptist Association Annual Session, October 26, 1999

Each year, Union Baptist Association seeks to acknowledge churches and individuals for outstand missions work. The church we recognize with this year's Bivens Funderburk Award for Excellence in Missions has a true vision for missions involvement

Its disaster relief and recovery teams have worked in Charleston, SC afte Hurricane Hugo; in Florida City, Florida after Hurricane Andrew; and as in recent day and weeks in Kosovo and in eastern North Carolina;

Its Men on Missions and construction teams have donated the drywall hangin and finishing for churches in Tazwell, Virginia; Lancaster, SC; two churches in Monroe and have done general repair work for a church in Mineral Springs;

For eight consecutive years the church has participated in Volunteer Mission through the International Mission Board in Brazil. Twelve people have participated in thi ministry over the period of time through medical teams, home evangelism, and construc tion crews. During the last four years, over $8,000 has been donated to the cost of cor struction projects in this ministry.

This church also has a strong Women on Mission group which support Associational projects and collects medicines to send to Brazil each year; and, for the pas 15 years has led Sunday School activities at Cane Creek Park Campground from Memoria Day through Labor Day of each year.

This church is also a leader when it comes to financial contributions to mission causes. In the past four years, its members have given over $141,000 to Lottie Moon an Annie Armstrong offerings, Union Baptist Association, and the Cooperative Program; an in the church year just ended, gave an incredible 46.4% of its Total Receipts to missions.

In recognition of their dedication to missions and their outstanding missions accomplish ments, we are pleased to present the members of **Hermon Baptist Church** with this year Bivens-Funderburk Award.

Bivens / Funderburk Award for Missions Excellence - 1999

Presented at the Union Baptist Association Winter Session, February 8, 2000

The person whom we honor with this year's Bivens-Funderburk Award f Excellence in Missions is no stranger to church life, Union Baptist Association life, or to th mission field at home or in other countries.

He has served as deacon and Sunday School teacher, and active Brotherhoo member, on Associational committees, Consulting Teams, Council, an as UBA Treasure

but it is his effort in Hispanic ministry that we truly want to emphasize.

For seven years, he served as liaison between Oakland Church and *El Buen Pastor*, even taking Spanish classes so that he could communicate with our Hispanic neighbors. He is currently an integral member of the *El Buen Pastor* Building committee, overseeing the "permits and loans" aspect of the building process.

He gives Spanish Bibles to the Hispanic tenants of his rental properties.

On a Building Team trip to Honduras this past summer, he shared the gospel openly with those he came in contact with. One man made a profession of faith after hearing the witness of our award recipient, and then named his newborn son in his honor...his name is Henry.

In recognition of a lifetime of Christian service...in recognition of countless volunteer hours given to Union Baptist Association, and in recognition of dedicated ministry to the Hispanic Community of Union County and other nations, we are happy to present this year's Bivens/Funderburk Award to **Dr. Henry Funderburk**.

DOCTRINAL SERMON - Rev. Price used text from 1 Timothy 4:6-16. His message was entitled "The TRUTH". He spoke about the most important relationship we can have in life, one with Jesus Christ. If this relationship is right, the rest of our relationships will fall in place. One way to develop this relationship is through discipline, time spent alone with our Savior. We all can be "caught up" in doing spiritual things, but spending time alone is what cultivates and grows a relationship. We perceive ourselves by our intentions, but the world perceives us by our actions. Pay close attention to ourselves and let Jesus Christ be the judge. We can't have intentional unity and purposeful missions without a personal relationship with the One who spoke the truth. Rev. Price closed in prayer.

CONGREGATIONAL HYMN - Mr. Howard led in *Lead On, O King Eternal*, with Mrs. Rollins accompanying.

Mr. James brought before the messengers a recommendation from the Missions & Outreach Committee that Community Baptist Church be received into full fellowship in the Union Baptist Association. The recommendation passed with no discussion or comments. Rev. Darrin Moore and visiting members from the congregation were asked to stand as they were welcomed with applause.

The second recommendation from the Committee was that the association give Community Baptist Church the parcel of land that they are currently using. Community will pay off the remaining balance of $25,000 the first of May, 1999. The association will hold a $50,000 note on the property with no interest and no payment for ten (10) years. If the church should dissolve or does not remain a
Southern Baptist Church or affiliated with Union Baptist Association, the land would revert back to the Union Baptist Association. The recommendation passed.

The third recommendation from the Committee was that a new church work that has been started, New Beginnings Community Church, be accepted under Watchcare by the association. Rev. Rick Brown is leading this new congregation. They have indicated that 50% of their budget be designated towards missions. Their goal is to seek and minister to the unchurched. They are currently meeting at *The Refuge* in Monroe. The recommendation passed.

Mr. James spoke about how much he has enjoyed working with the Spanish Mission and their members.

Rev. Medlin recognized Rev. Larry Harrison, UBA Staff Relations Chairman Pastor at Hillcrest. Rev. Harrison reported that he was recently informed that the association was not in compliance with the North Carolina Industrial Commission's Worker Compensation statutes. The law states that if you have three (3) or more employees, full time or part-time, you are required to provide worker's compensation for those employees. The Union Baptist Association currently has four (4) staff positions. The Staff Relations Committee recommends that we provide Worker's Compensation Insurance for the staff of the Union Baptist Association, effective as soon as the policy can be placed in force. The cost will be $685 per year. This will be provided thru Church Mutual Insurance Company. No budget amendment will be made at this time. The recommendation passed.

Rev. Harrison also reported that Mr. Billy Tarlton will become a temporary staff employee of the Union Baptist Association in the position of Construction Supervisor for the building of the *El Buen Pastor* Church. His salary will be paid out of the *El Buen Pastor* construction fund donations thru the Union Baptist Association. Mrs. Odom spoke about the 1997 trip that 10 people from Wingate Baptist made to Ivory Park Township and Kempton Park in South Africa. The goal of the seven (7) men in the group was to do several construction type projects. The three (3) women were to do backyard Bible studies. She described the living conditions along with the worship facilities they have. She also told about the joy the Africans shared and pride they exhibited in their very humble and modest dwellings.

Rev. Medlin recognized Mrs. Bonita Simpson and Miss Andrea Rorie from Mountain Springs Baptist Church. They spoke about their mission trip to the Inner City of Wilmington, NC. Mrs. Simpson shared that a mission trip was better than any vacation that you could take. She explained how God takes care of you even in an inner city setting with drug dealers all around early in the morning. They did Bible studies in a mission building located in the project area neighborhood. She told a story about one nine (9) year old boy, how his life was as a drug runner and how he came to ask Jesus into his life at the end of the week.

Miss Rorie reported about the good things that a mission trip can bring about, not only to those you minister to, but also to those within your church. She revealed how you have to have your heart, mind and soul in one accord to have a successful ministry. You can not have any walls in your life that would hinder the trip. God gives you strength, all you have to do is obey and go. It does not matter if it is your back door, an inner city, or a foreign nation, our response is to follow thru with God's plan - we need to run full speed ahead. We need to be on mission around the clock - not just on Sundays and Wednesdays.

Rev. Medlin recognized Mr. Gene Lewis from Shiloh Baptist. Mr. Lewis shared how his church became involved in a Habitat for Humanity home. He explained how, within a church, many members have talents and skills that can be used for mission projects. Senior citizens gave expertise, teenagers helped drive nails, and younger children picked up trash. Shiloh became a much closer church family thru this project with the young and young at heart pulling together. Mr. Lewis also told of how you become involved with the family that is being helped. He introduced the family that benefited from their mission efforts. She spoke briefly about how she and her two daughters have come to love Shiloh as an extended family and what the house means to them. God gives to us graciously and He expects us to give to others graciously.

MISSIONS CHALLENGE - Rev. Medlin recognized Ms. Ginger Tucker. Ms. Tucker spoke about why Jesus founded the church - it is because He knew that we could not do separately what we can working together. It is the only mission we have as a church. It is the only mission we have as an Association, or the State Convention, or the Cooperative Baptist Fellowship, or the Southern Baptist Convention. It is not politics. It is working together, using our different gifts to glorify the Lord. We are the only religious organization on the planet with the power to make a difference thru Jesus Christ and the Holy Spirit, regardless of the situation or circumstance. We can make a difference, it is our responsibility but it is also our privilege to help others. What a blessing we will receive when we accomplish goals for the Kingdom and for Jesus Christ's purpose.

CONGREGATIONAL HYMN - Mr. Barry Howard led the congregation in singing *Take the Name of Jesus with You.*

Rev. Medlin thanked the churches in Group I for the refreshments provided tonight. He reminded everyone to visit the fellowship hall to view the exhibits from Euto, Hermon, and Trinity churches. Rev. Medlin recognized Rev. Brooks for the benediction.

He thanked her for letting Dr. Dennis Burton, her husband, go on the three month sabbatical to Capetown Theological College. Rev. Brooks closed in prayer. The meeting adjourned by common consent.

BROTHERHOOD REPORT

The goal of North Carolina Baptist Men is to help North Carolina Baptist Churches and Associations involve their members (especially men and boys) in missions. The objectives for accomplishing this goal are to:

- Enable and equip men and boys to be personally involved in mission activities.
- Encourage men and boys to identify and develop their personal ministries.
- Educate men and boys concerning mission opportunities.
- Teach men and boys the importance of praying for and giving to missions.
- Lead men and boys in developing in all areas and aspects of their lives to become mature, active, and involved Christians.

"Hands of God" is the theme for North Carolina Baptist Missions this year. We are the hands of God at work through out our community, state and nation and the world.

There were 52 churches and missions reporting as having a Brotherhood organization this year according to the Annual Report to the North Carolina Baptist State Convention. Out of all the Union Baptist Churches there were 50 churches reported being active in missions, taking part in a total of 3,124 mission projects this year. A breakdown of the projects is as follows:

2,118 Local community projects
698 State and national projects
308 International projects

We had many volunteers to Honduras this year, helping with reconstruction after Hurricane Mitch. This project will continue for another year or two., We had volunteers in other international areas as well, Kosovo, Puerto Rico, South Africa and other places where the "Hands of God" are at work.

I would like to express my sincere appreciation to Billy Tarlton for his work and leadership as Union Baptist Association Men's Director. He provided us with an ongoing list of mission opportunities for the Union Baptist Association Churches.

Another note of thanks is extended to Austin Grove Baptist Church for hosting our First Annual Dinner for Union Baptist Association Brotherhood Directors and spouses.

May God continue to use our hands for his work as we continue to do His will.

CENTS CORPORATION REPORT

(Church Employment Network Transition Support)

This time last year (8 months, 9/1/98) we had serviced 55 families through their termination process in 1998. However, in 8 months of 1999, we serviced 100 families. We ended 1998 having serviced 205 families since our beginning. By September 1, 1999, we have served 305 families.

There are two main items contributing to our ability to serve more: **1) UBA** increased their support last year, giving us more resources to work with; **2) We continuously work** at reducing cost, increasing efficiency and productivity. We have worked these 8 months of 1999 from about 7:00 a.m. until 7:00 p.m. Monday - Friday to accomplish more, and we have accomplished 82% more. **Thanks for your help!**

Last year you increased your support by 50%, in return, we served 82% more. That is 164% return on your investment in us. Please pray to see if God would authorize another increase, we pledge to use it wisely and to Glorify God!

CHURCH AND COMMUNITY MINISTRIES REPORT

UBA Church and Community Ministries had a very successful ministry year during 1998-999. Two new ministry efforts were among several highlights of the year. In March, BSU '75, a celebration of 75 years of Baptist Student Unions in North Carolina colleges and niversities, brought dozens of college students to Union County. These students tutored n our schools and worked on a Habitat for Humanity house. In June and July, UBA's first ver summer day camp was held for children in the Sutton Park area of Monroe. Sutton ark Church served as the host facility and volunteers from several UBA churches as well s from First Baptist Church in Cambridge, Maryland, made our Day Camp a success. nrollment for the camp was 55 and average attendance each day was 29. Three children ade professions of faith.

glesia Bautista El Buen Pastor, UBA's Hispanic Church, was another important focus for the ear. Building plans for a 10,000 square foot facility were completed with ground break-ng to be held in the early fall. Expected completion for the building is early in the year 000. A very successful fund raising effort for this project is making this dream come true. Over $40,000 was contributed by UBA churches and individuals, including a matching rant of $20,000 from First Baptist of Marshville. It is hoped that the *El Buen Pastor* facili-y will not only serve as a worship facility for our Hispanic church, but also as a commu-ity center for Union County's Hispanic community.

Hurricane Floyd provided Union County Baptists with an enormous ministry opportuni-y. We responded with a tractor-trailer load of food and supplies for the flood-ravaged reas of eastern North Carolina and with well over $20,000 in financial donations.

As always, no Church and Community Ministry effort can be accomplished without the olunteer efforts of Union County Baptists. We are so grateful for every contribution of ime, talent, labor, and financial assistance. Ministry dreams become reality because of ard work and dedication to the tasks God has given us.

The year 1999-2000 will provide us with many ministry opportunities. Yearly efforts such s the Belarussian children's ministry, the Spring Celebration for the mentally challenged dults, Operation Inasmuch/Transforming Union County Day, Operation Christmas Child, and the Food for Families drive are just a few of the ministries planned for the com-ng year. We also hope to have another summer Day Camp. Please be in prayer for these nd all of our ministries in the coming year.

DIRECTOR OF MISSIONS REPORT

The State Of The Union 1999

ur 145th annual session finds us at a continuing crossroads of transition. Our communi- is undergoing almost daily change and its impact is felt on almost all of our member ngregations. The challenges are stimulating and frightening at the same time. There is rong evidence of growth and outreach by our churches and a deep commitment to mis- ons.

embers of our churches have served in nine countries this year including Kosovo and onduras. We have seen an unprecedented level of support and contribution to mission uses around the world and in North Carolina. Probably the most joyous response has en the number of people who went and did hands on missions. They have discovered e power of mission opportunity when viewed first hand. It is not money or programs, ıt people, that missions is all about. To be there and to see the needs and the lives that e changed by giving of ones self is a life-changing event. My heart felt appreciation is ven to those persons who could and did go where the Lord opened a door of opportu- ty. We must not step back and take a sigh of relief and say, "We did our part." Rather us step up and say, "What is left to do?"

ıe union of the association is growing stronger and there is a good spirit of cooperation ıong us as we move to the next millennium. As in years past, one of our biggest chal- ıges is to fully fund and support the on-going work and ministry of the association. We very well in designated mission giving, often surpassing our operating budget, but we ust have adequate support of the day-to-day life of the association in order to function fectively.

ım deeply grateful for the privilege of the sabbatical granted to me this year. The three onths in Cape Town, South Africa were truly the experience of a lifetime. I will always member the vision, commitment and faith of the students, faculty and staff of Cape wn Baptist Theological College. The students are exceptionally dedicated to reaching eir nation for Christ and flesh this out by starting new works, working with prisoners, lping the impoverished, and daily seeking the will of the Lord for their lives.

e have completed the consultation process and are now using small groups to digest and an appropriate responses. The overwhelming majority of the respondents indicated a ry high level of support and appreciation of the association, its leadership and ministry. any suggested new mission and ministry efforts and these are being reviewed. Thank u to all the pastors, leaders and other lay folk who took the time to share with us. A ırld of deep appreciation is expressed to the consultants who led us in this study: Jerry cCoy, Herbert Cooper, Ollis Revels, Fred High, and Henry Funderburk. These men gave ıny hours of time and effort to help us better understand who we are and what we are ing. Bless you, brethren.

ount it a personal privilege to be your Director of Missions, and Gay and I thank you for s opportunity to serve you. It is a joy to work with you in times of growth and vision d in times of difficulty. Don't hesitate to call upon us if we may be of service to your urch.

ease help us tell the story to your congregation that their association is alive and well and

ready to serve them. Tell the story of mission needs being met here in Union Count North Carolina and indeed around the world. As you tell the story, ask them to join us i a renewed and increased effort to tell the Old, Old Story that all who the Lord sends to u may hear the Gospel, believe and be saved.

God's richest blessings on you, your family and congregation.

DISCIPLESHIP TRAINING REPORT

What an exciting year this has been for a number of our churches in the Union Bapti Association. New members, new programs, new buildings, new life! The word growt has been on the lips of many. We want to see new church starts, new believers join th Kingdom of God, and new materials to go with that. Are we also looking for and antic pating the growth that is measured by the cross we bear? Do we want to work towa becoming spiritually mature - a disciple of Jesus Christ?

Many churches are finding that to accept the challenge of helping grow believers, a chan has had to take place. They have had to be willing to step outside the comfort zone Sunday night or Wednesday night and move to small groups or one-on-one stud Mentors are walking new believers through studies such as Survival Kit. Pastors are ta ing leaders through Jesus on Leadership, and women are studying the tabernacle throug Beth Moore's study entitled A Woman's Heart. Children are learning to get along wi each other while learning how the disciples got along with each other through TeamKI College students are walking teenagers through Experiencing God for Teens, and enti churches are studying Josh McDowell's Right from Wrong series for all ages. Throug studies such as these, all ages are developing habits of spending time with God's Wo which will enable them to be lifelong learners of Jesus.

A continued increase in the number of churches in this association participating Discipleship Training is noted and for that we are encouraged.

The Associational Bible Drills for children and youth were held in March at the Fi Baptist Church of Monroe. Children, grades 4-6, and Youth, grades 7-9, participated in o of two drills held to allow all who prepared to participate. A number of young peop went on to the State drills and won in their particular area. Thank you to all Bible Dr Leaders at the local churches for your dedication. The commitment and direction of M Sara Humphries, the associational Bible Drill leader, and the tireless dedicated help of L Marian Hume are recognized and greatly appreciated.

Discipleship is a process of spiritual growth and development in an individual's life. It not just a "program" of the church. Churches, are you growing? Members, are you gro ing? Pastors, are you growing? Remember, it's a lifelong process. Let's grow together!

"If you continue in my Word, then you are my disciples indeed. And you will know the truth a the truth will set you free." John 8:31-32.

GENERAL BOARD ANNUAL REPORT

The work of the General Board has been significant this year. The work has been heavy with important changes in the operating structure of the Baptist State Convention in Cary. Dr. Jim Royston has been instrumental in the changes. With the help of an outside consultant, the General Board staff was re-structured into six divisions of work — Congregational Services (Dr. Don Bouldin, Executive Team Leader), Mission Growth and Evangelism (Dr. Milton Hollifield, Executive Team Leader), Strategic Initiatives (Dr. Tom Jenkins, Executive Team Leader), Resource Development and Promotion (Dr. John Roberson, Executive Team Leader), Convention Relationships and Budget (Dr. Tom Womble, Executive Team Leader), and Business Services (Mr. Ed Wiggs, Executive Team Leader). It has been my privilege to chair the re-organizational subcommittee. Our work should be completed in the coming months.

A second major issue for the General Board has been to work with the Committee on Cooperation, chaired by Dr. David Crocker and Dr. Greg Mathis, to set forth major changes for the election of offices for the Convention and the General Board. The recommended changes will be voted on in November in Winston Salem. It is critical that we each go and support these changes so that North Carolina can go on record saying we trust the leaders across our state to run the Convention. The Biblical Recorder has spelled out the process. Space here is too short to do that in detail.

Other major things have occurred. These two, however, are the most significant. I will let them be the substance and highlight of this annual report:

MEDIA REPORT

The Dr. Marian Hume Media Resource Center at the UBA provides materials for the churches to meet the needs of their people. The different types of materials available include the following: Reference Materials; Periodicals; Books; Audiovisual Materials; Curriculum Materials for Sunday School, Discipleship Training, WMU, Baptist Men, and Music.

All materials in the Media Resource Center have been cataloged. The Card Catalog will help individuals locate the materials that they need. Also, the Associational Office Personnel will assist individuals in locating materials.

Some of the topics covered in the Media Resource Center are:

Baptist Beliefs	Baptist Churches	Baptist Institutions
Bible Study	Discipleship Training	Evangelism
Family Life	Missions	Spiritual Growth

The materials available at the Media Resource Center at the UBA will assist us as we seek to do God's Will in our lives. It is our hope that the members of our churches will visit the Media Resource Center and see what is available. These materials can help promote spiritual growth and help individuals be prepared for a deeper involvement in the life of their church and community.

Some of the churches in the association have libraries. We encourage the other churches in the UBA to establish a Media/Library.

Christian materials can equip us to do ministry! As we enter the next century, the need for Christ is great in the world. Let us be ready to meet the challenge. "Study to show Thyself approved unto God; a workman that needeth not to be ashamed" (II Timothy 2:15).

Respectfully submitted,
Mrs. Alice B. Coleman
Media Director

MISSIONS AND OUTREACH COMMITTEE

The UBA Missions and Outreach Committee worked hard this year to promote several missions causes. The following are highlights of our year's activities.

New Beginnings This is our newest church start which began on April 4. Rev. Rick Brown is the pastor. New Beginnings meets at The Refuge each Sunday morning. Euto Baptist Church is their sponsor church.

Charlotte East This church has decided to disband. The pastor left and the youth began attending another church that had an active youth program. The money in the treasury is to be given to different mission causes. UBA is expected to share in this. The members are joining other Southern Baptist churches.

Community Baptist Sunday, September 12th, was a very beautiful day. At 3:00 pm, Community Baptist members along with many visitors met outside to break ground for their new building. They are in the process of getting permits for the construction to begin. They need our prayers and support at this time.

El Buen Pastor The trees have been removed in order to get the grading done. This will begin as soon as we can get all plans finished: EPA, plumbing, electric, heating and air, etc. All this must pass the county inspection department. We hope to have the building dried in before winter weather comes. After a very successful fund-raising campaign for *El Buen Pastor*, UBA churches generously contributed a total of $50,852.66 during thus far in 1999.

SUNDAY SCHOOL REPORT

Sunday School is the foundational strategy in a local church for leading people to faith in the Lord Jesus Christ and for building Great Commission Christians through Bible study groups that engage people in evangelism, discipleship, fellowship, ministry, and worship. This is the definition of Sunday School for a new century. Churches that wish to be effective in Great Commission church work will do well to choose Sunday School as the foundational strategy for accomplishing this task.

As we begin a new century, churches must earnestly explore whether they have a Sunday School strategy or Sunday School program. The difference: a program is the established order of doing Sunday School work and a strategy is a plan for achieving the purpose of the church.

Bible study at 9:45 am on Sunday morning involving age-graded groups at the church building is an example of a Sunday School program. A wonderful example of

Sunday School as a strategy is the actual birth of a Sunday School.

In 1780, seeing the rampant increase in crime, violence, and vandalism in his community and in working in a prison ministry, Robert Raikes saw a need for Christian education for the children so adversely affected by the industrial revolution. Raikes realized the mills were keeping the children out of school, and since Sunday was the only day the mills were closed they had no hopes of receiving an education, religious or otherwise. Raikes devised a strategy to meet the needs of this target group of young people by starting schools on Sunday for the purpose of giving those children an education and sowing the seeds of the gospel in their hearts.

There are yet unreached people in our county that need to be reached with the life-changing Good News of Jesus Christ. They can be reached. Jesus commands us to reach them. Not all will be saved, but all must be reached with the Gospel. The church that chooses Sunday School as the foundational strategy for discovering who these people groups are, what needs they have, and plans a strategy for meeting those needs, both felt and spiritual will again prove that Sunday School is on the cutting edge of Great Commission Church work.

This year the associational Sunday School team has helped several churches in the Union Baptist Association develop strategies for Great Commission Sunday School work. It is always a joy to visit with Sunday School leaders and share in the excitement of what God is doing in their Sunday School work. We look forward to being of service to you. Please feel free to contact any member of the team, if we can be of service to you.

UNION COUNTY CRISIS ASSISTANCE MINISTRY

Union County Crisis Assistance Ministry was founded by local ministers who saw the need to join forces to more effectively help families in crisis. Since its beginning in 1985, a number of area churches have included us in their budget. With this support Crises Assistance has been able to prevent homelessness, keep children warm by paying heating bills, and help the elderly purchase much needed prescription medicine.

In 1998, one hundred percent of all donations made to this Ministry were directed toward resolving financial emergencies. United Way funds administrative expenses. Donations made to this ministry are used as a last resort when federal, state, or local funds are not available.

Crisis Attendance Ministry accepts referrals from any minister and /or church in Union County. One of the real positives of our ministry is that when someone requests assistance from a church, the minister may refer that person to this agency. The staff will interview that applicant to verify the need. This procedure eliminated duplication of request, and provided timely and efficient decisions for assistance.

We strive to be good stewards of the resources entrusted to us... and counsel clients about their responsibility to manage their resources.

On behalf of the board of directors, staff, and most importantly the clients, we thank you for your prayers and support.

Bobby H. Griffin, President

WINGATE UNIVERSITY

In keeping with its mission of providing a supportive atmosphere where faith, nowledge and service are the cornerstones of a Christian higher education, Wingate Jniversity gave significant attention to conversation and collaboration on faith issues this ear.

Wingate hosted the first annual Faith Doing Justice Conference—a Protestant-'atholic dialogue about social justice and its relation to personal faith. Headlined by evan-elical, social activist Rev. Tony Campolo and Charlotte Catholic Diocese Bishop William 'urlin, the event brought together more than two dozen community leaders as well as nterested individuals from the Protestant and Catholic traditions.

Wingate was also the host site for the celebration of the 75th Anniversary of aptist Student Unions in North Carolina. Wingate students joined their peers from round the state in service during their Spring Break. Some helped build a Habitat for Iumanity home in Marshville, while others led vacation Bible clubs for youth in a nearby ailer park. Some chose to work with young Hispanic children in area elementary schools.

Wingate's annual Interpretation of Scripture conference brought pastors and lay eople from Lancaster, S.C., to Black Mountain, N.C., together to discuss the book of oshua. This conference helped prepare participants to teach the winter Bible study.

Another event well-attended by Baptist teachers, ministers and laity was Vingate's Panel Discussion on Evolution and Creation with Dr. Man Wah Tan, a geneticist om Harvard University, and Wingate professors Dr. Chris Dahm, Dr. Todd Lake and Dr. m Peterson. G.A., R.A. and Youth Days were attended this year by hundreds of youth om six area associations. The day long programs focused on missions and featured home nd foreign missionaries as the major speakers.

Wingate students continued to be energized about outreach and involved in any meaningful service activities. Wingate Works and the University and Community ssistance Network were two organizations active in community service throughout the ear. Group members helped build two habitat homes for poor families, did yard work nd home repairs for the elderly, and cleared trails at Union County's Cane Creek Park.

The Christian Student Union, Wingate's B.S.U., continued to be one of the largest rganizations on campus with an ever-increasing attendance at weekly meetings. Small ible study groups met weekly in residence halls, providing students a venue for reflec-on on scripture, prayer , and fellowship. Ten C.S.U. student spent two weeks in onduras working with the Baptist Medical and Dental Mission in May. Sarah Anderson ft for Honduras shortly after her graduation from Wingate. She has spent all but one of er Spring Break vacations in service to others as part of Wingate's C.S.U.

"It's neat to be in the mission field and telling people that Jesus loves them—help-g people who can't help themselves,"she says. "You learn a lot about yourself too and our relationship with God."

During the year, students and faculty were enriched through a program of spiri-al events which included lectures by prominent Christian leaders on significant acade-ic, ethical and religious topics. Guests this year included Dr. Ben Witherington, author thirteen books on Jesus and the New Testament; Sister Helen Prejean, social activist and uthor of *Dead Man Walking*; Bruce Kuhn, Broadway actor who performed *Acts of the postles*; Millard Fuller, founder and president of Habitat for Humanity; Dr. William Edgar, ho spoke on the Christian roots of jazz; and Rev. Al Cadenhead Jr., pastor of Providence aptist Church in Charlotte.

Other events held on the Wingate campus affirmed the close ties between the

University and the Baptist community. In Union County and surrounding areas, Wingate's cultural assets were a source of education and entertainment for both adults and children. Over 25,000 school children, teachers, and parents attended cultural events on the University campus. More than a dozen Baptist organizations were among those in attendance. A weekly television program on WUTV continued to strengthen the relationship between the University and area churches. Dr. Byrns Coleman hosted a program to prepare Sunday School teachers for their adult lessons. The program aired twice each week and frequently included local pastors and members of the Wingate faculty. Many members of the Wingate faculty, student development staff, and adjunct instructors hold graduate degrees from Baptist seminaries. These members of the Wingate family are frequently called upon as resources for area churches.

Additionally, Wingate continued to provide direct financial benefits for its Baptist members. Partners in Education is a matching grant program available to North Carolina students in cooperation with their local Baptist churches. Through this program, many Baptist youth received the financial assistance that made attendance at Wingate possible. Ministers employed full-time by a Baptist church were eligible for tuition-free undergraduate courses through the Coy Muckle Scholarship fund. Other benefits included special scholarships for church youth leaders, dependents of ministers, and dependents of foreign missionaries.

Of great significance this year was Dr. Keithen Tucker's work to enhance relationships between Wingate and Baptist churches across the state. As director of church relations, he traveled throughout the state visiting churches not only to share the good news of the University but also to confirm Wingate's commitment to serving their needs and welcoming with open arms the Baptist youth who seek a quality education in a value centered, Christian environment.

WOMAN'S MISSIONARY UNION REPORT

Union Baptist WMU continues to work toward a missions lifestyle. Each of our members is very busy "transforming" our own community and church. Thanks to each of you.

During the year 1998-99, we not only supported our on-going mission projects such as the Prison Ministry, Celebration Day for the mentally challenged and World Day of Prayer, we also started some new mission projects that we plan to continue in 1999-2000. These are as follows:

Transforming Union County - a day of hands-on community service. We had approximately 100 volunteers for this day and hope to repeat this in the spring.

Pave the Way to Peace Day - a day of prayer in whatever local area each church chose. This, too, will be repeated around Focus on WMU in February.

Please make plans to be involved, to "Take a Stand" for Christ. Pray that God will show you and your church specific areas or people you can minister to.

The recipients of the Mary Blair Scholarships this year are Renay Rollins and Richard Strawn.

AMERICAN BIBLE SOCIETY REPORT

"The **mission** of the American Bible Society is to provide the Holy Scriptures to every man, woman, and child in a language and form each can readily understand and at a price each can easily afford."

Dan had been witnessing to some of the men with whom he worked. One of them was interested in knowing more about Jesus. Dan wanted a copy of the NIV version of the Bible to give him, but was having difficulty finding one in the Missouri town where he lived. In June 1999, he brought one to church with him to show a fellow worker to see if it would be suitable. An ABS volunteer overheard the conversation and offered to give Dan a NIV version hardback Bible printed on nice paper to give the man. She had purchased several from the American Bible Society. The next Sunday, the volunteer took two NIV version Bibles to Dan, one for the fellow worker, one for Dan to give someone else. The last Sunday in September, Dan gave a testimony at church, saying that he'd been invited to the baptismal service for the fellow worker. God's Word and attendance in a church had convinced this man that Christ is the Way and the Life.

The October 1998 Prayer-Gram from the North American Mission Board had a request for Bibles to be given to homeless people who come to the Clovis Brantley Home for Homeless, a NAMB facility in New Orleans. This same ABS Volunteer said to herself, "I can furnish them a case of 24 Bibles from the American Bible Society." She purchased a case of CEV hardback Bibles from the ABS and on the order asked if this order would qualify for the Grant Fund since the Bibles were going to a homeless shelter. The Bible Society donated 24 more Bibles—a total of 48 Bibles went to the Clovis Brantley Home for Homeless in New Orleans.

The Bible Society offers volunteers the opportunity to order free of cost the Easter, Thanksgiving, and Christmas Scripture tray cards and Scripture portions. This same volunteer orders these and distributes them to nursing and residential homes, adult care homes, group homes for mentally challenged, hospitals, an adult day care center, home for battered women, a half-way house, hospice, and senior citizens nutrition sites—approximately 1700 at each of these holidays. This has been a rewarding ministry since retirement. After Christmas two years ago, a short letter came from a lonely man who had received one at a nutrition site, thanking the volunteer for the Scripture portion. It was probably his only Christmas communication. He died within six month. Could the Christmas story have given him hope for the future?

"What God has said isn't only alive and active! It is sharper than any double-edged sword. His word can cut through our spirits and souls and through our joints and marrow, until it discovers the desires and thoughts of our hearts." (Hebrews 4:12)

You can be a part of helping people have a Bible by contributing to the American Bible Society. The above incidents are some experiences of the writer.

BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA, INC.

Three rocks beside her trailer house warned four-year old Mamie not to tell anyone of the way her father was abusing her. If she ever told, her father said, those stones would mark her grave and the graves of her two best friends.

"He had already killed my dog," says Mamie, now 16. "So I believed him."

When authorities discovered Mamie's abuse at the hands of her father, she was taken from him, and he was charged, but released on bond. He came to the house where Mamie was staying to kill the people in the house...and her. But he was subdued. She heard him through the wall threaten her death while she cowered inside.

Mamie's mother, who left the family when Mamie was six weeks old, attended her father's trial, but only "to see if Mamie looked like me." Mamie never saw her.

George and Linda Hogan, believing "every child deserves a childhood," took Mamie in and raised her as their own. They met her while delivering communion elements to her grandmother.

"It's been a struggle, but you do the best you can," said Linda, who suffers with diabetic ulcers. After Linda's 71-year-old husband had a second heart attack, Mamie became too much for the couple to handle.

She lives now at Moody Home, a structured value change home for girls in Franklin, one of 13 facilities operated by Baptist Children's Homes of North Carolina.

Shredding the Safety Net

Mamie pressed the boundaries of love, and George and Linda weren't physically able to pull her back to safety. "I tried to push the boundaries a little further and a little further, to see how far I could push before they snapped. Finally, they couldn't take it anymore," Mamie said.

Baptist Children's Homes serves families who "can't take it anymore," who have children or grandchildren whose behaviors are out of bounds.

In 1998-99 BCH served 1,646 children and their families through 13 facilities statewide. BCH operates residential campuses in Thomasville, Pembroke, Kinston and Clyde; a maternity home in Asheville; a teen mother/baby home in Lenior; values-change homes for girls in Franklin and Lenoir; therapeutic camping in Cameron; crisis cottages at the residential campuses and in Waynesville; and model day care in Thomasville.

Beginning with Easter 1999 and continuing through Thanksgiving 2000, BCH instituted a 20-month institutional emphasis of "Quality Service Through Quality Relationships." Michael C. Blackwell, president since 1983, is "committed to keeping our staff and our services fresh and vital to meet ever changing needs."

The emphasis places top priority on relationships to achieve the highest quality of service possible. The QSTOR operating theme will permeate every action, program and effort within the institution and without.

The word "quality" has been overused and under-realized, and it too often cloaks mediocrity with imagined value. There will be no such veneer at BCH.

Building and Renovating

BCH moved ahead its Odum Home campus in Pembroke to meet new challenges April 27, 1999 by dedicating two major campus renovations. Space for 10 boys was added to the old "main" building which was named Luther and Audrey Carter Hall, in honor of the donor couple who left their estate to BCH.

The former house used for a director's residence was renovated to serve five girls

in transitional care and named for longtime trustee and supporters Abe and Jackie Elmor

Total renovations increased capacity at Odum Home from 28 residents to 4 Additionally, 10 day students from Pembroke Middle School will be served at the Winifre Lindsay Education/Administrative Center. These students have issues to resolve that c not require them to be in residential care.

At Cameron Boys Camp May 4, two important staff lodges were dedicated: th A.J. Fletcher Lodge and the Hubert M. Craig Lodge. These lodges provide staff housin a rare commodity in wilderness setting in which Cameron Boys Camp operates.

"North Carolina's largest family" is grateful to our North Carolina Baptist pa ners as together, we help hurting children and heal broken families. To secure our ne video about BCH, schedule a speaker or access services call (800) 476-3669.

THE BIBLICAL RECORDER

The *Biblical Recorder* is the official news journal of North Carolina Baptists. Th earliest version of the *Recorder* was founded in 1833 by Thomas Meredith, who had al been influential in the birth of the Baptist State Convention in 1830. The *Biblical Record* was owned and operated as a private enterprise in support of Baptist work in Nor Carolina until 1938, when the paper was purchased by the Baptist State Convention an incorporated as an agency of the convention.

A number of able editors have served the *Biblical Recorder*, which is wide acknowledged to be in the top echelon of state Baptist papers. The current editor is Tor W. Cartledge, whose tenure began on January 1, 1999.

The *Biblical Recorder* plays a strategic role in promoting God's kingdom wo through North Carolina Baptists. On April 22, 1999, the Board of Directors of the *Biblic Recorder* adopted the following mission statement: ***"Our Mission is to further Christ kingdom by providing relevant news, insightful opinions and supportive resources North Carolina Baptists in a timely and accessible fashion."***

The *Biblical Recorder* belongs to all North Carolina Baptists, and appropriate reflects the geographical, ecclesiological, and theological diversity that is typical of th churches making up the Baptist State Convention. The editors and staff of the *Record* work diligently to offer a fair and balanced presentation of the news that most affects th life and ministry of the North Carolina Baptists. CHRISTIAN ACTION LEAGUE OF NORTH CAROLINA

A. Christian Values

It was the pleasure of the Christian Action League to be one of the sponsors of the Fourth Annual Christian Heritage week of North Carolina, held in March. The League encouraged schools, churches, and communities to recognize, commemorate, and learn about the Christian Heritage and History of our nation. CAL assisted in sponsoring a state wide essay contest for High School Students (public, private, and home schools) and presented the state winners with awards for excellence.

Continued to promote Christian citizenship throughout the churches and communities of our state. CAL has distributed over 14,000 copies of the Ten Commandments to churches, businesses, schools, and homes across North Carolina. Promoted Sanctity of Human Life Sunday and the National Day of Prayer statewide.

Held a Church Leadership Legislative Day on April 6, 1999. The purpose of this day was to have pastors and church leaders to com together and enjoy fellowship, meet and hear some off our legislators and become more of how state government and the legislative process works.

Promoted awareness of the worldwide persecution of Christians through faxes, e-mails, and newsletter.

B. Gambling

Lottery proponents continue in their efforts to bring a state-sponsored lottery to North Carolina. Four lottery bills were introduced this session. CAL monitors these efforts and updates the Christian community on lottery information through letters, calls, and our fax and electronic mail networks. Lawmakers have continued to receive a barrage of communications from across the state saying that the lottery is a bad bet for North Carolina.

C. Sex Education

Worked with other Christian and pro-family groups to see that the state mandate

for Abstinence Until Marriage education is implemented state-wide. Also, supported efforts to ensure that federal grant money designated to promote abstinence education was used properly. Informed citizens and legislators concerning attempts to fund school based clinics in North Carolina.

D. Abortion

CAL monitored SB 349/HB 1066 (Act to Ban Partial Birth Abortion), this legislation would have made this type of abortion a class H felony for anyone who performed the late term procedure. This bill died in committee. Successfully encouraged legislators to limit the State Abortion Fund to cases resulting only from rape, incest, and the life of the mother. In the last four years, only one abortion has occurred under these circumstances using tax-payer funds.

E. Alcohol

CAL monitored all legislation concerning alcohol and drugs. Successfully supported efforts to strengthen DWI laws. Assisted communities in organizing committees to fight alcohol and drug use. Informed citizens state-wide about legislation that would have approved alcohol sales without the vote of the people. Four bills were introduced this session that would have permitted alcohol sales without a voter referendum; SB 17, SB 173, SB 606, SB 607, and HB 1043. Provided awareness, education, and resource materials, related to substance abuse problems to churches, communities, etc.

F. Pornography

Worked against HB 1248 which would have allowed individuals to perform in the nude if it "occurs as part of a play, dance, performance or artistic creation that contains serious literary, artistic, political, or scientific value." The bill died in committee.

G. Homosexuality

CAL supports efforts to strengthen the traditional family and continue to monitor and inform the public about the activities of those who promote the radical homosexual agenda. HB 884 and SB's 701, 884, and 759 were all introduced to promote the acceptance of homosexuality as an alternative lifestyle. CAL with other like-minded organizations fought these bills and they were defeated. Worked against HB 1398 (Needle Exchange Program) which would have allowed the state to furnish free needles to drug users using tax-payer dollars.

"N.C. Baptists have been involved in Christian higher education literally since the day the Baptist State Convention (BSC) was born," wrote Dr. Jim Royston, Executive Director-Treasurer, Baptist State Convention of North Carolina, for *The Biblical Recorder.*

Dr. Royston is correct. North Carolina Baptists have placed a high priority upon Christian higher education through the years. As a result, a large number of our pastors, staff ministers, and lay-leaders have been educated by one of our Baptist institutions, helping our churches develop as places where the Gospel is treasured and Christ is honored.

Maintaining close ties to our churches and associations is important to our institutions. This is one of the primary missions of the Council on Christian Higher Education. Founded in 1944, the Council seeks to foster good communications between our churches, associations, and institutions of higher education.

Divinity schools and centers for congregational growth serve as positive demonstrations of our institutions' desire to enhance the life in our churches and associations. Current and future leaders are being trained through these facilities.

According to the Executive Director of the Council on Christian Higher Education, Dr. Wayne D. Wike, "North Carolina Baptists are fortunate to have administrators and faculty members who are committed to enriching the life of our Convention."

Gifts to the Cooperative Program assist in helping our institutions fulfill their missions. Members from cooperating churches are eligible, as a result, to be considered for scholarships to attend one of our colleges or universities. In addition, North Carolina Baptists who meet the admission requirements for the divinity schools at Campbell and Gardner-Webb Universities are eligible to receive $8,100 grants toward their theological education. Students who choose to attend another divinity school are eligible to receive $3,000 toward their educational expenses. All of these are made possible as a result of gifts presented to the Cooperative Program of the Baptist State Convention of North Carolina.

As Dr. Royston wrote, "Baptist colleges are still a priority of our state Convention. It is my hope and dream that more and more students from our churches will attend our schools, and graduate as leaders for our state and nation, as well as for our churches."

Our colleges and universities share Dr. Royston's hope and dream. They, too, believe graduates from our campuses will make a difference in our state, nation, and Convention.

THE NORTH CAROLINA BAPTIST FOUNDATION, INC.

The mission of the North Carolina Baptist Foundation since its inception in 1920 has been to assist the Convention and its institutions and agencies in increasing an awareness among North Carolina Baptists of Christian estate stewardship principles as a means of financially undergirding churches, institutions and mission endeavors on a permanent basis. The uniqueness of the ministries and services provided by the institutions and General Board staff merits increased financial support. The Foundation accomplishes these objectives by offering assistance in estate planning counsel, Will preparation, planned giving, charitable remainder trusts, endowment funds and church fund management.

During 1998, the Foundation provided assistance to individuals in establishing 28 endowment funds and 11 charitable remainder trusts totaling $1.4 million and received $3.8 million in contributions to existing endowments all of which will ultimately benefit countless Baptist causes on a permanent basis. Programs were provided for 94 churches

and associations during the year to promote Make Your Will Month, Christian estate stewardship, and church fund management. Some $639,000 from churches came under management to enhance numerous church ministries including scholarships, building funds, cemetery funds, benevolence funds, general operating funds and other various mission causes.

The Foundation employs professional money managers to invest these funds according to an investment policy adopted by its Board. Four investment pools are offered: a growth fund, a balanced fund, an income fund, and a fixed income fund. During the third quarter of 1998, the Foundation enhanced its position even more by engaging the services of Salomon Smith Barney to help select top money managers in the country.

As of December 31, 1998, the Foundation held $80,874,628 under management. This is an increase of more than $8 million over 1997. During 1998, $1,741,923 was distributed to individuals and $2,772,599 to Baptist work for a total distribution of $4,514,522. During the 79-year history of the North Carolina Baptist Foundation, Inc., $14,217,160 has been distributed to individuals and $22,305,008 to Baptist churches, institutions and mission causes for a grand historical total of $36,522,168.

NORTH CAROLINA BAPTIST HOSPITAL

Meeting the Challenges of Health Care

HOSPITAL CARRIES THE TRADITION

In May of 1999, The North Carolina Baptist Hospitals, Incorporated celebrated 70 years of service to the community and the region. During these years the Hospital has been faithful to the vision of the North Carolina Baptist State Convention. When the Hospital was birthed, Convention stated the reason for doing so was: *to extend the healing ministry which was demonstrated by Jesus Christ*. Many challenges have been faced through these years, but the commitment to compassionately strive for innovative excellence has remained the same.

BAPTIST BENEVOLENT CARE FUND

Baptist churches from all across North Carolina joined us in mutual mission through the Mother's Day Offering. This annual ingathering of love was approved by the Baptist State Convention of North Carolina in 1924. In 1998, the MDO amounted to $530,874. It was used exclusively to help patients who had little or no health care insurance or no other financial means to pay their hospital bills. From the offering this past year well over $200,000 was used to assist members of our Baptist churches in North Carolina. May God bless all those who supported us with prayers and gave so generously.

DIVISION OF PASTORAL CARE

During the year, the Department of Chaplaincy and Pastoral Education provided worship services in Davis Chapel on Monday, Wednesday, Friday and Sunday, as well as services in the J. Paul Sticht Center. Chaplain supervisors, residents and interns made more than 50,000 ministry contacts last year. Seventy-five students graduated from the Department's fully accredited Clinical Pastoral Education program. Maurice Brigg

etired from the Department in February after 30 years of service. He was known throughout the Hospital for his pastoral presence and the depth of his sensitivity and care.

The Department of Pastoral Counseling/CareNet, Inc. Continues to expand it's ministries. There are now 13 Christian counseling centers located in strategic areas from Franklin to Wilmington. During the year, these professionally staffed centers will provide over 26,000- hours of Christian counseling.

The Center of Congregational Health, Inc. continues to expand its mission of helping congregations become healthier communities of faith. Programs and assistance offered to churches include: Consultation, Intentional Interim Ministry, and Leadership Development. Resources for ministers include: Young Leaders Program, Leadership Development Group, Interim Ministry Training, and Intentional Interim Ministry training.

ACTS ABOUT WAKE FOREST UNIVERSITY BAPTIST MEDICAL CENTER

- With more than 11,000 employees, four restaurants, two banks and a post office that handles more mail than some towns, the Medical Center has been called a city-within-a-city. We are the largest employer in Forsyth and Guilford counties.
- The North Carolina Baptist Hospitals, Incorporated has opened BestHealth, a community health information center, at Hanes Mall in Winston-Salem. The center will provide a library of books, audio and videotapes, limited Internet access, computer software and a variety of on-site programs to help area residents become better informed about their health and how to remain well.
- Building strong relationships with the community is important to us. A recent survey indicates that Medical Center employees donate more than 30,000 hours of volunteer service a year to more than 300 different organizations in our area.

POINTS OF EMPHASIS AND PROGRESS

Gamma Knife - The North Carolina Baptist Hospitals, Incorporated will have the only one in the state by this fall. Patients with inoperable or inaccessible brain lesions benefit from the availability of this noninvasive procedure that gives the same results as surgery but with no need to open the skull or make an incision. This procedure has been found to be three times mor effective in treating recurrent cancerous brain tumors than other radiosurgical tools. The Gamma Knife uses radiation to destroy tumors, vascular malformations and other benign brain lesions with pinpoint accuracy without destroying healthy, normal tissue.

Trauma Center

The Medical Center has the only designated Level I trauma center for northwest North Carolina. In the trauma center, our goal is for the patient who needs surgery to be in a operating room 10 minutes after arriving at the Emergency Department. Surgeons, anesthesiologists and staff remain on duty 24 hours a day to handle such emergencies.

NASCAR

The North Carolina Baptist Hospitals, Incorporated is working with Motor Racing Outreach (MRO) to serve the fitness and rehabilitation needs of NASCAR Winston Cup Racing. A mobile fitness and rehabilitation unit is being provided for NASCAR Winston Cup Racing. A mobile fitness and rehabilitation unit is being provided for NASCAR Winston Cup Racing drivers, crews and families.

Ranked Among the Nation's Best - The North Carolina Baptist Hospitals, Incorporated is among the nation's best hospitals in ten of 16 specialties, according to rankings published in the July 1999 issue of *U.S. News & World Report*. These 10 areas are: cancer, cardiology and heart surgery, geriatrics, gynecology, neurology/neurosurgery, orthopedics, otolaryn-

gology, rheumatology, digestive tract, and urology.

Newest Treatment for Epilepsy - Wake Forest University Baptist Medical Center offers a new treatment for epilepsy - a "pacemaker for the brain" that can help control seizures in patients who are not helped by medication and are ineligible for surgery.

A CLOSING WORD FROM THE PRESIDENT

From the beginning in 1923, The North Carolina Baptist Hospitals, Incorporated has dared to reach and grasp that which others thought was impossible. For many years we have been thought of as a referral hospital where we received the most severe medical cases. Over the years we have become one of the leading research centers in the Southeastern United States. Each role compliments the other. It is a great challenge to innovatively treat these extremely difficult cases and heartwarming to see our compassionate physicians and staff assist in the healing process. People have learned through the years to expect from us the very best in health care. We are committed to make sure that their highest expectations are always met or exceeded.

Respectfully submitted,
Len B. Preslar, Jr., President

SANDY RIDGE BAPTIST CHURCH

Rev. Clyde R. Hawkins, Pastor

Sandy Ridge Baptist Church, located in the Altan community of Union County, can trace its beginning back to 1889, although there are no records of the first pastor or first members. The records of the Union County Baptist Association for 1894 show Rev. J. W. Little as pastor of the church and that the church of 104 members paid the pastor $50.00 annually. Worship service was held every fourth Sunday.

Records also show the church struggled during the Great Depression, but membership grew to a high of 183. Some still remember deacons visiting members in cotton and cornfields, asking for money to pay the pastor's salary and keep up the church building.

After World War II, church membership steadily increased. In 1949 the congregation built a new building, which included a sanctuary and five classrooms. A janitor, Mr. J. W. Hill, was employed. His salary was $5.00 per month.

In 1915, the church made its first gift to Associational Missions, and in 1952 the church conducted its first Vacation Bible School.

In 1954, the first indefinite call was extended to Rev. Wade Funderburk. Prior to this time, pastors were called annually. Since that time, Sandy Ridge Baptist Church has had five Pastors: Rev. Wade Funderburk, Rev. Julius Digh, Rev. John Davis, Rev. Earl Henry, and Rev. Clyde Hawkins.

In 1957, the church borrowed $5,000 and added ten additional classrooms. In 1960, the church called its first full time pastor, Rev. Julius Digh. The Digh family moved into the church's new parsonage, which had been built in 1956.

Sandy Ridge Baptist church continued to grow and in year 1975, the church purchased four more acres of land. A new Worship Center was begun later that year and dedicated in 1976. On December 23, 1979, a special note burning service was held.

The close of the twentieth century brought another major expansion in the church facility. On February 21, 1999 a new Educational/Fellowship building was dedicated. This 8,600 square foot building allows for growth in the pre-school and children's division as well as space for church fellowships.

In the twenty-first century, Sandy Ridge Baptist Church's mission is to continue to exalt the Savior, evangelize the Lost and edify the Saints.

These minutes are dedicated to the following:

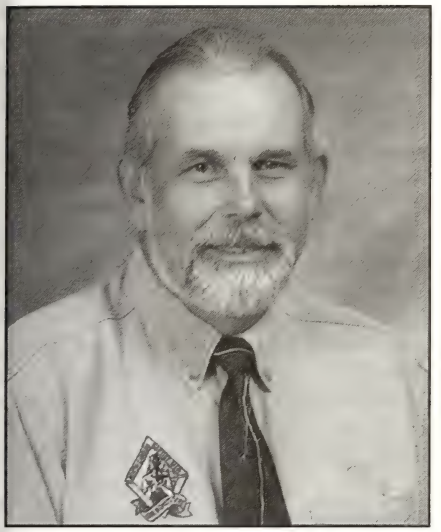
In Memory of
Mrs. Mitzi B. Compton
June 12, 1935 – April 14, 2000

Mitzi Brooks was born in Cabarrus County and grew up in Kannapolis. She graduated from A. L. Brown High School. She married Donald G. Compton on September 15, 1952. They moved to Union County in 1958. Mitzi was the loving mother of three children, Donna, Jeff, and Laurie. She had six grandchildren and two great-grandchildren. She was employed by Yale-Norton as the Payroll Clerk in 1982 and retired in 1998.

Mitzi's testimony started at age 16 when she gave her heart to the Lord. She had such a wonderful peace within and wanted everyone to know of her love for Christ. As an "active" member of Mt. Pleasant Baptist Church since 1958, she used her time, talents, money and love for her church. She served as a GA leader, a children's choir director, and taught Sunday School from the Nursery to Preschool. She was also an active choir member. (Singing was a big part of her life.) She loved helping with the church bazaar, making her favorite angels and baking cakes. Her last involvement was helping with the disaster relief victims in Grifton, NC, after Hurricane Floyd. It was this commitment that took Mitzi home to her Lord, after a tragic vehicular accident.

Outside her church, she enjoyed painting, needlework, sewing, baking, traveling and yard sales. You could say that "Active" was her middle name. She was very vivacious, caring and fun loving and enjoyed life to the fullest. She is truly missed.

In Honor of:
Billy & Beddie Tarlton



Married on January 26, 1980 Billy and Beddie Tarlton became a team. That was just the start for this couple where teamwork would be involved. Both have dedicated their lives to helping others through disaster relief and sharing the gospel by serving others.

Billy has participated in disaster relief in countries like Kosovo, Puerto Rico and Honduras. He has also served on numerous mission and disaster trips throughout North Carolina. Beddie has also served in Puerto Rico, Honduras as well as North Carolina.

Living in the Wingate community and members of Austin Grove Baptist Church, they have put their personal life on hold, including taking a leave of absence from Billy's business, to dedicate their money, time and efforts to rebuilding homes, churches and lives in eastern North Carolina after the wake of Hurricane Floyd. They have worked days and nights to keep the work progressing since arriving on the scene October 10, 1999, some 15 months ago.

They have three children, Shane, Sherrie and Brandon, and two grandchildren. The Tarlton's passion and propensity for helping people is something that mere words can't describe. The impact they have made by reaching and touching lives around the globe will always be remembered. Union Baptist Association would like to express our heartfelt appreciation and gratitude to Billy and Beddie.

Bylaws

ARTICLE 1 - AFFILIATED CHURCHES

Those Missionary Baptist Churches which have applied for membership, and by vote of the Association are accounted to be in fellowship with the purpose and undertakings of this body, shall comprise the list of affiliated churches. The vote of the Association to extend fellowship, or to withdraw fellowship, shall be a two-thirds vote.

All churches not affiliated with another Association of like faith may be admitted as members into this union by a two-thirds majority vote of the messengers present, provided they comply with Article 23 of the Bylaws and make known their desire to become members of the Association at the annual meeting of the Association when the Association will take action on their requests.

All churches composing the body of the Union Baptist Association, and those asking for membership in this body, shall believe and practice the doctrine of the New Testament as interpreted by Baptists through the years: that all churches presently composing this body, and all others seeking membership into the body at a later date, shall practice baptism by immersion only.

Messengers from one-half of the churches shall constitute a quorum at the Annual Session, and the decision of those present shall be considered the action of the Association. Messengers from one-fourth of the churches shall constitute a quorum at all other sessions, and the decision of those present shall be considered the action of the Association.

Failure to report annually to the Association or failure to be represented by messengers for two consecutive sessions without sufficient cause shall raise the question of fellowship. The Association may withdraw fellowship from any church which consistently fails to maintain a spirit of cooperation to support the objectives of this Association. It shall be the responsibility of the Associational Council to investigate and make recommendations to the Association with regard to withdrawal of fellowship from any member. At all times any action of the Association must conform to the following principles:

(1) The Association shall regard the churches as independent bodies in all their internal affairs and exercise no ecclesiastical jurisdiction or claim any legislative or judicial power over them.

(2) As every church is an independent body, amendable so far as authority is concerned to the Great Head of the Church alone, any church shall have full power to terminate its connection with the Association whenever it may see fit. While, however, a church chooses to continue this connection, the Association must have a relative right to inquire into its standing whenever it may be necessary to do so, and in case of dissatisfaction to withdraw from it.

ARTICLE 2 - OFFICERS

The officers of the association shall be elected at the annual session in October and shall assume their duties, with the exception of the Clerk and Treasurer, at the close of the session at which they are elected and serve until their successors are elected and assume their duties. The term of the Moderator shall be limited to two consecutive years; other officers shall be limited to five consecutive years, with the exception of the Treasurer. If for any reason the Moderator cannot serve out his term, the Vice Moderator shall become the Moderator of the Association. When the need arises to replace the Vice Moderator, the Associational Council shall present to the Association a nomination of the person to complete the unexpired term of Vice Moderator. This person shall assume the position of Vice Moderator after the approval of the Association.

The Baptist of this Association came directly from the efforts of the early Christian workers of Wales and England. Their first settlements were in Old Welsh Neck section in South Carolina and Old Sandy Creek section in Chatham County. Union County Baptist came from the Old Welsh Section. The Welsh Neck Baptist Church was organized in 1738. In 1793, Lanes Creek was organized about two miles west of Philadelphia Church. This Church was the stock of the Welsh Neck Church. The churches that came out of the Welsh Neck Church organized into the Moriah Association in 1815. For convenience of the North Carolina side of the Moriah Association, the Brown Creek Association was formed in 1854. In 1885, the name of Union Association occurred. The association submitted Articles of Incorporation, which were approved with non-profit status on December 31, 1991, in the name of Union Baptist Association of Union County, North Carolina by the Secretary of State, Rufus Edmisten. These Articles of Incorporation were recorded on February 4, 1992, Book 538, Page 295, in the Union County Register of Deeds office.

PROCEEDINGS

The 146th Annual Session of Union Baptist Association

OCTOBER 24, 2000
SANDY RIDGE BAPTIST CHURCH

Fulfilling The Mission

"Go,...and tell the people the full message of this new life."
Acts 5:20 (NIV)

FIRST SESSION: "*KNOWING THE MISSION*"

Congregational Hymn - Mrs. Gay Burton, UBA Music Director, Shiloh Baptist Church opened the annual session at 2:30 p.m. by leading the congregation in singing *Tell Me the Story of Jesus* and *O How He Loves You and Me*. Mrs. Janice Latta, Annual Session Pianist, Macedonia Baptist Church accompanied on the piano.

Words of Welcome/Scripture and Invocation - Mr. Tony Medlin, Union Baptist Association Moderator, Pastor at Euto Baptist Church thanked everyone for attending and introduced Rev. Clyde Hawkins, Pastor at Sandy Ridge Baptist Church. Rev. Hawkins also thanked everyone for attending. He stated that it was a joy and privilege for Sandy Ridge to be hosting this session. He gave direction to the facilities. Rev. Hawkins spoke briefly from Romans 10 and used that passage to challenge everyone to participate in missions. He led in prayer.

Call to Order - Moderator Medlin thanked Sandy Ridge for hosting the 146th UBA annual session. He called this meeting to order. Moderator Medlin recognized Mrs. Christine Surratt.

Roll Call of the Churches - Mrs. Christine Surratt, Union Baptist Association Clerk, Sardis Baptist Church, proceeded with calling and recording all churches present. Forty-two (42) of seventy-eight (78) churches and missions were represented. Mrs. Surratt stated that the messengers present, representing Union Baptist Association Churches constituted a quorum for the 2000 Annual session.

Presentation and Adoption of Book of Reports - Moderator Medlin recognized Mrs. Surratt. Mrs. Surratt requested those present to review the Book of Reports and contact the association office if corrections need to be made. She then moved the adoption of the 2000 Book of Reports as presented with the provision that any necessary corrections may be made and any church information not yet received may be added prior to annual publication.

Recognition of New Ministers - Moderator Medlin recognized all new ministers that have joined our association since the Summer Session. Those recognized were: Rev. Keith Mason & wife Ginger - Fairfield Baptist Church and Rev. Jeff Whitecotton - Pleasant Hill Baptist Church. He noted that all new ministers from October 1, 1999 to September 30, 2000 were listed in the Book of Reports.

Moderator Medlin gave an update on the health and condition of Rev. Vance Edwards, a longtime pastor in our association. Rev. Edwards is still in the hospital, but recovering. He is holding prayer meetings with the doctors that are treating him.

Recognition of Agency Representatives - Moderator Medlin recognized Rev. Keithin Tucker, Director of Denominational Relations, Wingate University and Rev. Charles Fox, Regional Consultant for the N.C. Baptist Foundation. He thanked them for attending our associational meeting.

Recognition of UBA Ministry Team - Moderator Medlin recognized and introduced the UBA staff. Dr. Dennis Burton, UBA Director of Missions, Shiloh Baptist Church; Mrs. Billie Hutchinson, UBA

Church & Community Ministries Coordinator, Marshville-First Baptist Church; Mrs. Jean Rollins, Administrative Assistant, Mill Creek Baptist Church; and Mrs. Cynthia Dalton, Secretary, Antioch Baptist Church. He thanked them for their dedication and the wonderful job they do on a daily basis.

First Business Session - Moderator Medlin recognized Mrs. Brenda Carter, Union Baptist Association Vice-Moderator, Hermon Baptist Church.
Church Group Coordinators Report - Vice-Moderator Carter recognized Mrs. Verna Funderburk, Union Baptist Association Church Group IV Coordinator, Mt. Pleasant Baptist Church. Mrs. Funderburk directed attention to the Book of Reports. She reviewed the location and times of the quarterly sessions and the annual session for next year.
Memorials - Mrs. Funderburk read from John 14:1-3. A moment of silence was observed for those who have gone before us to be with our Lord this past year. She then closed in prayer.
Stewardship Report - Vice-Moderator Carter recognized Rev. Eddie Price, Union Baptist Association Stewardship Committee Chairperson, Pastor, Calvary Baptist Church. Rev. Price reported to date that our receipts exceed the same time period as last year. He praised everyone for their vision and continued support.
Miscellaneous Business - Vice-Moderator Carter asked that Dr. Marian Hume come forward. Dr. Hume was one of those honored by a dedication in our 1999 Annual. She was not able to attend our Spring Session when the other dedications were present. Vice-Moderator Carter presented Dr. Hume with a copy of the 1999 Annual and spoke highly regarding the dedication and leadership she has given our association for over 30 years. Dr. Hume thanked God for providing salvation to her and His inspiration that she might share His love for all people. She also thanked the association for accepting her with open arms.

Vice-Moderator Carter recognized Moderator Medlin to present a "Partners in Harvest" report. He reminded everyone that the funds received have been designated to the Cape Town Theological Seminary in South Africa. At the beginning of the year, the association had a balance of $11,204.94. Receipts of $660 were received during the year. Disbursements of $8,000 were sent to the college this year, leaving a balance of $3,864.94. He encouraged everyone to participate in the "Partners In Harvest" project.

Moderator Medlin informed all present that when the dinner meal is served, a coffee mug from the Partners in Mission, Union Baptist Association will be available at each place setting. Each person is to receive one and use the mug as a reminder we are partners together in the association.

Vice-Moderator Carter recognized Dr. Walter Woodson, Union Baptist Association Historian, Wingate Baptist Church. Dr. Woodson is representing the UBA 150th anniversary committee. This is an important date, an historically significant time. We would like to observe it in a very special way. He stated, beginning at the next annual session meeting, and continuing until 2004, special presentations will be made about the history of our association. In 2004 a huge celebration is being planned. They are hoping to hold a rally, with keynote speakers, our state governor, an association choir of about 200 strong, special invitations to congregations that are part of the African-American community in our area, etc. He has requested each church write and provide a copy of their history to be included in a special book they will be publishing. One of the important lesson history provides is to show us the hand of God at work in our past, how He has led us and blessed us. We want to thank Him by our celebration in 2004.

Election of Officers - Vice-Moderator Carter recognized Mr. Earl James, Union Baptist Association Mission and Outreach Committee Chairperson, Austin Grove Baptist Church. Mr. James asked for

nominations from the floor for Moderator and Vice-Moderator for the next associational year. A motion from the floor was received that we re-elect by acclimation the current Moderator and Vice-Moderator for the upcoming year. A second was received. No discussion followed. Motion passed unanimously.

Musical Meditation - A trio of pastors' wives (Mrs. Becky Blakley, Hopewell Baptist Church; Mrs. Donna Navey, Ebenezer Baptist Church; and Mrs. Cindy Whitley, Benton's Cross Roads Baptist Church) shared in song.

Moderator's Address - Vice-Moderator Carter introduced the Moderator. She thanked him for his leadership and encouragement this past year and said it has been a privilege to work with him. Moderator Medlin read scripture from Acts 8:12, a deacon in the early church that knew what the mission was. He spoke about "Knowing the Mission . . . Back to Basics." He challenged us to get out of the "rat race" of life by moving to higher form of life and get back to the basic things of what we need to be about. But before we can get back to the basics, we must make decisions and choices that will re-order our lives so as to make God first. In today's society, it is so easy to get so busy doing good things and church things that we leave out God, the primary source for our lives. Our first basic mission is to save the lost. This can be done by reacquainting ourselves with a missionary from heaven - Jesus Christ. Everything we do should be focused around Christ. Moderator Medlin closed in prayer.

Moderator Medlin asked our Agency guest to address the members. Rev. Charles Fox spoke briefly about the Baptist Foundation, which is a trust agency, and said what a privilege it is to share with our association. The Baptist Foundation has been around for 80 years. He will be available later for anyone who has questions or desires additional information.

Rev. Keithin Tucker spoke about his duties as Director of Church Relations at Wingate University. He thanked everyone for their support of the Cooperative Program to help educate young people.

SECOND SESSION - *"DOING THE MISSION"*

Congregational Hymns - Mrs. Burton led the congregation in singing *At Calvary* and *Amazing Grace*.

Director of Missions Report & Welcome Neighbor - Dr. Dennis Burton, Union Baptist Association Director of Missions, Shiloh Baptist Church thanked Moderator Medlin for the important message and everyone for coming. He referred everyone to his "State of the Union" address in the Book of Reports. An update on the *El Buen Pastor* building project and partnership was given. A picture display was available for review. Our goal is for *El Buen* to worship on Easter Sunday morning, 2001. He informed the messengers that Union Baptist Association had members in nine (9) countries this year. There were numerous members participating in home mission projects, both local and out of state. There is a place in missions for everyone to participate. Dr. Burton expressed words of appreciation to our Moderator and Vice-moderator for the wonderful jobs they have done leading our association during the year. He also said thanks to the UBA staff for the exceptional work they have completed. He welcomed Mrs. Billie Hutchinson to the association. She has filled the position of Church and Communities Director vacated by Ms. Ginger Tucker.

Dr. Burton spoke about the grant money that had been received from the Baptist State Convention, along with the monies our stewardship committee included in our budget. The funds are available to help individual congregations in our association in areas they are struggling with or would like to enhance in order to help them grow God's kingdom. Two (2) churches have currently asked for help. It is Dr. Burton's belief that the association exists to help member congregations fulfill their vision as God has given it to them. Union Baptist Association can not win this county to Jesus Christ. Only the local churches can do that. Christ created the church to fulfill His mission and His vision. UBA's task is to assist the churches by providing the skills and resources to help

them win the lost. Union Baptist Association is a partner in mission to the local church and its members.

He presented an update on the "Welcome Neighbor Campaign" and said 44 congregations participated in the campaign. Many good seeds have been planted thru this campaign. He showed a video containing the commercials that aired on the cable television channels leading up to and during the campaign. Those that participated in the commercials were recognized and thanked.

Musical Meditation - Mrs. Burton has assembled a choral group of pastors' wives for the annual session. They presented a musical entitled *"I Want to Serve You Lord."*

Annual Sermon - Dr. Burton introduced Rev. Kenneth Hucks, Pastor at Sardis Baptist Church to bring the annual sermon. Rev. Hucks brought a message from Numbers 13:1-27 entitled, "Claiming Your Canaan." He challenged everyone to remember the mission and the purpose; claiming the fruit of the land, which is the souls of the lost and dying people, who are going to hell, if we do not reach them. God is sending people to Union County so that we may enjoy the life of Canaan. God's plan is for us to win His people and be "All God Saved Us To Be." God wants to use each of us, reach through us and change the world around us by seeing us bring people to faith in Christ. The only thing that stands between God and claiming Canaan are the people He wants to give it to, our sin of unbelief, our sin of inconsistency and our sin of false commitment. Our Canaan is waiting to be conquered, claimed and enjoyed. Are you ready to claim your Canaan, is it in site? God is ready to do His mission - are you? Rev. Hucks closed in prayer.

Vice-Moderator Carter asked for a moment of silence so all those present could speak to the Lord about claiming their Canaan. She reminded everyone to fill out the messenger cards at this time and turn them in. Vice-Moderator Carter recognized Mrs. Billie Hutchinson.

Workshop Preview and Room Instruction - Mrs. Billie Hutchinson, Union Baptist Association Church and Community Ministries Coordinator, Marshville-First Baptist, gave a brief overview of the six (6) workshops available, along with their location. They were: 1) the Baptist Foundation led by Rev. Charles Fox; 2) Establishing a Contemporary Worship Team led by Mr. Royce Wilder, Front Street Baptist Church, Statesville, NC; 3) FAITH Workshop led by West Monroe Baptist Church Team; 4) Disaster Relief Teams Testimonies led by area congregations; 5) Christian Social Ministries led by Mrs. Hutchinson; and 6) American Red Cross led by Mrs. Kathy Bragg, Director, American Red Cross, Union County Chapter. The workshops were divided into two sessions, each session lasting approximately 45 minutes.

Rev. Shad Hicks, Pastor, Sutton Park led in the benediction for the afternoon session along with the blessing for the dinner hour that falls between the sessions.

THIRD SESSION - *"THE COST OF THE MISSION"*

Call to Order - Moderator Medlin called the session back to order for the final session of the day. He encouraged everyone to contact the association office and provide input regarding these sessions. What is working and what is not. This is very important information to the UBA Council. He also announced for all new messengers joining at this time, to fill out the messenger cards and turn them in with the offering later tonight. He recognized Mrs. Surratt for roll call.

Second Roll Call of the Churches - Mrs. Surratt called the roll of churches not present at the first session. Nine (9) additional churches were represented during this time. A final count of churches present for the 146th Annual Session totaled fifty-one (51) out of seventy-eight (78) churches and missions creating the Union Baptist Association.

Congregational hymns - Mrs. Burton led the congregation in singing *Tell the Good News* and *Make Me a Blessing* with Mrs. Latta accompanying on the piano.

Scripture and Invocation - Moderator Medlin recognized Mr. Frank McGuirt, Sheriff of Union County, Wingate Baptist Church. Sheriff McGuirt shared from Matthews 5:13 - 16 then led in

prayer.

Church and Community Ministries Report - Moderator Medlin introduced and welcomed Mrs. Hutchinson. She referred everyone to the report in the Book of Reports by Ms. Ginger Tucker. She proceeded to review the upcoming projects for the next several months. They include: 1) World Day of Prayer, November 6, 2000 at Friendship Baptist Church; 2) Samaritans Purse Shoe Boxes due at the associational office on December 4, 2000; 3) Samaritans Purse Shoe Box workday at Charlotte Convention Center, December 5, 2000; 4) Prison Christmas Boxes due at December 8, 2000; 5) Prison Christmas Party - cakes due at the associational office December 15, 2000; 6) National Alliance for Mentally Ill workshop at J. R. Shute Center, 9:30 a.m. on October 30, 2000. She encouraged churches to get involved in mission projects and offered her assistance to show different ways to be involved in ministries and to make a difference in your community.

Recognition of UBA Council and Committee Members - Vice-Moderator Carter recognized the members of all Union Baptist Association committees by asking them to stand and thanked them for their service, past and future.

Missions and Outreach Committee Report - Vice-Moderator Carter recognized Mr. Earl James, Union Baptist Association Mission and Outreach Committee Chairperson, Austin Grove Baptist Church. Mr. James referred messengers to the report listed in the Book of Reports for the past year update.

Bivens/Funderburk Award for Missions Excellence - Mr. James stated that this award is issued each year to acknowledge churches and individuals for outstanding missions work. Mr. James announced that the Individual Award is given with a mixture of sadness and joy this year. It is given in loving memory to Mrs. Mitz Compton. Her family accepted the award. The Church Award was presented to Mt. Pleasant Baptist Church. Rev. John Culbreth accepted the award on behalf of the church. All members present also stood to be recognized.

Distinguished Service Award - Moderator Medlin presented a Distinguished Service Award to Ms. Ginger Tucker.

The award read "Distinguished Service Award presented to Ginger Tucker in recognition of her Distinguished Christian Service, Leadership and Ministry as Church and Community Ministries Director 1993 - 2000, Union Baptist Association." Mrs. Jean Rollins accepted this award on behalf of Ms. Tucker.

The *El Buen Pastor* Challenge - Moderator Medlin recognized Dr. Burton in absence of Dr. Henry Funderburk and Mr. Earl James. Dr. Burton reported that five (5) years in Union County Public Schools, the Hispanic population has grown 1240%. There are between 3,000 and 4,000 new Hispanics moving into our county every year. *El Buen* has been an active mission church for approximately 8 - 9 years. They are currently sharing facilities with another local congregation. They need their own building and facility to help reach others. This facility will be used several nights a week to do recreation, health clinics, legal clinics, financial clinics, English as a second language, etc. This will become a Hispanic Culture Center.

Mr. James presented an updated report on the building process and issued a challenge to raise the funds to cover the overruns that have occurred during the past eighteen months when this project was first started. Overruns have occurred due to permitting changes, EPA changes, design changes due to the Insurance Commissioners office, etc. Concrete will be poured by the end of this week. The building will be on-site November 13, 2000 and we will be under roof by Christmas. Starting in January 2001 members of the association will be responsible for finishing the building inside.

Dr. Burton presented the need to help *El Buen* enter the facility with a manageable mortgage payment and still allow them to do their mission. The *El Buen* Challenge was for the association to raise $100,000 and the mission will raise $10,000. The challenged issued was:

> 1 - Challenge your church to give one-half of one months mortgage payment, approximately $500, for one to three years. This will allow the church to con-

centrate on Ministry and Mission.

2 - Receive a Special Ingathering Offering to be presented January 23, 2001 at the Winter Session this year. Goal is $60,000!

3 - Encourage individuals to consider a Faith Promise Gift of $1,000 or whatever you feel led by God to commit to the Challenge.

4 - Provide a five minute time in a service to invite Dr. Henry Funderburk or another representative of *El Buen* to address your church.

Congregational Hymn - Mrs. Burton led the congregation in singing *Let Others See Jesus in You.*

Offertory - Moderator Medlin thanked Mrs. Latta for playing the piano for our sessions today. Mrs. Latta presented a musical during the offertory. The offering was designated for *El Buen*. The offering received was $2,889 and Faith Promises received were $3,000.

Second Business Session - Moderator Medlin recognized Rev. Clyde Hawkins, Union Baptist Association Resolutions Committee Chairperson, Sandy Ridge Baptist Church.

Resolutions Committee Report - Rev. Hawkins presented two (2) resolutions to the messengers in the forms of a motion from the Resolution Committee: Rev. Clyde Hawkins, Rev. John Grant and Mr. David Surratt.

BE IT FURTHER RESOLVED that the members of the churches of Union Baptist Association should continue to pray for all the missions and ministry efforts of our Association churches, and for our churches to continually work together in efforts to minister to persons in our county, state, nation, and world.

BE IT FURTHER RESOLVED that special appreciation is given to Dr. Dennis Burton, Director of Missions; Ginger Tucker, Director of Church and Community Ministries through August 31, Billie Hutchinson, Church and Community Ministries Coordinator beginning September 18; Jean Rollins, Administrative Assistant; and Cynthia Dalton, Secretary, for their compassionate, kind and untiring services to all churches of the Association.

RESOLUTION OPPOSING LOTTERY

WHEREAS a lottery would have our state government manage and promote a practice that is detrimental to the individual and the public.

WHEREAS a lottery would encourage those who can least afford to gamble to participate, making the state a contributor to family and individual problems.

WHEREAS a lottery creates an atmosphere of acceptance for gambling and would serve as an encourager for those susceptible to compulsive gambling.

WHEREAS a lottery has been demonstrated as an unreliable method of supporting education.

WHEREAS a lottery encourages one to seek benefits at the expense of others.

WHEREAS a lottery does not necessarily increase state revenues but only changes the sources of revenues.

THEREFORE, BE IT RESOLVED that the Union Baptist Association meeting in its 146th Annual Session at Sandy Ridge Baptist Church on this 24th day of October, 2000 goes on record as being opposed to the lottery in North Carolina and to a referendum on the lottery.

No discussion followed and no second was needed coming from a committee. The resolutions were adopted as presented. The UBA Clerk was directed to mail the Resolution Opposing Lottery to the state legislation so our stand will be on record.

Cookbook Presentation - Moderator Medlin recognized Mrs. Surratt. Mrs. Surratt thanked everyone who participated in the cookbook project. She also thanked Dr. Burton and the UBA Council for their support and encouragement during this fund-raising endeavor. Over 750 recipes from over 250 different contributors were received. Thirty-two churches participated in the project. Approximately 430 pre-orders were received for the cookbook. The cost of the cookbooks will be $15 each. Mrs. Surratt stated that she stepped out in faith and ordered 1500 cookbooks and anticipates raising approximately $14,000 for the UBA sponsored counseling center. The books will be delivered within the week. Everyone will be notified when they arrive. You may contact either the UBA office or Mrs. Surratt for additional information.

Musical Meditation - The Pastor's wives choral group sang *Win the Lost, At Any Cost.*

Director of Missions Address - Moderator Medlin introduced Dr. Burton. He presented message from Luke 14:25-34 an entitled "What's the Limit on Your MASTER Card?" Dr. Burton opened in prayer. He asked everyone what kind of limit do we put on the Master in our life? We set the limit, how much is going to be used, how it is going to be invested, and where it is going to be spent because God gives us free will and free choice. God can not force us, make us, demand from us anything that we are not willing to do, to give, or to be. Where do you restrict God in your life? In 1999, Union Baptist Association baptized 692 souls. This equates to approximately six (6) weeks to win a soul to Christ. In a county that is growing approximately 30 percent per year, our association membership grew less than one percent this past year. "Souls are crying, men are dying." We have thirty-six (36) different language groups in our school system. To reach these people and invite them into our churches it will cost us. The cultures will change, the faces will change, the languages

will change. To follow Christ it will cost us. Are we ready to pay the full price or will we put a limit on our Master. God has called our association to its greatest hour, its greatest moment and its greatest opportunity. This is not the time to put limits on God. The mission fields are ripe and ready for harvest. Dr. Burton closed in prayer.

Dr. Burton presented a slide presentation of the mission fields in Union County as the choral group sang *Win the Lost, at Any Cost.* Moderator Medlin thanked Dr. Burton for the message and the reminder of our responsibility. He encouraged everyone to take the messages heard today, along with the needs, back to the local churches so they can hear also.

Congregational Hymn - Mrs. Burton led the congregation in singing *Lead On, O King Eternal* with Mrs. Latta on accompanying on the piano.

Benediction - Moderator Medlin closed the 146th Union Baptist Association Annual Session by thanking everyone for their participation by attending or being a part of the program. He closed in prayer and the meeting adjourned by common consent at 9:25 p.m.

Total attendance registered for the 146th Union Baptist Association Annual Session was 188.

Respectfully submitted,
Mrs. Christine L. Surratt
Associational Clerk

Bivens / Funderburk Individual Award for Missions Excellence - 2000

Presented at the Union Baptist Association Annual Session, October 24, 2000

Each year, Union Baptist Association seeks to acknowledge churches and individuals for outstanding missions work. The 2000 Bivens/Funderburk Award for Individual Excellence in Missions is given with a mixture of sadness and joy this year. It is given in loving memory of one who gave her life in the cause and execution of mission service to others in the name of Christ.

Mrs. Mitz Compton was killed while riding in her church van at the end of a full day of working in flooded homes in Grifton, North Carolina last spring. She gave her life as she lived it, committed to claiming Christ wherever, whenever, and however she could. Mitz was an active supporter of missions in her own church. She led in the development of WMU at Mt. Pleasant and served as the president of the women's missionary movement there. She was both the GA and Acteen leader, teaching missions and leading by example in her church and fulfilling the great commission. She also served as a messenger from her church to this association.

We all have suffered a great loss in Union County and Union Baptist Association through her homecoming. But her testimony of mission vision serves as a beacon for all of us to follow. The Bivens/Funderburk Individual Award for Excellence in Missions is presented to her family and church in loving memory of Mrs. Mitz Compton.

Bivens / Funderburk Church Award for Missions Excellence - 2000

Presented at the Union Baptist Association Annual Session, October 24, 2000

The church award is presented to a member congregation formed in 1880 and has been a growing leader in missions for Union Baptist Association for many, many years. Although it is a rural congregation, last year they gave over fifteen (15) percent of their income to mission causes around the world.

The church has one of the strongest WMU's and Baptist Men programs in our entire association. The church has become our leading congregation in disaster relief, with teams traveling all over the United States and even outside the United States. They have given many thousands of volunteer hours in service and ministry across North Carolina to aid people suffering the tragedy of natural disaster. When one of their team members was killed in an accident during a mission trip, they returned to Grifton within weeks and continued their ministry there.

They are active participants in every level of association, or always willing to be one of service in and through the association. Not only do they serve causes that are considered local and home, but they serve causes in Jerusalem. If you attend any event in our association, some of them will be there. The 2000 Bivens/Funderburk Church Award for Excellence in Missions is presented to Mt. Pleasant Baptist Church in recognition of their unfailing and unselfish example of missions service.

Ms. Tucker, on behalf of Mr. Earl James, UBA Missions & Outreach Committee Chairman, presented the Bivens-Funderburk Individual Award. This award was not presented at the annual session due to the recipient's absence.

1998 - 1999 Bivens-Funderburk Individual Award

The person whom we honor with this year's Bivens-Funderburk Award for Excellence in Missions is no stranger to church life, Union Baptist Association life, or to the mission field at home or in other countries.

He has served as deacon and Sunday School teacher, an active Brotherhood member . . . on Associational committees, Consulting Teams, Council, and as UBA Treasurer, but it is his effort in Hispanic ministry that we truly want to emphasize.

For seven (7) years, he served as liaison between Oakland Church and *El Buen Pastor*, even taking Spanish classes so that he could communicate with our Hispanic neighbors. He is currently an integral member of the *El Buen Pastor* Building Committee, overseeing the "permits and loans" aspect of the building process.

He gives Spanish Bibles to the Hispanic tenants of his rental properties.

On a Building Team trip to Honduras this past summer, he shared the gospel openly with those he came in contact with. One man made a profession of faith after hearing the witness of our award recipient, and then named his newborn son in his honor . . . his name is Henry.

In recognition of a lifetime of Christian service . . . in recognition of countless volunteer hours given to Union Baptist Association, and in recognition of dedicated ministry to the Hispanic Community of Union County and other nations, we are happy to present this year's Bivens-Funderburk Award to **Dr. Henry Funderburk**.

Moderator Medlin recognized Rev. Shad Hicks, Sutton Park Baptist Church. Rev. Hicks brought a recommendation from the Missions committee that the *El Buen Pastor* Spanish Mission be accepted into the full fellowship of Union Baptist Association. Upon no discussion, the recommendation passed unanimously. *El Buen Pastor* members and pastor were recognized and asked to stand as they received a round of applause.

SUNDAY SCHOOL REPORT/VBS - Moderator Medlin recognized Mrs. Susan Elder, UBA VBS Director, West Monroe Baptist Church. Mrs. Elder informed everyone that this year's VBS program will be taking children to the ocean. The name of the literature is FANTASTIC GOOD NEWS - OCEAN ODYSSEY. DIVING INTO THE DEPTHS OF GOD'S FAITHFULNESS. The Early Bird Clinic for VBS Directors and Pastors will be held on March 23, 2000, UBA Office Building from 7:00 - 8:00 p.m. The VBS Clinic for leaders and workers will be May 1 - 2, 2000 at West Monroe Baptist Church from 7:00 - 9:00 p.m. You only need to attend one night. The main goal of Vacation Bible School is to tell children about Jesus Christ.

Moderator Medlin recognized Vice-Moderator Mrs. Brenda Carter, Hermon Baptist Church to present the UBA Council Recommendations to the body of messengers.

1) The council recommends that the Partners In The Harvest Program be designated to the support of the Cape Town Baptist Theological College for a two to three year period. The goal of the recommendation is to develop partner support of $1,000 per month to help assure the operation of the college in South Africa. Moderator Medlin spoke briefly regarding this recommendation. $11,684.27 is currently in the fund. This will be a yearly recommendation that is brought before the messengers. After discussion, recommendation passed.

2) The council recommends that the Nomination Committee select a twelve member transition team to complete the consultation process begun in 1998. This team will study the organizational, constitutional, financial, facilities, and mission statement needs of the association and will be asked to report their findings at the annual session of the year 2000. Dr. Dennis Burton spoke briefly regarding this recommendation. He explained why and how the recommendation came about. Upon no questions or discussion, the recommendation passed.

3) The council recommends the establishment of an Associational sponsored Christian Counseling Center. A task force will be appointed by the council to bring the necessary facts and information, for final approval, to the Spring Session of 2000. Dr. Burton addressed this recommendation. This is a new ministry or area of concern that came out of the consultation process. A Certified Christian Clinical Counselor has been contacted. Details currently being discussed involve sessions held one day a week, housing at a member church facility, with a target date of May to start. This task force will finalize all the details. Upon no questions or discussion, the recommendation passed.

The UBA Senior Adult Revival will be held March 6 - 7, 2000 at Lee Park Baptist Church at 10:30 a.m. Guest speaker will be Rev. Carroll Johnson with special music provided by the Liberian Acapella Choir.

The second annual UBA Day Camp has been set for June 17 - July 7, 2000 at Sutton Park Baptist Church.

Ms. Tucker urged everyone present to take the prepared packets of information back to the church and pass them on to the appropriate leaders. This information can be placed on bulletin boards, in bulletins, etc. This is one way that everyone in our association can be informed of the many opportunities the association has to offer.

DIRECTOR OF MISSIONS - Moderator Medlin recognized Dr. Dennis Burton, UBA Director of Missions, Shiloh Baptist Church. Dr. Burton thanked everyone for coming. He also stated that he doesn't remember a time when our association has been this involved or active in mission opportunities. How exciting it is to hear what member congregations are doing.

With Council's approval and permission, Dr. Burton is going back to South Africa for two (2) weeks, March 24 - April 8. He has been invited by the NC State Convention to go with Wayne Oakes. They will be training consultants in Conflict Resolution, Reconciliation and Problem Solving.

Our next session is scheduled for April 25, 2000 at Hartis Grove. Dr. Gerhard Venter, Principal of the Baptist Theological College of Cape Town, South Africa will be our guest speaker. He will be here for two (2) weeks. The college has reported a record number of freshmen enrollments to date of 25 full time students and 400 part time students.

Dr. Burton gave an update on *El Buen Pastor* Building project. EPA approvals have been given and permits have been issued. We are waiting for the ground to dry out so grading can begin, then comes the concrete and foundation, and finally the building structure.

The council is planning for Vision 2000. This is where every door in Union County will be knocked on during the month of September and extended an invitation to visit a Baptist church. The last Sunday of September will climax with a "Welcome Neighbor" campaign. Current plans involve passing out the "Jesus" video to every home.

Mrs. Linda Smith, UBA Discipleship Supporter and Family Life Director, Harvest Church, is planning a summer event for families. Activities and worship for every age group are in the plans along with a family cookout. More information will be forthcoming.

DOCTRINAL SERMON - Vice-Moderator Carter introduced Rev. Larry Harrison, Pastor at Hillcrest Baptist Church as the guest speaker. Rev. Harrison spoke from Psalm 126:5. He entitled

his sermon "A Passion and a Promise". His sermon addressed the concerns outside our churches as opposed to the concerns that are inside our churches. Christians should be concerned about the lack of passion in our churches to share the gospel. Jesus Christ showed us that if we have a passion and a purpose, then His promises will follow. In closing, Rev. Harrison presented a skit about a lost man who lived in our community and had to face God. It's time for all churches in the Union Baptist Association to wake up and shed some tears and weeping over the lost souls that are our neighbors. He closed with a prayer asking God to give us a passion in Union County.

Vice-Moderator Carter informed everyone of the refreshments awaiting in the fellowship hall. She thanked the churches in Group VI for providing the refreshments.

CONGREGATIONAL HYMN - Mrs. Flitz led in the singing of *Take My Life, Lead Me Lord.* Mrs. Stephenson accompanied on the piano.
BENEDICTION - Vice-Moderator Carter asked Rev. Vance Edwards to close with the benediction.

He presented several changes that are occurring in the Sunday School curriculum. The Sunday School workshops have been very well attended. These changes are being made to support other changes that have previously taken place in Sunday School work. Sunday School has a new definition for the new century - "Sunday School is a foundational strategy in the local church for leading people to faith in our Lord Jesus Christ and leading them to build great commission Christians." There are five essential functions of the church (evangelism, discipleship, fellowship, ministry, and worship) and Sunday School is engaging people is those areas. He stated that the new curriculum provides better tools for our churches to use. A training event is being planned for this fall.

Mr. Carter announced that Vacation Bible School clinics would be held May 1 & 2 at West Monroe Baptist Church from 7 - 9 p.m. Mrs. Susan Elder is the VBS Director. These clinics are designed to help churches plan and promote their Vacation Bible School.

Two (2) churches in Union County participated in the North Carolina Baptist State Convention and South African Evangelistic Crusade during 1999. This is a two week swap of preaching opportunities available. The cost is $1650.

A certification and clinic for FAITH Strategy will be held in Kannapolis this year. All those interested in participating should contact Dr. Burton for more information.

The next session will be held July 25th at Union Grove Baptist Church. Rev. Mike Cummings, President of the North Carolina Baptist State Convention, will bring the message and share his vision for North Carolina Baptist.

Dr. Burton spoke about the partnership with Cape Town Baptist Theological College in South Africa. Over 250 new churches have been planted in South Africa due to the North Carolina - South Africa Partnership. Approximately 20 months remain in this partnership.

A PRAYER OF REMEMBRANCE - Moderator Medlin pointed everyone's attention to the article written by Dr. Burton entitled "The Cost of Discipleship." This emphasizes the cost sometimes required while serving the Lord. One of our very precious members, Mrs. Mitzi Compton, was taken from our midst while traveling on a mission trip. Moderator Medlin recognized those involved in the accident from Mt. Pleasant Baptist Church. He led in prayer after a few moments of silence held in memory and honor of those involved.

She encouraged all churches to participate. The motion passed.

MUSICAL MEDIATION - Hartis Grove Choir presented the special music for the evening, *I Worship You.* They were led by Mr. John Van Williams, Music Director, Hartis Grove Baptist Church.

MESSAGE - Dr. Gerhard Venter began by expressing many, many thanks to Union Baptist Association for the generous support and love that has been shown. He shared about the college along with the new programs that are being developed. He presented Moderator Medlin with the gift of a tie. Dr. Venter's message came from Nehemiah 1. Nehemiah only took 52 days to build the walls of Jerusalem. He spoke about the way people have become accustom to instant success stories today, we seem to think everything happens like that. However, when it doesn't work that way for us, we become despondent. He emphasized that the key to success in reaching people is commitment and endurance. Commitment and endurance can be found in all aspects of life, from starting a church, starting a marriage, starting a new life in Christ. Commitment is the easy part, endurance is what makes it last. Only thru Jesus Christ can all this be accomplished.

Moderator Medlin thanked Dr. Venter for coming and for the tie. Moderator Medlin reminded everyone that at the Winter Session in February, the Union Baptist Association messengers voted to partner with Cape Town Baptist Theological College for one year contributing the sum of $1,000 per month. He presented Dr. Venter a check in the amount of $4,000 for the first installment. Dr. Venter thanked everyone and assured them that he would take the money back to the college and train more people to go out and reach people for Jesus Christ.

Moderator Medlin also took this opportunity to appeal to everyone to become a "Partners In Harvest" member. The membership is $60 per person per year.

BENEDICTION - Vice-Moderator Carter reminded all to join in a time of fellowship immediately following the benediction. The refreshments have been provided by churches in Group VII. She

thanked them for the participation. Mr. Bob Fitzgerald from Hermon Baptist Church led in the benediction.

He thanked everyone for their continued support to the association. The 2001 proposed budget totaling $263,415 was presented to the messengers. This represents approximately a 10% increase over the 2000 budget. This is due to a five percent overall increase plus a grant for $10,000 from BSC for strengthening and supporting present congregations. A recommendation from the Stewardship Committee was made to adopt this budget. No second was needed, coming from a committee. No questions or discussion followed from the floor. The recommendation to adopt the 2001 proposed Union Baptist Association Budget as presented passed unanimously.

COUNCIL REPORTS - Moderator Medlin recognized Mr. Steve Outen, UBA Partnership Missions Coordinator, Lakeview Baptist Church. Mr. Outen presented an update on the UBA

Partnership and International Mission opportunities available. Areas he highlighted include: Southern Africa, Appalachian Mountain Ministry; Alaska; Honduras and the continued Eastern NC Flood Relief. He encouraged everyone to get involved with missions by becoming players (active participation), payers (support thru giving) and prayers (those who continually lift up the efforts). It really doesn't take a lot of time or dollars to get involved. The blessings you receive far outweigh the cost.

UBA MINISTRY REPORTS

CHURCH AND COMMUNITY MINISTRIES - Moderator Medlin recognized Ms. Ginger Tucker, UBA Director of Church & Community Ministries, Mill Creek Baptist Church. Ms. Tucker thanked Union Grove members and all other volunteers that were involved in the UBA 2nd annual Summer Day Camp. They had an average attendance of 29 children for three weeks. She reminded everyone about the Back-To-School mission opportunities (Shoes for the Soul and Operation Bottoms-Up) that would be forthcoming. Details and information would be included in the August UBA newsletter.

Included in the messenger packets was a 2000 Prayer Guide for NC Missions Offering and Week of Prayer, September 10 - 17, 2000. Ms. Tucker encouraged everyone to participate in this offering. UBA received $4,000 from the NC State Convention for the day camp. These monies came from the missions offering and when you give to them you are giving back to your association.

Ms. Tucker announced, with much relief and joy, that *El Buen Pastor* final plans have been approved and are ready for permits. Grading and building construction can begin.

DIRECTOR OF MISSIONS - Moderator Medlin recognized Dr. Dennis Burton, UBA Director of Missions, Shiloh Baptist Church. While Dr. Burton was coming forward, Moderator Medlin asked that all messenger cards be completed and they would be taken up during the offering later tonight.

Dr. Burton stated that for the past five years, the UBA had a umbrella theme of Missions 2000. One of the goals of Mission 2000 was to knock on every door in Union County and invite everybody in the county to worship with one of our churches. In the messenger packet was a brochure entitled "Welcome Neighbor!" that would be passed out to every door knocked on. It stated, "You're Invited!" Your Baptist Neighbors and Friends Would Like To Meet You. Join Us On Welcome Neighbor Sunday, September 24th. Plan now to attend. We Look Forward to Meeting and Visiting With You and Your Family. Your Nearest Union Baptist Association Congregations are: . . . . . Please phone 283-8383 for more information." Dr. Burton spoke about how the process will take place. He also suggested that the "*Jesus*" video be purchased and given out at the visitation. This is not intended as a witnessing opportunity, but a "welcome" opportunity. Materials are also available in Spanish. Maps are being developed for every church that will participate to cover a two mile radius of their church. He presented overhead slides to emphasize the way territories will be divided.

The month of September has been set aside for this project with the last Sunday as "Welcome Neighbor". Dr. Burton emphasized that here is a chance for our 78 churches and 26,000 members to show love and concern for everyone in Union County.

Dr. Burton spoke briefly about the 2001 budget. He was elated about the $10,000 grant to help churches. It is very important to plant new churches, but equally important is the need to revitalize existing churches. That is what this grant is for. He asked for churches to contact him regarding a particular area they need developed or improved and he will see that they get the support they need. This support is intended to help energize and grow established congregations thru training and encouragement.

One last area that Dr. Burton addressed was the Counseling Center. A meeting has been set up to complete the details. Shiloh Baptist Church will provide the office space. Word has spread and the UBA office is already getting calls regarding this ministry.

BAPTIST RETIREMENT HOMES - Vice-Moderator Carter recognized Dr. Burton. Dr. Burton introduced the next speaker, Rev. William R. Stillerman, President, Baptist Retirement Homes of NC. Dr. Burton spoke about the leadership Rev. Stillerman has provided during his ministry, particularly in the area of the elderly. Rev. Stillerman spoke about the new Baptist Retirement Home community being developed in Concord, NC, an $18 million dollar facility on 100 acres of land and targeted to open in late 2002. He also emphasized the importance of the UBA Messenger Newsletter, how it keeps you informed and up-to-date on what is happening within the association. He urged everyone to request a copy from the association office if they were not presently receiving it.

MESSAGE - Dr. Burton introduced Rev. Mike Cummings, President, NC Baptist State Convention; Director of Missions, Burnt Swamp Association. Rev. Cummings thanked Dr. Burton for his ministry, especially to others. His message was titled "Harvest on Display" and was based on John 4:3-7. In the world today "neighbors" vary greatly. Today we are internationalized, all so different, but still God's people. We need to embrace change, cultures and people. We don't need to get in God's way, we need to become a part of what God is doing. People are looking for understanding, care and concern from churches today. Churches should be about building relationships, family and love. People today are lonely, lost and need a family that they can be a part of. It's what Jesus did, showed people He loved them as they were and cared for them where they were.

Christians need to break out of their mold and reach out to others. Jesus was a dreamer, a visionary. Farmers can see the harvest, Jesus saw the harvest - Do we? God calls people, we are not to hold them back. People are on a spiritual quest. He urged and encouraged everyone to embrace the community around them and bring people to Christ by living the Christian life and being authentic. Rev. Cummings closed with a word of prayer.

Vice-Moderator Carter thanked Rev. Cummings for sharing a challenging message with everyone.

CONGREGATIONAL HYMN - Ms. Burton led the congregation in singing *We've a Story to Tell to the Nations*.

BENEDICTION - Vice-Moderator Carter reminded all present that refreshments were available after the service. She thanked the churches in Group I for providing the refreshments. Rev. Harry Caldwell closed in prayer.

AMERICAN BIBLE SOCIETY REPORT

People often ask, "Why?" when gun fire erupts in schools, churches, and on the streets. Why do young people die from drinking binges? Why do so many young people display road rage? Why are young people involved in hate killings? Why do they overdose with drugs?

The world says that the solution lies in human nature, but the American Bible Society and Christians believe that the answer lies in faith in God and the acceptance of Christ as Lord and Savior. For two thousand years the Scriptures have understood human developmental needs–boundaries, love, security, community.

The American Bible Society is reaching out to youth with God's Word. ABS strives to present the Scriptures with a freshness and in formats that can complete with the multitude of other media aimed at young people.

To distribute Scriptures, ABS partners with churches to conduct Youth Retreats, sponsor salsa concerts to connect with Hispanic Youth, and supports an ABS volunteer whose specific missions is to young people.

In our present society, directing young men and women to the sure love found in God's Word is critical and urgent. Your prayers for, and monetary support of, ABS helps them to be able to reach out to young people.

BROTHERHOOD REPORT

This year the main focus of North Carolina Baptist Men has been disaster recovery in eastern North Carolina. On September 16, 1999, hundreds of homes and businesses were destroyed by Hurricane Floyd as it pounded eastern North Carolina. As soon as the flooding receded, volunteers from Union County Baptist Churches went to help with feeding units and recovery efforts. Hundreds of volunteers from many of our UBA churches have been working in these areas all year. Thanks to the efforts of volunteers, a few homes have been completed and hundreds are being rebuilt.

Many lives have been changed because of this recovery effort. We even mourn the life of one volunteer when our Lord called her home after a traffic accident near Grifton while on a mission trip there with Mt. Pleasant Baptist Church. Our dear friend, Mrs. Mitzi Compton, lost her life while serving our Lord. _Well done thou good and faithful servant._ Words cannot express what she means to everyone who was privileged to know her.

I would like to express my sincere appreciation to all volunteers in missions especially to Billy and Beddie Tarlton, as they continue to coordinate all recovery work in the Grifton area. Through their efforts, volunteers can concentrate on helping others as their own needs are already taken care of. I would also like to express my sincere appreciation for volunteers who have assisted in many other mission areas and countries.

We are the *Hands of God*...may He be glorified through us.

CHURCH AND COMMUNITY MINISTRIES REPORT

The year 1999-2000 was a successful one for UBA Church and Community Ministries. Ministry highlights included:

- *A Christmas party for Hurricane Floyd flood victims in the Grifton, NC area.* UBA churches donated household items that were given to families following a worship service at First Baptist Church in Grifton in mid-December.

- *Collecting shoeboxes for Samaritan's Purse/Operation Christmas Child.* We delivered hundreds and hundreds of toy-filled shoeboxes to the Charlotte drop-off center for Operation Christmas Child.

- *Transforming Union County Day/Operation Inasmuch.* Over 75 UBA volunteers came together on a Saturday in March to perform a wide variety of service projects throughout the county.

- *Sponsoring Spring Celebration 2000.* Again this year Union County Baptists helped with this special day of fun, worship, and fellowship for our area's mentally challenged adults. Cane Creek Park was the site for this ministry occasion.

- ✦ *Whosoever Motorcycle Ministry.* UBA Church and Community Ministries helped with the formation of a new ministry to motorcyclists. Health screenings were held at biker events and a devotional service was held during the Myrtle Beach rally. This ministry continues to meet on a monthly basis.

- ✦ *UBA Day Camp.* Sutton Park Church was the host facility as again this year we ministered to at-risk children with a three-week Day Camp held in June and July. Dozens of UBA church volunteers made this camp possible. Average camp attendance was 30 children.

Ongoing ministries like Shoes for the Soul, Operation Bottoms-Up, and our School Supply drive were all very successful, thanks to the support of UBA churches and volunteers. We are always prayerfully grateful for the volunteer support we receive from Union County Baptists for our ministry endeavors.

DIRECTOR OF MISSIONS REPORT

The State of the Union - 2000

It hardly seems possible that it is time to report to the Association again. The past year has gone by at an almost breathless pace as we have labored together in missions endeavor. Members of our congregations have traveled the roads of Union County, North Carolina, the Nation, and indeed the Globe. We can celebrate an unprecedented year of cooperation and vision. There have been literally hundreds of UBA Baptists going, doing, giving, and working in the Lord's name. I often hear testimonies of victories as people are reached with the gospel. We are praising God for the victories achieved in some very significant ways this past year. Among them are:

The beginning of the construction of the *El Buen Pastor* Building. The foundation is in, and we wait the delivery of the building before Thanksgiving. We project we will be under roof before Christmas. Then volunteers will be called on to finish the interior of the building. Our goal is for the congregation to celebrate Easter in their new building!

The support of the UBA Budget is the best it has ever been! If we continue to support the Association at the current level, we will actually meet our projected budget for the year 2000. I am told this has not been accomplished in the memorable history of the Association. Thank you for your faithful support, vision, and commitment to missions together.

The Welcome Neighbor Campaign was a resounding success in inviting our neighbors to worship with us. Many churches reported new guests on Welcome Neighbor Sunday, with some making professions of faith and others joining with the church. Forty-four congregations cooperated in this effort. I don't believe that we have had that many focused on and working together on a single project in a long time.

UBA has continued to support the Baptist Theological College of Cape Town, South Africa. This year, to date, we have sent over $10,000 to assist them in their operating budget and scholarship funds. Please continue to pray for and support this vital ministry in South Africa. I believe the very future of the Gospel in Western South Africa depends on our faithfulness in helping to support the preparation of men and women to do the Lord's work in this open field of ministry.

Thank you again for the special privilege of serving you as your Director of Missions. Gay and I find open arms and warmth of heart everywhere we visit among our congregations. Your love and support have made this truly a wonderful place to serve. God richly bless you as we labor together for the cause of missions.

DISCIPLESHIP TRAINING REPORT

As the end of the year 2000 approaches, Union County Baptists have experienced growth. It only takes a short tour of certain parts of the county to know that changes are still taking place. An explosion of new neighbors has again brought more members, more money, and larger buildings to Union Baptist churches. For many, a different kind of explosion is taking place. This kind of explosion comes when we go beyond our salvation and get to know our Lord and Savior–when we actually make Christ Lord of our lives. It comes when we quit doing things for God on our own and begin letting God do His will through us. Getting to that point in our lives is what we know as being a disciple of Jesus–making a lifelong commitment to Him and to His teaching.

Our churches are seeing lives change and more people making commitments toward growing in their personal walk with the Lord. Several Bible studies have been used to help guide churches. These studies include the Beth Moore studies, Breaking Free and A Heart Like His. Teens are enrolling in a study by Henry Blackeby and his son, The Student God Uses. Disciples of all ages are spending quality time with the Lord with help from quiet time journals, mentoring programs, accountability partners, missions programs, and Sunday School.

The Associational Bible Drills for children and youth were held in March 2000 at Hermon Church. Nineteen (19) children, grades 4-6, participated with 15 going on to the state level. Six (6) youth participated, and all went to the state level. Participating churches included Midway, Mountain Springs, Philadelphia, and Weddington-First. We especially thank Mrs. Sara Humphries, the Associational Bible Drill leader for her dedication and commitment to the drills in Union County.

Whatever the vehicle, discipleship is an individual process of spiritual growth and development. It is not a program–it is the act of having a personal relationship with our Lord and Savior that teaches us how to live, how to worship, how to serve, how to relate to one another, and most of all, how to bring praise to God. Our Lord will never bring us to a certain point of growth and say to us, "That's it. You've learned everything you need to know in order to pick up your cross and follow me." I am so thankful that He doesn't because I have so much to learn and experience from the Master Teacher!

To all churches, pastors, and members: Let's make a commitment to "grow in heart" in the coming year. Let's see just what God will do when His people don't just call Him Lord, but when His people get to know the Truth!

"If you continue in my Word, then you are my disciples indeed. And you will know the truth and the truth will set you free." John 8:31-32.

GENERAL BOARD ANNUAL REPORT

During the course of the 2000 operating year, the changes recommended by the 1999 board were completed in their implementation. The General Board was re-worked into six new divisions including: Congregational Services, Mission Growth and Evangelism, Strategic Initiatives and Planning, Resource Development and Promotion, Convention Relationships, and Budget and Business Services.

The major issue under consideration during this year has been the purchase and development of the Lake Hickory Leadership Center. The property valued at 3.288 million dollars was purchased following the May 2000 meeting. The property was 30.2 acres. The property comes equipped with furniture. Projected staffing includes a director, a secretary, a part-time secretary, a maintenance supervisor plus two maintenance employees, a chef plus a couple of workers in that area, two on the housekeeping staff in addition to the housekeeping supervisor and night clerks. Since the purchase, the General Board staff has worked hard to get things underway by offering teleconferencing seminars. Several seminars have been scheduled.

A second issue addressed at the September 2000 meeting involved the affirmation of the current staffing processes. In light of the recent decisions and changes made to the Baptist Faith and Message, the Executive Committee of the General Board recommended that the Board affirm the historical method involved in hiring. The traditional process has been not to be concerned with specific faith issues of the employee but to maintain high expectations for behavior and performance.

Many other issues have been considered during this year but these have moved to the forefront in importance and have thus, been highlighted here.

H.E.L.P. CRISIS PREGNANCY CENTER

Thank you for your continued interest in the ministry of the H.E.L.P. Crisis Pregnancy Center. Just as our clients need us, we, likewise, need friends and partners to be able to keep our doors open.

On July 4, 1999, the property was dedicated at a ground-breaking ceremony, and through the combined efforts of churches, businesses, and the community at large, and made possible by God, our building project, Project Ezra, began. During the year of construction, a local church allowed us to continue to operate by using the basement of their building.

On July 17, 2000, the doors of our new 7200 square foot facility opened for ministry, debt free. With the completion of the building phase, God's people are still coming forth, sponsoring and furnishing rooms. All services and supplies are free, and there is no discrimination due to age, race, or creed. Future plans include training classes on abstinence, parenting skills and Bible studies. Goals are to soon be able to include a medical space with ultrasound equipment. Our needs include the resources to retire the existing mortgage on the old building and the building of a solid support base for operation.

A total of 757 clients were served in 1999. Sources of income as follows:

Individuals	40.8%
Businesses	35.9%
Churches	23.2%
Other	.1%

Statistics for January through August 2000 report 428 clients served and sources of income as follows:

Individuals	49.0%
Businesses	17.4%
Churches	33.6%

MEDIA REPORT

Each person in our world is different. There are many ways of learning. A variety of teaching methods can be used. One group or individual may learn best by viewing a video while another group or individual may need to use a book.

The Dr. Marian Hume Media Resource Center at the Union Baptist Association provides materials for the people in its churches to use. The community may also use these materials. The following materials are included: Reference materials; books, audiovisual materials such as videos and cassette tapes; curriculum materials for Sunday School, Discipleship Training, WMU, Baptist Men, and Music.

All materials in the Media Resource Center have been cataloged. The Card Catalog will help individuals locate the materials that they need. Also, the Associational Office personnel will assist individuals in locating materials.

Some of the topics covered in the Media Resource Center are:

Baptist Beliefs, Churches, Institutions
Bible Study and Discipleship Training
Evangelism and Missions
Family Life and Spiritual Growth

The materials available at the Media Resource Center will assist us as we seek to do God's will in our lives. These materials can help promote spiritual growth and help individuals be prepared for a deeper involvement in the life of his/her church and community.

Many of the churches in the association have a Media/Library. We hope other churches will establish a Media/Library.

MISSIONS & OUTREACH COMMITTEE REPORT

During the 1999-2000 associational year, a great deal of emphasis was placed on *El Buen Pastor's* building project concerning zoning, building permits, soil tests, etc. prior to being able to grade and begin construction. A sub-committee was formed from our Missions Committee members to more closely work with this project and report back to the larger committee. The sub-committee consist of Earl James, Joe Stroud, John Green, Shad Hicks, along with Henry Funderburk and Charlie Simpson, who are both working very closely with this project. It has taken a long time to get to the point of grading and actual construction, but grading has now begun and we hope to report new construction very soon. The *El Buen Pastor* held a ground-breaking ceremony at their future site on October 10, 1999 at 5:00 p.m. At our January meeting, it was recommended and agreed upon that funds received after the closing of East Charlotte First Church, be reserved for interior furnishing for *El Buen's* new facility.

In February of 2000, UBA sponsored a Flood Relief Blitz Weekend in Grifton to assist with relief and recovery. In September of 1999, Hurricane Floyd brought massive rains and floods and damaged thousands of homes in eastern North Carolina. Throughout the year, member congregations have committed their help for families in eastern NC through the NC Baptist State Convention's Family Adoption/Partnership program. Two of our own members, Billy and Beddie Tarlton (Austin Grove Church) have been in the Grifton area for a year now coordinating the recovery efforts there in conjunction with the Baptist State Convention. Union Baptist Association churches contributed over $40,000 toward rebuilding efforts, plus supplies which were also collected through the CCM Ministry. The work there continues and churches and volunteers are encouraged to commit their time and efforts to help.

In March of 2000, North Carolina Baptists began a 3-year partnership with Alaska. Opportunities are available through the UBA Office and the Baptist State Convention.

During 2000, Steve Outen (Lakeview Church) filled a new volunteer position as Partnership Missions Coordinator. Steve will work to keep churches informed of mission opportunities and assist in planning and promotion of BSC partnerships.

A storm-debris cleanup effort was sponsored by Union Baptist Association volunteers in March of 2000. Volunteers assisted Union County disabled and low income-residents after the January snow storm.
In June, the Missions & Outreach Committee met with Mr. Blake Bouldin from Carmel Baptist Church in Charlotte. Mr. Bouldin desires to begin a new work in the Weddington area in early 2001 to be sponsored by Carmel Baptist Church.

One of our committee members, Mrs. Teresa Underwood, and her husband, Larry, from Sardis Church, have been commissioned by the International Mission Board and appointed to work as service core personnel in Durban, South Africa for two years. We give them our prayerful support as they begin this service.

After a ground-breaking ceremony on September 12, 1999, we are pleased to report that Community Baptist Church held their first worship service in their new facility on August 13, 2000 and will dedicate their worship facility on Sunday, October 8, 2000.

MISSIONS AND OUTREACH COMMITTEE

(Title Missions) - This committee shall function in three areas of work (new church, church starts, and missions ministries).

In the area of new church, this committee shall receive applications from all churches desiring to affiliate with the Union Baptist Association. The committee shall make such investigation as is needful into the Statement of Faith and Order of the applicant, and at such time as it deems proper, shall make a recommendation to the Association that the applicant come under the watchcare of the Association for the period of at least six months. During this period, the church shall appoint the pastor and one lay member who shall attend the Association sessions and give a brief report of the work of their church including cooperation with the Association and Conventions. At the end of this period, the Missions and Outreach Committee shall make further recommendations to the Associational Council for their joint recommendation to the Association concerning the applicant's request.

In the area of church starts, this committee shall meet periodically to survey areas for possible future missions and/or churches, and shall conduct the necessary census and surveys to determine the needs. When such need has been determined, the Committee shall, with the approval of the Association purchase such lands as are desirable for the future development of missions and/or churches at such time as a sponsoring church can be found and is deemed appropriate by the Committee.

In the area of mission ministries, this committee shall determine the need for ministries (benevolence, literacy, ethnic, blind, deaf, etc.) which are too large to be sponsored by one church. The committee would study the need and determine the associational resources needed to provide the ministry. The committee would recommend to the Association the approach to providing a ministry in this area.

This committee will assist churches in planning, conducting, and evaluating their mission efforts and keep churches informed as to special mission projects being conducted by the Baptist State Convention and by the Southern Baptist Convention. A written report will be presented at the Annual Session on work accomplished during the year. This committee shall be composed of a minimum of fifteen (15) members.

PARTNERSHIP AND INTERNATIONAL MISSIONS REPORT

The churches of the Union Baptist Association have been involved in missions beyond our county for several years and are becoming more and more active in touching our world for Jesus Christ. No less than nine of our member churches have been involved in foreign missions in the past year in places such as Honduras, Brazil, Mexico, Ukraine, Kenya, Puerto Rico, Japan, and South Africa. Of no less importance is the ministries to places in our own country such as Michigan, Alaska, and the Appalachian mountain region.

Needs are great throughout the world, but one of the greatest needs lies in the eastern section of our own state. Although we have recently observed the one year anniversary of Hurricane Floyd and the devastation that it brought to that area, there are those who are still suffering from the loss of the only home that they have known. UBA churches have stepped up to the challenge of meeting the physical and spiritual needs of the people of that area. At present, several of our member churches are sending teams on a regular basis to assist in the rebuilding of peoples' homes and lives. However, there is still much to be done before this area is back to normal. If you or your church have not been involved in the disaster relief and recovery ministry of NC Baptist Men, wouldn't you consider doing so? The effort that you put into it is nothing compared to the blessing that you get out of it.

Several mission trips from our association are now being organized for next year. If your church is interested in a national or overseas mission trip, now is the time to start planning. Our state convention involves member congregations through partnerships with other areas. Here are some areas that the Baptist State Convention of NC is partnering with:

Southern Africa: North Carolina is in the midst of a five-year partnership with the countries of South Africa, Lesotho, and Swaziland.

Appalachian Mountain Ministry: State conventions of the Appalachian region have teamed together to meet the physical and spiritual needs of persons living in this region.

Alaska: In January 2000, North Carolina entered into a three-year partnership with Alaska Baptists to assist in reaching their congregations for Christ.

Honduras: An official partnership has been formed to expand the work of volunteers beyond that of disaster relief that has taken place in the last two years. Honduras is a good place to start for those who want to get their feet wet in international missions.

Eastern NC Flood Relief: Work is ongoing in the wake of massive flooding from Hurricane Floyd. Although the crisis is far less prevalent in the press as it once was, the need is still great and will be for some time to come.
For more information on these and other missions projects in our state, country, and world, please contact the UBA Partnership Missions coordinator, Steve Outen, at: Home phone: 753-4695; Mobile: 291-0169, E-mail: majavin @aol.com

SUNDAY SCHOOL REPORT
ASSOCIATIONAL SUNDAY SCHOOL TEAM

"Sunday School for a New Century...it's all about change."

Remember reading that line in your Sunday School book about a year ago and wondering what that meant?

If your church is using Lifeway materials from the Southern Baptist Convention you knew some changes were coming. Well, (pardon me for using this line from a popular country song), "How do you like me (it) now?"

Lifeway changed its Sunday School materials to reflect the paradigm of Sunday School as the foundational strategy in a local church for doing the Great Commission. We have been busy this year consulting with churches as they began selecting the curriculum for their churches. It is always a pleasure to meet our brothers and sisters from other UBA churches and hear what God is doing in their churches. Especially encouraging are the reports coming from the churches using the FAITH evangelism strategy. FAITH cannot be implemented apart from Sunday School and was developed as a Sunday School strategy. A strategy that is being used of God to lead people to faith in the Lord Jesus Christ.

As we began this new century, Sunday School is not the out-dated irrelevant program that should be scrapped as predicted by some "experts." It is a vibrant, effective strategy that involves believers in the five functions of a Great Commission church: Evangelism, Discipleship, Fellowship, Ministry and Worship. Now, how can something like this go out of style?
Thank you for allowing us to serve Christ by supporting UBA churches in their vital Sunday School work. If we can be of assistance to you or your church, please contact us. We are always glad to hear from you.

Respectfully submitted,
Mr. Kevin Carter

UNION COUNTY CRISIS ASSISTANCE MINISTRY

This year marks the fifteenth year that Crisis Assistance Ministry has been in existence. Crisis Assistance Ministry exists to help people in short term financial crisis. The Department of Social Services and local community churches refer our clients to us.

We can help by paying rent, utilities, or prescription medicine. Our clients are generally the working poor and the elderly. We interview the clients, verify the information we are given and make decisions based on board approved guidelines. All check are mailed directly to the entity owed.

EMERGENCY ASSISTANCE PROGRAM

Since January we provided $35,232.99 in assistance with rent and mortgages. We also provided $21,622.49 to help families keep water and power on. This assistance was provided to individuals and families who failed to qualify from other sources.

PRESCRIPTION MEDICINE PROGRAM

Crisis Assistance Ministry in partnership with Community Health Services provided $3,473.58 in prescription medicine to the elderly and those facing medical emergencies.

CARS FOR WORKERS PROGRAM

Transportation has been documented as a leading problem facing low-income individuals who are trying to move towards economic independence through employment. Cars for Workers is a partnership between Department of Social Services and Crisis Assistance Ministry. This partnership provides cars to individuals who need transportation to work. We solicit donations of cars in good working condition from the community. This year two cars have been given away. If you have a car that you would like to donate to this program, please give us a call.

IF YOUR CHURCH EVER NEEDS A SPEAKER...

We at Crisis Assistance would like very much to "get the word out" about our services and our financial needs. If your church or civic group needs a speaker, please call 704/ 238-0155.

Thanks to the Union Baptist Association for its continual support of this ministry.

WINGATE UNIVERSITY

"The Wingate School is much concerned for the spiritual development of every student. We believe this to be the goal toward which all education should be directed. No matter what intellectual endowment a student may possess, nor how well trained he may be, unless he has spiritual training, he does not add any permanent asset to the world's good." —Wingate Catalog 1923

The millennial celebration brought renewed energy to Wingate University, which has been providing quality education within a spiritual context for over 100 years to North Carolina Baptist children. With a growing student body, considerable capital expansion on campus and the ever-changing dynamics of classroom curriculum, Wingate is at the forefront of progress. Its mission, however, remains the same, and its commitment to the Christian values set forth by its Baptist founders in 1896 has never been more evident.

One of the most active student organizations on campus, the Christian Student Union, involves students in dynamic discussion, youth ministry, mission work, and community outreach. Attendance

at the Thursday evening meetings this year averaged 85 students. Under the direction of Campus Minister, Rev. Paul Baxley, CSU made a great impact on campus by hosting weekly Bible study groups, leading youth retreats and lock-ins through its revival teams ministry, and sponsoring mission trips throughout the year.

More students than ever before participated in mission trips this year. Nearly 40 students spent their Spring Break in Brunswick County, N.C., helping rebuild that community after Hurricane Floyd. In addition to disaster recovery work, the students led nightly worship services and ministries for children in partnership with Calvary Baptist Church in Shallotte and the Baptist Men's Disaster Relief Team of Brunswick County.

The Wingate campus community was enriched this year through a program of spiritual events which included lectures from prominent Christian leaders on significant academic, ethical and religious topics. Guest speakers this year included Dr. Michael Beaty, professor of philosophy at Baylor University and director of the Baylor Institute for Faith and Learning, *Wingate: A Christian University;* Dr. Ron Sider, founder and president of Evangelicals for Social Action, *From Affluence to Generosity;* David Beckman, president of Bread for the World, *Ending Hunger in God's World;* Bart Campolo, president of Mission Year, *Kingdomworks: Letting God's Will Be Done on Earth;* C. F. McDowell, III ('85 alumnus), vice president of special ministries for the Baptist Children's Home of North Carolina, *The Right Place;* and Michael Cummings, president of Baptist State Convention of North Carolina, *A Life Worth the Effort.* Other significant events included Wingate's annual Gospel Music Festival, Black History Month Service, and *Mahalia,* a gospel musical about the life of Mahalia Jackson.

Wingate's fall Interpretation of Scripture Conference, which brings pastors and lay people from North and South Carolina together to examine God's word, focused this year on I Thessalonians. The conference was led by Dr. James Efird of Duke Divinity School and Dr. Richard Kremer of St. John's Baptist Church. In the spring, Rev. Emil D. E. Sam-Peale, executive director of the Baptist Convention of Liberia, led the Spring Missions Conference on the Wingate campus.

Service to God and neighbor is fundamental to a Wingate education. Students continued to be energized about outreach and involved in meaningful activities. Wingate Works and the University Community

Assistance Network (UCAN) had students volunteering in their local community throughout the year. Wingate athletes were actively involved in mentoring and tutoring Wingate Elementary school children through the Bulldog Buddies program. And Bulldogs Reaching Out had student-athletes talking with youth about the importance of education and hosting special sports clinics.

Wingate facilities, including the newly-constructed George A. Batte, Jr. Fine Arts Center, were used extensively by Baptist organizations throughout the state. In Union County and surrounding areas, Wingate's cultural assets were a source of education and entertainment for both adults and children. An estimated 30,000, including many Baptist groups, attended these events on the University campus.

Also of significance this year was Rev. Keithen Tucker's work to enhance relationships between Wingate and Baptist churches across the state. As director of church relations, he attended more than 20 association meetings and met individually with scores of pastors and ministers to share the good news of the University and to confirm Wingate's commitment to serving the needs of Baptist youth across the state

WOMAN'S MISSIONARY UNION REPORT

The Woman's Missionary Union has once again had a wonderful, but busy year. As we reached out in Jesus' name, we were filled with awe and amazement at what God's love could do and how blessed we are to be a part of the Union Baptist Association WMU.

During the year, we ministered to inmates, both local and in Raleigh. We celebrated with mentally challenged adults at Cane Creek. We came together for a day of Transforming Union County. We also assisted with a health clinic for our local motorcycle ministry.

We were blessed and inspired by words from Phyllis Foy and Ronnie Rae. Both challenged us to continue to "transform" our world, take a stand for Christ, and to reach "Beyond Belief" in the name of Jesus Christ. Thanks to each of you from the oldest Woman on Mission to the youngest Mission Friend.

Respectfully submitted,
Mrs. Angie Riggins

ANNUITY BOARD OF THE SOUTHERN BAPTIST CONVENTION

The Annuity Office of the Baptist State Convention of North Carolina in partnership with the Annuity Board of the Southern Baptist Convention provides services related to retirement planning, financial support of ministers and other church employees, life and health insurance programs, and church/clergy tax issues. Education continues to be a number one priority since so many people do not participate in the plans simply because they are not aware of the great benefits.

On January 1, 2000, the Annuity Board began offering The Ministers' Annuity Plan. This new product is particularly designed for the minister who has self-employment income from performing services (i.e. weddings, funerals, revivals, writing) as a Southern Baptist minister, and others who may not qualify for one of the other Annuity Board retirement plans. Eligibility can be determined by contacting the Annuity Board's customer service areas.

The Southern Baptist Convention in annual session in June, 2000, approved changes to the Annuity Board's Mission Statement and two new Ministry Assignments. The changes will now allow the Annuity Board to offer personal investing for Southern Baptist ministers and denominational employees and their spouses, and to assist churches and denominational entities by making available institutional investment services through cooperative agreements with state Baptist foundations.

As of May 31, 2000, there were 4,561 active participants in the annuity retirement plan from 61% of our North Carolina churches. The money contributed by individuals, churches, and the matching contributions from the state convention is invested according to the individual participant's financial goals and risk tolerance with the overall aim to help participants ensure their security in old age. The number of persons in North Carolina receiving retirement benefits totals 2,807 with another 368 assisted through the Adopt An Annuitant and Relief ministries. Funds for supplemental assistance are provided from the Cooperative Program, the Retired Ministers' Support Fund, and the Adopt An Annuitant plan.

For more information related to Annuity Board products and services, call the Baptist State Convention at 1-800-395-5102, extension 174 or call the Annuity Board at 1-800-262-0511 or visit the annuity Board Web site of www.absbc.org.

BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA

"Quality Service Through Quality Relationships" is not just a slogan. It is a foundational statement of philosophy. In our ministry, relationships are everything-relationships with children, with families, with placement agencies, with our own families and churches, and with each other. We are blessed by God in this work because we honor God in relationships.

During the QSTQR emphasis, all BCH staff at every ministry point have made extra efforts to strengthen relationships with the people we encounter. We have incorporated the terms quality, ser-

vice and relationships into a plan of action. We have reflected our desire for quality relationships in everything we do in order to deliver quality services that change lives. QSTQR, celebrating the mission...the millennium...the ministry, was BCH's theme from Easter 1999 through Thanksgiving 2000.

Through Baptist Children's Homes of North Carolina, hundreds of children and families are given new hope for their futures...

> **Children like Linda and her two younger sisters. Linda feared for their well being. It was her responsibility to care for her sisters. Linda remembers moving to a shelter where she finally felt they were safe; there was enough food for the sisters and warm beds. The three children were later placed at BCH. Now, Linda is in a place where others care for her. Linda has discovered God cares for her, too.**
>
> **The McDonalds found the challenge of being a blended family difficult at times. Their son began to exhibit anger toward his parents. He would challenge their authority and began getting in trouble with some neighborhood kids. The situation was getting out of control. Corey's parents called BCH, where they found a staff willing to embrace their family with hope. Today, Corey has begun to deal with his anger, mistrust and behavior issues. His parents are learning how to better communicate with each other and with Corey.**

During the past year, BCH served 1800 children and families through 13 facilities statewide. BCH operates residential campuses in Thomasville, Pembroke, Kinston, and Clyde; a maternity home in Asheville; a teen mother/baby home in Lenoir; values change homes for girls in Franklin and Lenior; therapeutic camping for boys in Cameron; emergency care cottages at the residential campuses and in Waynesville and Asheville; and a model day care center in Thomasville.

In 2000, BCH began a new innovative ministry caring for developmentally disabled adults and their families. Our Trustees unanimously approved a major undertaking this year by committing more than $3.5 million to replace, repair, construct and make much-needed improvements at every BCH location. Most of the work is complete. You are invited to visit our campuses and other facilities to see first hand the difference you are helping us to make.

The commitment to quality has been a cornerstone of this institution since its beginning. **"Quality Service Through Quality Relationships"** was a 20-month public demonstration of this cornerstone. The emphasis places top priority on relationships to achieve the highest quality of service possible. Significant growth has been realized during this period. BCH has dedicated new structures at Odum Home, Cameron Boys Camp, Kennedy Home, Broyhill and Mills Home campuses and added new work in Waynesville and Asheville as well as Moody Home, Care House, Noel Group Home. Several significant anniversaries have been observed: the 85th of Kennedy Home in Kinston, the 30th of Baptist Maternity Home in Asheville, the 20th of Cameron Boys Camp, the 40th annual Western Area Conference, and the 115th anniversary of Baptist Children's Homes of North Carolina.

To help commemorate BCH's 115th anniversary and to celebrate the impact QSTQR has had on staff and children, approximately 600 children, administrators, childcare workers, social workers and staff were brought together June 28, 2000 from around the state for a day of inspiration, fellowship, food, and fun. **"The Family Gathering"** was held at Mills Home where BCH began in 1885. This is the first time all the Baptist Children's Homes' "family" have been together at the same place and at the same time.

Baptist Children's Homes QSTQR emphasis will culminate at Thanksgiving. We invite you to attend BCH's 30 minute presentation at the 2000 annual meeting of the Baptist State Convention in Winston-Salem on Thursday, November 14, 2000 at 2:10 p.m. We encourage you to be part of our ambitious $1 million Thanksgiving Offering goal. That number may seem enormous, but there is also enormous need. For all the good North Carolina Baptists are doing to help children and families, there is still so much that needs to be done. We are confident our churches will help us meet this important goal!

The support of North Carolina Baptists through the Thanksgiving Offering, Cooperative Program, and individual gifts, memorials, honors, bequests and estate gifts help enable us fulfill our mission statement: **"helping hurting children...healing broken families."**

North Carolina's **"largest family"** is grateful to North Carolina Baptists for prayers and support. To secure a video or a speaker for your church, or for information about our services, please call (336) 474-1209.

BAPTIST RETIREMENT HOMES OF NORTH CAROLINA, INC.

In March 2001, the Baptist Retirement Homes of North Carolina will celebrate 50 years of service to Older Adults. It has been a wonderful half-century, and the "Homes" is thankful for the privilege of sharing in the life journeys of thousands of "Aging Saints."

The quality of life the "Homes" has brought to these Older Adults has been its best measure of success as it has helped ensure that residents live out their lives with autonomy, dignity, and comfort. The "Homes" dream is to make life for North Carolina Older Adults what God intended it to be... "The Best of Times."

The "Homes" corporation now owns and operates four retirement communities across the state: the Brookridge Retirement Community in Winston-Salem, a continuing care community offering independent living, assisted living and nursing care; the Western North Carolina Home in Asheville, a community that offers assisted living and nursing care; the Hamilton Home in Hamilton and The Taylor House in Albemarle, communities that offer assisted living services. Later this year, the "Homes" will begin construction on a new community-The Gardens of Taylor Glen, a continuing care community near Concord.

The generous support the "Homes" has received from North Carolina Baptists has enabled it to make a unique promise to its residents: *whatever the future may hold, Baptist Retirement Homes will care for them for the rest of their lives.* Keeping this promise means overcoming many challenges. By 2020 North Carolinians past retirement age will make up 20 percent of the population. While medical science has prolonged life, the effects of aging are often intensified and extended over many years. Many Older Adults exhaust their personal resources and look to the "Homes" for significant financial assistance.

Still, Baptist Retirement Homes stands ready to make good its promise of ongoing compassionate and quality care.

Whatever the future may hold, Baptist Retirement Homes will care for its residents for the rest of their lives.

BIBLICAL RECORDER REPORT

Since 1833, the *Biblical Recorder* has served North Carolina Baptists as the official news journal of the Baptist State Convention. Founded by Thomas Meredith, the *Biblical Recorder* was owned and operated as a private enterprise until 1938, when the paper was purchased by and incorporated as an agency of the Baptist State Convention.

The *Biblical Recorder* promotes God's kingdom work in accordance with its missions statement: ***"Our Missions is to further Christ's kingdom among North Carolina Baptists by providing relevant news, insightful opinions and supportive resources in a timely and accessible fashion."***

As an agency belonging to all North Carolina Baptists, the *Biblical Recorder* provides balanced news coverage of Baptist news from throughout the state and reflects opinions representative of the diversity that is typical of our churches. The *Recorder* also includes periodic features designed to offer ideas, encouragement, and inspiration to readers.

In keeping with current needs, the *Biblical Recorder* maintains a frequently used site on the World Wide Web. This site (www.biblicalrecorder.org) offers Internet users an opportunity to read much of each paper's content several days before printed versions arrive. This is particularly helpful during convention meetings and at other times when frequent updates are desirable. As time and resources allow, additional features are being added to make the site an even more valuable source of information for North Carolina Baptists.

The *Biblical Recorder* works in partnership with the Baptist State Convention and receives annual support from Cooperative Program gifts as an agency of the Convention. This support makes it possible to offer the *Recorder* for just pennies per issue. The *Biblical Recorder* has not raised subscription rates in five years, but a string of steep postage hikes will almost certainly necessitate modest increases in subscription prices beginning in 2001. Currently, the annual rates (including tax) are:

- Every Home Plan (20%+ of church families, paid through the church budget) - $7.42
- Club Plan (4 or more persons in a church subscribe together) - $8.48
- Individual Subscription - $10.60

Subscription packets and free sample issues are available. For more information, please contact:

COUNCIL ON CHRISTIAN HIGHER EDUCATION

Christian higher education represents one of our enduring values as North Carolina Baptists. From the founding of our Convention in 1830, we have supported Christian higher education. Our churches, associations, and state have benefited as a result.

Last year, North Carolina Baptists provided special scholarship assistance to members from our churches who chose to attend one of our affiliated colleges or universities. Sixty-eight out of eighty associations were represented among the hundreds of students who received this special Convention sponsored scholarship assistance.

The institutions matched the Convention's support of these Baptist students through institutional support. For every dollar provided to students through the Cooperative Program, the institutions matched it with $2.50 of additional financial assistance. Forty-five percent (45%) of the on-campus student populations are Baptists.

In addition to support of undergraduates, North Carolina Baptists assisted 297 divinity school students last year. This financial assistance was made possible through churches giving through optional giving Plans B and C. Members from our churches who have sensed God's call upon their lives to serve as ministers or missionaries are eligible to receive a theological educational grant from the Convention.

If a student pursues their degree from the divinity schools at Gardner-Webb or Campbell, the student is eligible to receive a grant of $8,100. If a student pursues his or her theological education from other institutions, the student is eligible to receive a grant of $3,000 for their studies.

Reverend Shane Kirby recently graduated from the M. Christopher White School of Divinity at Gardner-Webb University. Upon graduation, Mr. Kirby said, *"I couldn't be more happy that I was able to obtain my master's at a North Carolina Baptist institution. I look at it like the Baptist of this state invested in me. Now, I feel a sense of responsibility to the good people of my denomination to serve them."*

North Carolina Baptists can take pride in graduates like Mr. Kirby who want to serve our Lord and His churches in North Carolina. Without the faithful support of the Cooperative Mission Budget of the Baptist State Convention, opportunities for our members to attend Campbell, Chowan, Gardner-Webb, Mars Hill, or Wingate would not be possible. Thank you, North Carolina Baptists, for your continued support of Christian higher education in our state.

THE NORTH CAROLINA BAPTIST FOUNDATION, INC.

The mission of the North Carolina Baptist Foundation since its inception in 1920 has been to assist the convention and its institutions and agencies in increasing an awareness among North Carolina Baptists of Christian estate stewardship principles as a means of financially undergirding churches, institutions and mission endeavors on a permanent basis. The uniqueness of the ministries and services provided by the institutions and General Board staff merits increased financial support. The Foundation accomplishes these objectives by offering assistance in estate planning counsel, will

preparation, planned giving, charitable remainder trusts, endowment funds and church fund management.

During 1999, the Foundation provided assistance to individuals in establishing 20 endowment funds and 12 charitable remainder trusts totaling $3.8 million and received $2.8 million in contributions to existing endowments all of which will ultimately benefit countless Baptist causes on a permanent basis. Programs were provided for 122 churches and associations during the year to promote Make Your Will Month, Christian estate stewardship, and church fund management. Over $3 million from churches and institutions came under management to enhance numerous ministries including scholarships, building funds, cemetery funds, benevolence funds, general operating funds and other various mission causes.

The Foundation employs professional money managers to invest these funds according to an investment policy adopted by its board. Four investment pools are offered: a growth fund, a balanced fund, an income fund, and a fixed income fund. The foundation uses the services of Salomon Smith Barney to help select top money managers and evaluate performance.

As of December 31, 1999, the Foundation held $93,355,200 under management. This is an increase of more than $12.5 million over 1998. During 1999, $1,864,044 was distributed to individuals and $3,418,543 to Baptist work for a total distribution of $5,282,587. During the 80-year history of The North Carolina Baptist Foundation, Inc., $16,081,204 has been distributed to individuals and $25,723,551 to Baptist churches, institutions and mission causes for a grand historical total of $41,804,755.

THE NORTH CAROLINA BAPTIST HOSPITALS, INCORPORATED

Meeting the Challenges of Health Care

HOSPITAL CONTINUES THE MISSION

In May of 2000 The North Carolina Baptist Hospitals, Inc. celebrated 77 years of regional, national, and international service. During these years the hospital has been faithful to the initial vision of the North Carolina Baptist State Convention. When the hospital opened the convention stated the reason for doing so was: to extend the healing ministry which was demonstrated by Jesus Christ. Many challenges have been faced through these years, but the commitment to compassionately strive for innovative excellence has remained the same.

BAPTIST BENEVOLENT CARE FUND

Baptist churches from all across North Carolina joined us in mutual mission through the Mother's Day Offering. This annual ingathering of love was approved by the Baptist State Convention of North Carolina in 1924. In 1999 the MDO amounted to $531,452. These funds were used exclusively to help patients who had minimal or no health care insurance and had no other financial means to pay their hospital bills. From the offering this past year, well over $200,000 was used to assist members of our Baptist churches in North Carolina.

SCHOOL OF PASTORAL CARE

During the year the Department of Chaplaincy and Pastoral Education provided worship services in Davis Chapel on Monday, Wednesday, Friday and Sunday as well as services in the J. Paul Sticht Center. Chaplain supervisors, residents, and interns made more than 50,000 ministry contacts last year. The Department's fully accredited Clinical Pastoral Education program graduated 65 students.

The Department of Pastoral Counseling, CareNet, Inc., continues to develop its ministries. There are now 16 Christian counseling centers located across the state. The newest center is now open in Greenville and is the staging ground for serving northeast North Carolina. During the year these professionally staffed centers provided 27,293 hours of Christian counseling, making CareNet the largest pastoral counseling system in the United States.

The Center of Congregational Health, Inc. continues to develop its mission of helping congregations become healthier communities of faith. Programs and assistance offered to churches include Intentional Interim Ministry, strategic planning, staff and team development, and conflict management. **Resources for ministers** include: Young Leaders Program, Leadership Development Group, Interim Ministry Training, and Intentional Interim Ministry training. The Center has served an average of 21 North Carolina Baptist congregations a month during the past year.

FACTS ABOUT WAKE FOREST UNIVERSITY BAPTIST MEDICAL CENTER

- With more than 9,600 employees, we are the largest employer in Forsyth and Guilford counties.
- A Certificate of need was granted for a 47,000 square foot Downtown Health Plaza to be built replacing the Reynolds Health Center, which provides health care for underserved people in Forsyth and surrounding counties.
- Building strong relationships with the community is important to us. A recent survey indicates that Medical Center employees donate more than 30,000 hours of volunteer service a year to more than 300 different organizations in our area.
- Construction has begun on a 350,000 square foot addition atop Ardmore Tower. This will provide more space for Brenner Children's Hospital as well as additional operating suites and private patient rooms.

ADDITIONAL POINTS OF EMPHASIS AND PROGRESS

New Dental Program for Indigent Children - Baptist Hospital has become a major participant in a community partnership to provide dental care for indigent children. NCBH opened a dental clinic on May 8, 2000, where three dentists are treating hundreds of children who previously had little or no access to dental services. Children who had known dental pain as a way of life, or who never had routine services because their parents could not afford it, are now being treated.

Physician Excellence - In 1999, 600 physicians in North Carolina were listed among "The Best Doctors in America"; 95 are WFUBMC physicians.

Nursing Excellence - Baptist Hospital was one of the first hospitals in the nation to receive Magnet Recognition for Excellence in Nursing, demonstrating exemplary nursing leadership and quality patient care from the American Nurses Credentialing Center, the nation's leading nursing credentialing organization.

Ranked Among The Nation's Best - North Carolina Baptist Hospitals, Inc., continues to be ranked among America's best hospitals in ten of 16 specialties, according to rankings published in the July 2000 issue of *U. S. News & World Report.* This ranking reflects the reputation of specialists at NCBH as seen by their peers across the nation.

Newest Treatment for Epilepsy - Wake Forest University Baptist Medical Center offers a new treatment for epilepsy - a "pacemaker for the brain" that can help control seizures in patients who are not helped by medication and are ineligible for surgery.

A CLOSING WORD FROM THE PRESIDENT

From its dedication on May 28, 1923 to the present, North Carolina Baptist Hospital has been committed to our mission of providing the highest quality health care to our patients and their families in a compassionate, caring manner. This report reflects how our mission and values of excellence, compassion, innovation, and integrity are lived out every day. As a Medical Center we continue to be one of the leading research centers in the United States. We provide a wide array of comprehensive health care, across the spectrum of life, to people with the most severe medical conditions. Most importantly, this care is provided one person at a time in a way that reflects the Spirit of Christ, whose healing ministry forms our very foundation.

Respectfully submitted,
Len B. Preslar, Jr., President
